2025-2026 School Assignments

Eagle Cliffs Elementary School
Castle Rock Middle School
Billings Senior High School

Hannah is joining the district as a School Psychologist Intern. She received her bachelor's in psychology from the University of Oregon (UO), where she is also currently finishing her Masters in School Psychology.

Hannah is originally from Bend, OR with family ties to Montana. She is excited to immerse herself in the Billings community and support all K-12 students. Hannah has previous experience creating and implementing individualized supports for children with autism spectrum disorder (ASD), as a registered behavior technician. She maintains a specialized interest in supporting neurodivergent students such as those with ASD and/or attention deficit/hyperactivity disorder (ADHD).

In her free time, Hannah enjoys watching football and is considered an avid fan of the UO Ducks. She also enjoys hiking, reading, and watching sitcoms.
