OE-2: Emergency Superintendent Succession

The Superintendent shall designate at least one other executive staff member who is familiar with the Board's governance process and issues of current concern and is capable of assuming Superintendent responsibilities on an emergency basis.

Superintendent Interpretation:

- An **executive staff member** shall mean a member of the Administration Team.
- The term "**emergency basis**" means a period of time when the Superintendent is not available by any means and a decision that normally falls under the Superintendent's purview must be made to ensure the safety and welfare of students and District personnel, or should such a decision not be made during this period; the District's interests will be substantially damaged. The emergency would end upon the reestablishment of communication with the Superintendent, or, if the Superintendent is deemed by the School Board as incapable of resuming responsibilities, until the School Board appoints an interim Superintendent.

Board Indicator 1: <i>We will know we are compliant when:</i> <ul style="list-style-type: none">• The Superintendent, with input from the Administration Team members and Board of Education, creates a succession list with five names (in order of succession) that will fill in for the Superintendent on an emergency basis.
