WHAT IS THE COST?

Students: There is no out-of-pocket cost for students. Parker County Hospital District will collect insurance information if applicable.

WHAT IF MY CHILD STAYED HOME DUE TO ILLNESS? CAN I STILL MAKE AN APPOINTMENT AT THEIR SCHOOL?

Students that are kept home due to illness are referred to the remote clinic in Weatherford to minimize exposure to other students on campus.

No! While parents are welcome to attend appointments that take place in the school setting, it is not required. The campus nurse will call parents and inform them of appointment results.

WHAT IS THE REMOTE CLINIC?

Students and staff may be seen at the remote clinic in the same manner they would be seen in the school-based health clinics. Please note that the remote clinic is by appointment only.
