- GPA is a weighted cumulative average.
- One additional quality point is added to AP & Dual Enrollment courses.
- Our school utilizes a modified block schedule. Students participate in 7 classes year-round, and most courses, with the exception of semester (.5) credit courses, are posted as full credits at the end of the year.
- Class rank is determined by a student's weighted cumulative GPA. It includes courses taken within a 7 period day and self-pay courses taken outside of school.
- Val/Sal is determined once final grades have posted to transcript in late May, prior to graduation.
