ABOUT / Canadian Academy has been serving Kobe's international community since 1913. We have developed our programs to reflect the changing needs of our students and ensure the development of a global perspective that recognizes the special opportunities of being an international student in Japan.

PATHWAYS & THE GRADING SYSTEM / CA maintains an advanced college/university preparatory educational program in the English language. Our pathways in the high school program are as follows:

- > CA Diploma with full International Baccalaureate Diploma
- > CA Diploma with International Baccalaureate Courses

The CA high school diploma is WASC-accredited and equivalent to a US high school diploma. In Grades 11 and 12, IBDP classes are the majority of the courses offered to both students pursuing the full IB Diploma or IB Courses. In addition, there are a small number of CA Courses also available to students not pursuing the full IBDP. All classes are assessed on a 1-7 scale. CA does not report GPA, percentile/decile information, weight GPA, rank students, or convert IBDP grades to grading systems for other schools or countries.

GRADUATION REQUIREMENTS / Students must have a total of 24 credits to obtain our CA High School Diploma. The typical student earns 28 credits. To graduate from CA, students are expected to be enrolled as a student during their G12 school year.
