

Student Dress Code (updated September 2025)
For Non-Uniform Days, Spirit Days, and Free Dress Days

Our Goal

At JKCS, we ask all students to dress in a way that reflects **respect for themselves, others, and our learning environment**. We want everyone to feel comfortable, safe, and ready to participate fully in school life—whether that's in class, chapel, gym, or on the playground.

Please dress modestly and appropriately for a professional school environment.

Cover your stomach & bum

*Tops should extend past the waistband. No crop tops or very low-rise pants.
Shorts should have a minimum 4-inch inseam.*

Wear clothing with respectful words & images

No inappropriate graphics, messages, or references.

Keep undergarments covered

No visible straps, waistbands, or outlines.

Shoes

Running shoes or appropriate closed-toe/heel shoes must be worn inside and outside at JKCS.

What Happens if There's a Concern?

We understand that fit and comfort can vary based on body type. Our goal is not to shame or single out students, but to uphold a shared standard that supports **a learning space marked by dignity, care, and Christlike community**. If we are concerned, a same-gender staff member will address dress code issues **kindly and privately**, and will work with students and parents to coach, not shame.

Have a question or concern? Please contact Gordon Yip, VP of School Life
