# Applying to College

If applying directly to the university, follow the prompts on the university's website to apply (reminder you will still need to request your transcript via Naviance, so add them to your list).

# Applying to College

If applying via common app, go to [www.commonapp.org](https://www.commonapp.org) and create an account

The screenshot shows a web browser window with three tabs: "View Student Summary", "Naviance Student", and "Apply to college with Common App". The address bar shows "commonapp.org". The website header includes the "common app" logo, navigation links for "FIND A COLLEGE", "Plan for college", "Apply to college", and "Support your students", along with "Sign in" and "Create an account" buttons. The main content area features a large image of a smiling young woman with curly hair and the text "Your future starts here". Below this, it says "Apply to college for the first time or transfer to complete your degree. Navigate your entire college application journey with Common App." The browser's taskbar at the bottom shows the date and time as 10:46 AM on 9/12/2023, along with system icons for weather (55°F, Mostly cloudy), search, and various application icons.

# Applying to College

Most students will be using Common App to apply to colleges (most schools use common app). Again, you will have to research to find out which schools do and which schools don't.

**Once you create your Common App account, you link your Common App to your Naviance account.**

# Link Common App account to Naviance

The screenshot shows the Naviance user interface. At the top right, there is a search bar with a magnifying glass icon and the text "Search for colleges". Below this is a red navigation bar containing a white button labeled "Match Accounts". Underneath the red bar is a white navigation bar with several menu items: "Manage Transcripts" (with a document icon), "Application Milestones" (with a checklist icon), "Compare Me" (with a bar chart icon), and a red circular button with a white plus sign. Below the navigation bar, there are two buttons: "+ REQUEST TRANSCRIPTS" and "REMOVE" (with a trash can icon). A red callout box with a white background and rounded corners is positioned in the lower-left area, containing a list of instructions. A red arrow points from the "Match Accounts" button to the callout box.

To connect Common App account

- 1-create a common app
- 2-put in one school
- 3-sign FERPA agreement
- 4-use same email

...s of recommendation section, accessible from the main colleges page, for more information

# Apply with CommonApp

The image shows a screenshot of the CommonApp user interface. On the left is a navigation menu with the 'common app' logo and a list of sections: 'My Common Application', 'Profile', 'Personal Information' (highlighted), 'Address', 'Contact Details', 'Demographics', and 'Language'. The main content area is titled 'My Common Application | Profile' and 'Personal Information', with a 'Preview' button. It shows a form for 'Legal first/given name\*' with the value 'Giovanni'. Below this is a question: 'Would you like to share a name that people call you?' with radio buttons for 'Yes' and 'No' (selected), and a 'Clear answer' button. A 'Middle name' field is partially visible at the bottom. On the right is a 'Help & support' sidebar with a search bar and a 'Need Help?' section. A video player overlay is centered on the page, featuring a play button, a refresh icon, a '1x' speed control, and a '5 min' duration indicator. The footer contains links for 'Need help?', 'System requirements', 'Accessibility information', 'License agreement', and 'Terms', along with social media icons and a copyright notice for 2025 Common App.
