## **Family Activities**

At Patuxent Appeal Campus, we provide many ways for parents and families to be involved in their child(ren)'s education. In September, families attend a PAC to School/Annual Meeting that reviews the Title I program and services, grade level expectations and Maryland College and Career Ready Standards. We also offer individual conferences at times convenient for parents and guardians to ensure that parents and teachers know how to maintain two-way communication about student progress.

We also offer a range of parent and family activities throughout the school year, including:

- PAC to School
- Grade Level HOWL (Helping Our families With Learning) Events
- Parent Advisory Meetings
- Parent Conferences
- Family Nights
- VIP Day
- Military Families Breakfast

As partners in your child's education, your input on the PAC School Improvement Plan, Home School Compact, Family Engagement Plan and spending of the family engagement funds is welcomed and encouraged. Please share your ideas at Parent Advisory Meetings, surveys, evaluations, and PTO meetings.
