Addendum No. 1

The following response addresses question(s) submitted by vendor(s) on September 8, 2025; responses to the questions are indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at purchasing@smsd.org as soon as possible.

1. Is the RFI strictly for bus vendors, or is the RFI inquiring about alternative transportation vendors as well?

   The RFI is seeking information regarding bus transportation services; as noted in the RFI ("Current Contract", page 2), the District's current alternative student transportation services (vans) are supplemental to the primary student transportation services (buses), and these alternative student transportation services are outside the scope of the RFI.
