

# HVAC Renovations

WHALE BRANCH  
ELEMENTARY SCHOOL

**Current Phase**  
Construction Phase

**Design Firm**  
Jumper Carter Sease  
Architects, PA

**CM Firm**  
Ajax Building Company, LLC

**Project Overview:**

The HVAC scope of work is based on system replacements at multiple schools. Project priority is focused on locations primarily served by R22 refrigerant (which is being phased out), age of systems, and condition.

## Tentative Project Schedule
