September 2025 Edition

Principal's Message

Welcome back to another amazing school year! This year, our school theme is "It Takes a Viking Village;" a reminder that together, as a community, we can achieve great things. At the Harbor, we will continue to help our students grow as **principled** Seaford Scholars who make responsible choices, show integrity, and lead with kindness.

Each month, we will share a newsletter highlighting our exciting school happenings, friendly reminders, and important updates. Please never hesitate to reach out with any questions. We are always here to support you!
