PTG Meet n Greet:

Join us for our PTG Meet n Greet at Arasapha Farms on Monday, September 29th 6 PM - 8 PM. Come out and meet other parents, learn about PTG and how you can get involved!

Membership Toolkit:

Please join Membership Toolkit, our main platform for communication, purchase items from our store, access our member directory, and so much more! If you are already a member, it is time to go in and update your account for this school year. Join glenwoodptg.membershiptoolkit.com to get started!

Dues:

Dues donated by families support all aspects of the PTG program, including assemblies, field day, and field trips for students, meals and refreshments for teachers during conferences, teacher appreciation and school improvements. Membership dues are completely voluntary, but we do rely on monetary support to be able to give back to our amazing staff and the students of Glenwood Elementary School. If you are able to contribute, you may do so online through Membership Toolkit. We greatly appreciate anything you can give!
