

Welcome: Review/Approval of JAN Minutes

- L. Augmon reviewed the January meeting minutes
- Motion to approve, second

Enrollment and Demographics/Staffing Changes

- Free and reduced lunch has increased a little
- Rock Springs and Creekland will be Title I for the 2025-26 SY; we'll watch for CHHS to be eligible
- Projected enrollment for next year: 2,440 students (and we'll be on the [permissive transfer](#) list)
- No more reductions in staff anticipated (probably hiring/replacing three)

Discipline Summary & PBIS Updates

- Noting an uptick in where we were last year w/ discipline at this same time
- Teachers noted changes in behavior due to weather days and students leaving class
- We're interested in speakers/guests to speak to the harms of vaping in an engaging way
- Admin is staying mobile to keep students in class
- We really aren't seeing anything that other schools aren't seeing
- PBIS points are being used for Open Gym and the **new** online PBIS store ([Amazon donation link](#))

Facility Updates Schedule for 2025-26

- NEW marquee out front that will *hopefully* be here by the end of the school year
- Stadium football booster sign coming soon (destroyed in the storm)
- We *might* get fresh paint this summer, too, but we aren't sure
- Air conditioning units in the 2000 and 3000 building(s) are being replaced soon
