Curriculum	Nimitz will use a district-approved curriculum. We will also use Schoology to post notes, lessons, and some student work.
Forms of Academic Assessments	Nimitz has common formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment provided by our district curriculum department which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.
Expected Achievement Levels on academic assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards Nimitz tracks each child's growth throughout the year via local assessments (mentioned above) and IReady. Each child has a folder where teachers help them track their own learning growth.
Ways to request regular meeting	Guardians can bring any suggestions, ideas, or concerns to the parent meetings listed above. However, if they need to meet with an administrator or their child's teacher at another time, they can email that individual person, or call to set up a meeting day and time. Please make sure to schedule a time before you come to the school.
