DSE GT/PTP INFORMATIONAL NIGHT

You're invited to an informational night about the GT/PTP program on **Thursday, September 11, at 6:00 pm**. I'll provide an overview of the program and answer any questions you may have. I look forward to seeing you there!

SCAPA INFORMATIONAL NIGHT

If your child (grades 3-5) is considering auditioning for the School for the Creative and Performing Arts (SCAPA), their information night is also on Thursday, September 11. SCAPA is a great program for students passionate about the arts, with specialties in Visual Art, Music, Drama, Dance, and Creative Writing.

UPDATED TESTING WINDOW

We have some important updates to share regarding the GT program testing windows this year. The Cognitive Abilities Test (CogAT) will now be administered in mid-September, while the Iowa Tests will continue to be given in November. We've also added a new spring testing window to accommodate students who may be identified for testing later in the school year. Our VPA auditions for Music, Dance, Drama and Visual Art will open in September and close mid-December.

Thank you so much for your support!
