Reminder: Drop-Off Line Procedures

For families who drop off their children in the mornings:

- Timing: Please ensure that you arrive on time and that your student exits the vehicle promptly. Have materials (backpack, lunchbox, instruments, athletic equipment, water bottles) ready to go when the car stops.
- Lane Usage: The drop-off lane is one way from Worthington to Wyoming. Please use extreme caution if you are driving around one of our school buses that is stopped to unload students. Pull up as far as possible in the drop-off lane for your child to exit.
- No Entry or Exit from Springfield Pike: Please do not enter through the parking lot from Springfield Pike to drop off your students, as this requires them to cross in front of moving cars and buses in the drop-off lane, creating safety hazards and delays.
- Stay in Your Vehicle: For the safety of everyone involved, we ask that you remain in your vehicle during drop-off.
- Speed Limits: Adhere to the posted speed limits around Wyoming Middle School and be vigilant of students and staff.

We appreciate your cooperation and understanding in adhering to these procedures. Our goal is to provide a safe and efficient drop-off experience for all families. If you have any questions or need further clarification, please do not hesitate to reach out to the school office.

Congratulations to our Cross Country teams on their success this week! The Girls Team placed 4th out of 10 schools, and the Boys Team placed 1st!
