OUR VISION

Together with our community, the Whitesboro Central School District provides a dynamic, comprehensive program committed to relevant, engaging, individualized experiences, while fostering a culture of personal and professional growth in a safe, diverse, positive learning environment.

ABOUT US

The Whitesboro Central School District is the third largest school district in Oneida County, serving approximately 3,000 students and encompassing all of, or parts of, the towns of Whites town, Marcy, Deerfield, Schuyler and Trenton.

Located in the heart of Oneida County in Central New York, the Whitesboro Central School District includes seven school buildings and is located between the cities of Utica and Rome.

Its central location and close proximity to the New York State Thruway allows for easy access to other areas of the state.

The Adirondacks are just a short 20-minute drive to the north, while the Catskills lie to the south. The Capital Region is only 100 miles to the east, while the cities of Syracuse, Rochester and Buffalo are to the west. New York City is just four hours away when traveling on the Thruway.

Though large in size and area compared to many of the other school districts in the area, the Whitesboro Central School District is a suburban school district made up of several small, close-knit communities. Individualized instruction is still a high priority, and is accomplished by maintaining developmentally appropriate class sizes.
