

## FACS Club Information

FACS Club Advisor - Summerly Iverson-Houston  
Work – (701)323- 4650 ext. 5670  
Cellphone - (701)226-0612

Dear Wachter Parent(s),

I am so excited that your son/daughter is planning to join FACS Club! FACS Club is a great way to make new friends, demonstrate leadership, support our community and grow as an individual. The goal for this club is to expand/explore skills that are taught in Family and Consumer Science class. **For this reason, your student must have been in FACS before and/or signed up for FACS this year.**

Please fill out the membership information form and contract and return it to Mrs. Iverson-Houston. **Students will not be able to join FACS Club without this form and contract.**

**Note:**

2 unexcused absences may result in termination of membership.

If students are going to be absent, they must contact me the day before the meeting, except in case of illness.

**All school conduct guidelines will be followed.** – Students not following these guidelines may be dismissed from FACS Club.

Students are **required** to participate in Community Service Projects.

**By filling in and returning the form below you agree to the above terms.**

Our first meeting will be **September 9<sup>th</sup>** from **4:00 – 5:00pm.**

**Please feel free to contact me with questions you may have.**
