

Dear local business owner,

The Cary-Grove High School Music Department has a long-standing tradition of entertaining audiences while providing an enjoyable and educational experience for its students. This standard of excellence has put us in the wonderful position of having sold-out performances for both our annual *Fall Follies* and spring musical. Due to the overwhelming support of the community and the enthusiasm generated by the students of the choral department, we present four performances of *Fall Follies* in November and seven performances of the musical in March. These two events give us an audience of over 7,000 community members in our state-of-the-art performance facility.

These performances provide a major opportunity for you to showcase your business to our community and support our talented youth in this positive educational setting. By advertising your business in our programs, you will be reaching a tremendous audience of potential patrons while becoming a patron of the arts in the community. Your entire tax-deductible donation will go directly to our choral program to support opportunities for our students, which is especially crucial at this time as we attempt to rebuild post-pandemic. All ads will be printed in BOTH the *Fall Follies* (digital) and musical (print) programs.
