- School Context and Organization- this section was completed with additional information from the CDMC/CCNA members who were present.

These documents will live in their respective folders in our shared drive.
2025-2026 Campus Needs Assessment Planning Documents

Mrs. Cannon will be pulling these documents together for the first part of our Campus Improvement Plan. We will meet to vote / amend the document later this week. During that meeting we will work on our Priority problem Statements and Goals. We have identified these through this planning process.

Meeting was adjourned at 6:03p.
