

## Application Process: Kindergarten

---

Applications for the 2026-2027 school year will open on **November 7th**. Priority applications for Kindergarten are due by **December 31, 2025**. Applications submitted after this date will be considered on a rolling admissions basis where grade level space permits. Please see the application process steps below.

Apply for each child with a \$200 non-refundable fee by **December 31, 2025 to receive top priority consideration**. Students should be five years old by August 31, 2026, to apply for kindergarten for the 2026-2027 school year. Once the application is processed, parents may view the admissions checklist in the online application portal.

- Supporting documents are due by **January 31, 2026**. Required materials include birth certificate, medical report, immunization record, and paperwork related to modifications or accommodations, if applicable (i.e IEP, 504 plan, psychoeducational evaluations etc). Timely receipt of these materials supports an efficient process for both the student and Trinity Christian Academy.
- A standardized admissions screening is one tool used to determine the best placement for each Kindergarten applicant. After an application has been submitted and all supporting documents have been received, families will be contacted to schedule a screening and a family interview. Families will meet with lower school administration and/or an admissions representative. This conversation is an opportunity to learn more about Trinity Christian Academy and share your goals for the next step in your student's educational journey.
- Admissions decisions for completed Kindergarten applications with all required documents will be emailed on or before **February 27, 2026**.
