Help Your Child Discover a Future in Medicine

Join hosts from Gillette Children's as we work toward building a stronger and more equitable future for the medical field. Medical Discovery Day will bring together students, parents, educators, clinicians, and community leaders to inspire youth to consider careers in healthcare. Over the course of the day, students will engage in hands-on activities and network with healthcare professionals from diverse backgrounds.

Participants of all genders are welcome, from ages 9 and up. Parent or guardian attendance is required for youth under 14. A meal is provided during the sessions.

**The event is free to attend.
Registration required.**
