

Dear Families,

Chatham Park 4th and 5th grade students will have an opportunity to participate in a field hockey program this fall. In addition to weekly practices, the students will compete in games against the other elementary schools in our district. All students who come out for field hockey and attend practices will play in the games.

Practices will be held from 3:30-4:30 pm. See the schedule below. We will go over the basic rules, discuss positions, and distribute uniforms and sticks at our team meeting.

Please make sure arrangements are made for kids to either walk home or be picked up by 4:30pm.

Transportation will be provided for away games. Please use the following link to register your child. Cancellations due to rain, will be communicated via email.

The deadline to register is Thursday, September 11th. Click the link below.

[Field Hockey Sign-up Form](#)

Attendance will be taken at each practice. Players are expected to attend every practice unless they have an excusable activity that is scheduled for that day. If at all possible, please arrange other activities so that they interfere as little as possible with hockey.

It is required that all players have their own equipment. If the player does not have all of the required equipment, they will not be permitted to participate in practices and/or games that day. Players MUST arrive at each practice and games with the following:

- Sneakers
- Shin guards (soccer shin guards will work)
- Mouth guard
- Sports goggles

*** Students will be provided with a stick, unless they would like to use their own.

Our first team meeting will be held on Tuesday, September 11th from 3:30pm-4:30pm. Please make prior arrangements with your child for transportation home.

We are looking forward to a great season! Please contact one of us with any questions.

Thank you!

Dan Cleary, Julia Harkins
