1. **Narrative description of the Prop 28 arts education program(s) funding.**

   Turlock Unified School District has made significant advancements in providing opportunities for students in the performing and visual arts. At the secondary level, these enhancements include offerings in advanced photojournalism, choreography, theatre technology, vocal coaching, media arts, visual arts, and the continuance of mariachi courses. Across both comprehensive high schools, a total of 16 part-time music assistants, choreographers, and/or theatre technicians have been employed to support various programs, including the Marching Band, Symphonic Band, Concert Band, Jazz Band, Color Guard, Drumline, technical theatre, vocal coaching, and related competitions and activities. As we expanded opportunities for students, we adjusted the schedules of six teachers to provide additional courses. Roselawn High School added a computer science/coding class to expand learning opportunities for students enrolled at Roselawn. Turlock Junior High School employed a guitar teacher and video production teacher, while Dutcher Middle School hired a part-time art instructor. This year, our elementary schools have enhanced opportunities in the arts alongside our secondary sites. Brown, Cunningham, Earl, Julien, Medeiros, Osborn, Walnut, and Wakefield Elementary Schools have engaged part-time art teachers to deliver instruction to students in grades TK-6 and Crowell hired a dance instructor to provide dance lessons to all students enrolled. Input for these programs was actively gathered from the schools' performing and visual arts communities, in collaboration with parents, students, booster clubs, music teachers, and administrators. Support for these initiatives is available during regular instructional hours, before school, after school, and on weekends.
