

TUSKER TRACKS

A Note from Dr. B

The Bronstein Bulletin

Welcome back, Tuskers! What an exciting week we've had throughout the district - I hope everyone has begun settling into their new routines.

I'd like to introduce our new weekly update, Tusker Tracks, which we will use to share the exciting things happening around the district each Friday. We plan to use this space to celebrate all the amazing things happening in our schools and community. Tusker Tracks will be in addition to the weekly communications from your building Principals - enjoy!

Tusker Pride – Athletics & Arts

This Saturday, the Somers Varsity Football team will take on Iona Prep in a neutral, non-conference game at Christian Brothers Academy in Albany, NY at 7 p.m. as part of the New York State Tunnel to Towers Heroes Bowl - Go Tuskers!

Around the District

We'd like to extend a big Tusker welcome to this year's School Resource Officers. From the Westchester County Police Department: SRO Andrew Urizzo (SMS), SRO Matthew Laccetti (SHS), SRO Tanisha Blanche (SIS) and SRO Brian Pavletich (PES) are pictured below, L to R

Tusker Tidbits

We are happy to report that the Somers Central School District has had a successful fire inspection to start off this year! Safety remains of utmost importance to us as a district and we will continue to stay ahead on these measures.

'Tails' of Triumph

Last weekend, SCSD buildings were lit in purple to recognize International Overdose Awareness Day (8/31) in partnership with Somers Partners in Prevention. Each year, New York State commemorates this day by lighting up state landmarks, bridges and schools in purple to show support and unification around ending drug overdose and stigma.

The Week Ahead
