We'd like to remind families of our **expectations regarding student departure at the end of the school day**. Students are expected to leave campus promptly once their classes conclude. While they may briefly visit the school library or college and career center, these spaces are not available for extended stays or unsupervised use. To remain on campus after school hours, students must be actively participating in a school-sponsored extracurricular activity and be under the direct supervision of that teacher or coach listed on an official roster. Our school office hours are 7:30 AM to 4:00 PM, and staff may not be available outside of those times. For students seeking a safe and productive space after school, the City of Burbank provides excellent resources through its public library system. In fact, your student's school ID also serves as their library card, granting access to a wide range of services and study areas. Thank you for your support in helping us maintain a safe and structured campus environment.

CALIFORNIA SCHOLARSHIP FEDERATION (CSF) MEMBERSHIP DRIVE: The California Scholarship Federation (known as CSF) is a state-wide academic honors organization whose purpose is to recognize students who have demonstrated outstanding academic achievement.
