

PROCEDURE FOR CHANGING POLICIES

Changes in policies must be discussed at a Policy Council Meeting, printed, and mailed to all Policy Council members at least five (5) days prior to the next Policy Council meeting. The proposed policy must receive an affirmative vote of a quorum of members present of the Policy Council at two (2) regularly scheduled meetings.

By majority vote of the Policy Council quorum in a regular or special meeting, the Policy Council can suspend the above rule and pass new policies or change policy on the first reading.

Approved by Policy Council 12/9/93
