Students Encountering Christ

At the start of the 2024–2025 academic year, Bishop Shanahan High School began hosting biweekly evening Holy Hours, offering students a powerful opportunity to encounter Jesus Christ in the Eucharist. Centered on Adoration of the Most Blessed Sacrament, these evenings of prayer and worship have quickly become a cherished part of student life.

Born from a desire to deepen the spiritual lives of students, the Holy Hours provide a sacred space to step away from the busyness of the day and enter into quiet reflection with the Living God. Each evening is marked by live praise and worship music that creates a spirit of reverence and joy. Students also share short reflections, offering witness to their faith and encouraging their peers along their spiritual journeys.

The Sacrament of Reconciliation is available, giving students the opportunity to receive God's mercy and grace in a deeply personal way. The response has been overwhelmingly positive, with many choosing to attend regularly to grow in their relationship with Christ.

Following Adoration, students gather for fellowship in the school lobby, strengthening friendships and the bonds of community. These evenings have become a source of peace, renewal, and grace for the entire Shanahan family.

Celebrating 25 years of The Sr. Mary Constance Logue Scholarship

Eileen Sullivan-Marx '69 and Janet Sullivan '71

In the year 2000, The Sr. Mary Constance Logue scholarship was established to help Shanahan graduates earn their bachelor degrees in nursing. Alumnae Eileen Sullivan-Marx '69 and Janet Anne Sullivan '71 have been generously contributing to this scholarship in honor of their aunt.

Marion Gertrude Logue was born in Upper Darby, the sixth of nine children. She felt her calling to religious life when she was selected to be the May Queen in 8th grade. She entered the Immaculate Heart of Mary (IHM) order while a student at West Catholic High School.

For sixty years, Sr. Constance was devoted to her vocation as a teacher and supportive counselor. She taught elementary school and then later high school biology after earning a master of science degree in microbiology. She loved the application of science to health. Her teaching assignments took her far and wide throughout eastern Pennsylvania to 21 different sites. She had a personal way of teaching, always did it with love, and strived to understand how each child could learn something.

According to Eileen and Janet, it was Sr. Constance's dedication to science and mentorship of young adolescent students that inspired them to establish The Sr. Mary Constance Logue scholarship. They are thrilled that 25 Shanahan graduates have received this award to launch them forward and receive the inspiration, love, and kindness that Sr. Constance would bring to all her students. **Thank you Eileen & Janet!**

Almost half of all students at Bishop Shanahan receive either merit-based or financial need-based tuition assistance. If you are interested in establishing a scholarship at Bishop Shanahan, please contact the Advancement Team at 610-343-6255 or giving@shanahan.org.

EX-OFFICIO
Mrs. Teresa Dellicompagni – President
Dr. Robert Moran – Principal

Dear Alumni and Friends in the Bishop Shanahan High School Community,

As I begin my second year as President of Bishop Shanahan High School, I do so with deep gratitude and excitement. This past year brought remarkable energy and momentum—thanks to your unwavering support, Shanahan continues to soar.

Among our many initiatives were **campus enhancements** already enriching student life, including the **IHM Center, the new robotics lab**, and ongoing renovations to the **gymnasium, art room, and auditorium**. These upgrades reflect our commitment to a dynamic environment where **students thrive academically, spiritually, and socially.**

Looking ahead, I'm thrilled to share our 2025 spiritual theme: **"To the Heights,"** the motto of newly canonized St. Pier Giorgio Frassati. Closely aligned with our school's own motto—"Seek the things that are found above"—this theme calls all of us to lives of heroic virtue. Throughout the year, **students will grow in faith and character through daily prayer, monthly recognitions, and spiritual retreats.**

Your commitment to Catholic education makes all of this possible. At Shanahan, we remain dedicated to providing **a faith-filled education rooted in Gospel values, strong academics, and vibrant extracurriculars.** Together, we are forming the next generation of compassionate, courageous leaders.

In this issue of the *Shanahan Magazine*, you'll find **highlights from the 2024–2025** school year and **updates from alumni making an impact around the world**. We hope these stories inspire you as much as they inspire us.

Please continue to pray for our students and the mission of Bishop Shanahan High School. I invite you to join us for Homecoming Week: **Give Back Thursday** (Sept. 25), the **Homecoming Game** (Sept. 26), and **Community Mass** (Sept. 28). Stay connected with us at **shanahan.org**.

May God bless you and your family abundantly.

Sincerely,

Mrs. Teresa Dellicompagni
President

Class of 2025 Celebrations

Baccalaureate Mass

On the evening of June 4th, the Class of 2025 celebrated Baccalaureate Mass at Saint Elizabeth Catholic Church in Chester Springs with Archbishop Nelson Pérez as the main celebrant. Baccalaureate Mass is a time-honored tradition remembered by Shanahan alumni for years to come.

This beautiful liturgy invites priests and deacons from the students' parishes, families, and friends to concelebrate. The graduates also receive a special blessed cross during the Mass to serve as a treasured keepsake and reminder that just like the love of Christ, their alma mater will also remain in their hearts.

Congratulations and blessings, Class of 2025!

Graduation Ceremony

Bishop Shanahan High School held its commencement exercises on Friday, June 6th at 10:00 AM in the BSHS auditorium, paying tribute to the Class of 2025. This year's graduating class included 207 students, all of whom were accepted to four-year colleges including College of William & Mary, Georgetown University, University of Notre Dame, Carnegie Mellon University, and United States Naval Academy. The class received more than $57,000,000 in total college scholarships, of which 15 were full tuition scholarships, and 63 were presidential scholarships. The Most Reverend Keith J. Chylinski, the Auxiliary Bishop of Philadelphia Overseeing Catholic Education, presided over the graduation ceremony.

Daniel Lim, who will be attending Temple University, was the valedictorian. Owen Whitaker, who will be attending Georgia Institute of Technology Honors Program, was the salutatorian. During his speech, Daniel reflected on the shared experience of his classmates, "We aren't called to be 'normal.' We are called to be *holy*: to be set apart; to be different; not only in the things we believe but in the way we live." During the commencement exercises, the Shanahan Medal was awarded to former Bishop Shanahan Principal & President, Reverend John E. Donia. After spending nine years as campus minister, principal and president at Bishop Shanahan he was assigned as the pastor of St. Elizabeth's and St. Thomas in Chester Springs. This medal is awarded annually to a person or group of persons whose service, commitment, and dedication to Catholic education deserve the recognition and gratitude of the Shanahan Community.

Dr. John Janasik Retires

Bishop Shanahan teachers and staff celebrated the retirement of a legend at their annual end of year luncheon following the 2025 graduation ceremony on June 6, 2025, as Dr. John Janasik was presented with a plaque and words of appreciation from the Bishop Shanahan administration.

After more than four decades at Bishop Shanahan High School—and over 50 years in Catholic education—Dr. John Janasik's professional career may be over, but his connection to our community and his impact on students and colleagues endures. A beloved chemistry teacher, STEM mentor, and longtime faculty leader, Dr. Janasik leaves behind a legacy defined by excellence, commitment, and deep care for students.

Dr. Janasik began his teaching career in 1969 at Notre Dame High School near Media before joining the Shanahan Science Department in 1983. He served as department chair from 1986 to 2004 and again in 2021. During his tenure, he taught Chemistry, Honors Chemistry, and mentored seniors in the STEM Capstone program. Under his guidance, Shanahan's STEM Team earned state recognition, and in 2018 he was named Pennsylvania STEM Advisor of the Year.

"Dr. Janasik didn't just teach us science—he believed that it was something that actually mattered," said Brendan Pappas '22, a former student. "The STEM Team, the competitions, the inventions—they all started because one teacher believed in using STEM to solve real problems, save lives, and inspire change."

His impact extended far beyond the lab. Over the years, he served as moderator for Student Council, the Winter Ball, Alumni Homecoming, and the 50th Anniversary Committee. He also coached JV volleyball, worked in school marketing, and even supervised the weight room. His influence touched every corner of campus life.

Reflecting on his career, Dr. Janasik emphasized his love of working with students. "They haven't changed much over the years," he shared. "They're good people—curious, kind, and willing to learn. That's always been the best part."

Alana (Pappas) Mesko '19, former member of the STEM Team, shared: "Dr. Janasik was such a wonderful mentor. I learned so much about leadership, teamwork, and responsibility from him, and the Shanahan community has been blessed to have him."

As he retires, Dr. Janasik leaves behind a legacy not only of academic achievement, but of faith, mentorship, and love for learning that will inspire the Shanahan community for generations to come.

Technology Student Association

This school year, the STEM Club completed its formal affiliation with the Technology Student Association, providing new opportunities for students to compete in various STEM competitions. A total of 41 members entered the chapter in its inaugural year, many of whom went on to compete in the TSA Regional Conference. Sophomore Joey D'Isabella finished in 4th place, while the team of Lorenza Arriagada-Turrent and Hailey Shapiro finished 7th. Both placed in Architectural Design. Their results were enough to qualify them for the State competition.

Bishop Shanahan Hosts Lifesaving Blood Drive

Earlier this March, Bishop Shanahan's Health Occupations Students of America (HOSA) chapter hosted a blood drive to support local healthcare facilities in need. With over 60 students and staff members coming out to contribute, 45 blood donations were made, having the potential to save 135 lives. The idea of the blood drive emerged after HOSA members learned about the nationwide blood shortages affecting hospitals and clinics all over the Chester County area. With the help of the Red Cross and faculty advisor Mrs. Lisa Rossana, they were able to successfully plan and coordinate the drive. By coming together, students showed that even a simple gesture can save lives—one pint at a time.

HOSA is a national student-led organization focused on preparing students for careers in healthcare professions. It provides opportunities for students to develop leadership, technical, and teamwork skills. Hosting the blood drive aligned perfectly with HOSA's mission of giving back to the community while addressing a prevalent healthcare related issue. Leah Madanat '25 stated, "As vice president of the chapter, I was inspired by the amount of people I saw wanting to make a difference without receiving anything in return. I believe HOSA will continue to be an outreach for our community allowing students and faculty to continue to be People of God; People for Others."

Many students were first-time donors, excited and a little nervous to take their first step toward serving others in a healthcare-related way. Past HOSA president Kyra Hearn '25 shared, "Hospitals all round the world are struggling with blood supply, so being able to help host a blood drive at Bishop Shanahan was very exciting for me! I even got to donate blood myself! And I found out I have O- blood, which is the universal blood type! I loved seeing all of my peers help the community by also donating!" Incoming HOSA president Alessandro Sleiman '26 added, "My favorite part of HOSA was the blood drive because it warmed me to see people in Shanahan's community donate blood to help the cause."

Looking to the future, HOSA plans to keep hosting blood drives and promote a culture of service and leadership within the student population. For their efforts, the Red Cross made a $500 donation to help with a scholarship. For those who missed this opportunity, consider donating at the next blood drive, because your pint could be the one that changes someone's world forever. ***Thank you, HOSA, for living "To the Heights!"***

Exploring Talents at Shanahan

This summer, Bishop Shanahan High School welcomed rising 6th through 9th grade students to take part in a variety of engaging camps designed to spark creativity, build confidence, and foster new skills. Students explored their talents through hands-on art and theater workshops, participated in high-energy eSports and STEM activities, and strengthened their athletic abilities in sports like tennis and cheer. Students also had the ability to prepare for the high school placement test with our EDGE program. Held throughout June and July, these camps offered a fun and enriching way for future Eagles to connect, learn, and experience a glimpse of life at Shanahan.

All Catholic Music Festivals

Student representatives from Bishop Shanahan High School were selected to participate in the Archdiocese of Philadelphia's music festivals, including All Catholic Band, Orchestra, and Choir. This is a prestigious honor and provided the students with the opportunity to perform with different directors and students.

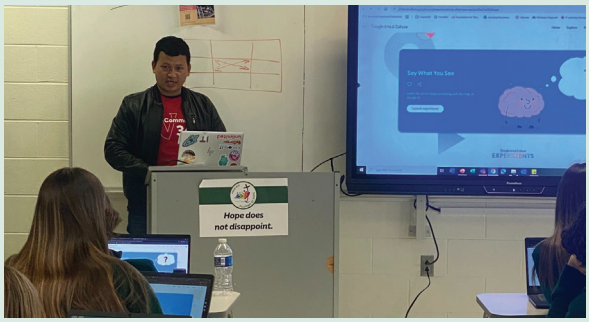

All Catholic Band (Pictured left to right): *Raphael Reyes (Trumpet), Ryan Fareno (Tuba), Gabriella Robinson (Clarinet), Abigail McCarthy (Bass Clarinet), Lila Melcher (marimba, xylophone, and bells), Colin Graveley (Alto Sax), and George Schaffer (Tenor Sax)*

All Catholic Honor Choir: *This year's All Catholic Honor Choir participated in a three day Choral Festival taking place here at Bishop Shanahan from February 13th to 15th. The choir was conducted by Dr. Marci Major, Department Chair of Music Education at West Chester University. At the Festival, students from high schools across the Diocese were challenged with difficult choral repertoire, with a concert at the conclusion of the event. Pictured left to right: Joseph Kelly, Gabriella Robinson,Colin Graveley, Skyler Richards, Kelly McClatchy, Daniella Eggles, Ryan Fareno.*

All Catholic Orchestra: *Ella Corbett who placed 7th overall and played 1st violin.*

Vanguard Pros in Tech Classes

Bishop Shanahan hosted Vanguard associates who volunteered their time to teach our Robotics, Tech Com, and Computer Programming classes all about coding. It was a tremendous success and the students enjoyed demonstrating an understanding of the basic concepts of Computer Science.

Matilda

Shanahan's Art Department presented Roald Dahl's "Matilda: The Musical" this past November. Student cast and crew members did an outstanding job over five performances. Join us for November for *Hadestown: Teen Edition*. Learn more at shanahan.org/arts.

"Ladies take the floor!"

We know what that means—Mrs. Nancy Riccardo '63 is on the microphone! Hundreds of Lady Eagles have heard this phrase over the past 40 years from their dedicated and unwavering Coach Nancy Riccardo. She was Captain of the Bishop Shanahan cheer squad her senior year, and returned to the mat in 1984 as coach. She is more than a cheer coach; she has served the Bishop Shanahan community over the past 40 years in so many ways including as assistant librarian, Senior Class moderator, homecoming advisor, Chairperson of the Golden Anniversary, and in 2015 was bestowed the Shanahan Medal. She has even seen her grandchildren graduate as Eagles with more to come!

We thank you, Mrs. Riccardo, for all of your years of service and for the impact you have made on the Bishop Shanahan community over the past 40 years!

Walk in the Way of Love

As part of Shanahan's Global Awareness Program, the school community designates 4 weeks to GA. This year's GA explored the theme "Walk in the Way of Love" through powerful reflections, statistics, and immersive simulations inspired by the "One Book, One School" selection *Refugee* by Alan Gratz.

Each week highlighted a different global challenge, led by students in the Faith in Action classes:

- **Week 1: Religious & Ethnic Persecution**
- **Week 2: Political Oppression**
- **Week 3: War & Violence**
- **Week 4: Sacrifice**

Highlights included a mock political protest on the main staircase, bringing awareness to countries where free speech is restricted. This student-led demonstration was followed up with end-of-day announcements featuring real-world struggles against political oppression.

Shanahan's commitment to global awareness has resulted in an increased ability among students to think critically about complex local and global issues. It also has cultivated empathy and an ethical mindset among students and faculty alike. Furthermore, an embedded culture of global awareness has allowed students to learn how to exercise their own rights while honoring their responsibilities to others.

National Holocaust Remembrance Day

January 27th marked the 80th anniversary of the liberation of Auschwitz and was designated as International Holocaust Remembrance Day by the United Nations General Assembly. To commemorate the victims and honor the survivors, students in the Cultural Kindness Club designed posters displaying "10 Facts About the Holocaust" for students to view as they entered the cafeteria.

And the Emmy goes to....

Excerpts reprinted with permission from LNP | LancasterOnline.com

In 2017, the SHANAHAN magazine featured Julia Neidigh '14, then an intern with MSNBC and CBS Sports. We are happy to follow-up and share the following which was posted at LancasterOnline.com in May, 2024, but just gives a glimpse into Julia's workday.

Julia Neidigh spends most of her time behind a desk in a cramped trailer. She has two phones, one for work and one personal, and it's hard to tell them apart. As the US Women's Open at Lancaster Country Club unfolds a short golf cart ride away, Neidigh sits in what's called the compound. It doesn't feel like she's near a sporting event.

Neidigh is a production manager for NBC Sports, which is broadcasting the tournament. Her job features none of the above. She handles what she calls the "nitty gritty" of the production. None of the crew members would be here without her.

This event, being so close to home, is special. "It's a full circle moment coming back here and being able to have family come out and see what I do," Neidigh said. "Because no one really knows when I tell them." One task is booking flights, hotels and rental cars for the approximately 400 people who fill the compound. Neidigh makes sure the vendors arrive, the catering tent is full and everyone can perform his or her role that day. "It's a revolving door," she said. "That's the job. Making sure they get fed, they get paid. Questions about all of that." Neidigh has the answers. Most of the time.

Julia recently communicated with Shanahan, "I'm thrilled to share that I recently won my first Emmy for my work on NBC's Paris Olympics coverage, where I helped manage two studio shows and coordinate remote shoots across the city. This season, I've stepped into a new role as Senior Production Manager, overseeing operations for Football Night in America, NBC's Super Bowl coverage and NBA broadcasts. Grateful for this journey—and for the foundation that started at Shanahan!" **Best of luck, Julia!**

Christopher Kramaric '03 Named 2025 NextGen Superstar

Christopher Kramaric '03 was recently named a Vista NextGen Superstar for 2025. *Vista.Today*, an online publication serving Chester County, in partnership with Penn State Great Valley, named rising stars who are actively engaged in improving Chester County. *The following excerpts are reprinted from Vista.Today (Helen Harris):*

Christopher Kramaric, Chief Advancement Officer at Church Farm School, has dedicated his career to expanding educational access and ensuring young men receive the support they need to succeed. As the school's first-ever Chief Advancement Officer, Kramaric is responsible for increasing the school's fundraising, branding, and public engagement efforts. He is passionate about addressing the national crisis in men's education, where less than half of young men who start college complete their degrees within six years.

After graduating from Bishop Shanahan in 2003, Kramaric went on to earn a bachelor's degree from Boston College, followed by a master's in English Literature and Literary Theory from the University of Freiburg in Germany. He later pursued a doctorate in American Studies at Yale University.

Among his proudest professional accomplishments is securing the funding necessary to build the Center for Literacy and Learning at Woodlynde School during his tenure as Assistant Head of School. This milestone not only elevated the school's fundraising success but also expanded vital neuropsychological and psychoeducational services for students across the Delaware Valley. **Congratulations, Christopher, on being named a 2025 superstar!**

Alumni Highlights

John Battagliese ’12

John Battagliese ’12 was recently named as one of **QVC**’s Show Hosts! During John’s time at Shanahan, he studied forensics and was heavily involved in Channel 2, the choir, play, and student council. His inspiring journey was also featured in **Rolling Stone** magazine. Congratulations, John!

Eagles Take to the Skies

Brian Coxson ’91, a captain for PSA Airlines (a wholly owned subsidiary of American Airlines) recently shared the cockpit with fellow aviator and BSHS alumna Megan Rogowski Love ’09. Brian said that they filled quite a bit of the three-hour flight reminiscing about their times at Shanahan and comparing notes about what things have changed and what things have stayed the same at the school. BSHS is proud of our soaring eagles!

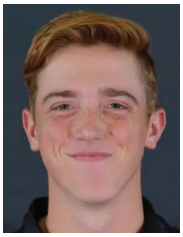

Matt Murray ’18

Matthew Murray ’18 has been named the head coach of the men’s and women’s track and field team at Immaculata University. He shared, “I’m looking forward to leading the team to a new level of culture and competition. I cannot wait to help bring out the best in every athlete! Go Macs!” Matthew was a member of the BSHS track & field team for all four years. While at Shanahan, he was a gold medalist in shot put at the Ches-Mont championships and placed sixth in the state in 2018. Best of Luck, Matthew!

Jakob Chapman ’23

Jakob Chapman ’23 was one of nine Alvernia University students recently named to the 2025 MAC All-Sportsmanship Team. Jakob represented the Alvernia men’s golf team. The MAC All-Sportsmanship Teams recognize student-athletes who exemplify great character and display exceptional sportsmanship both on and off the field. They represent their team, institution and the conference with high integrity, and exhibit respect for themselves, teammates, coaches and opponents. They are humble and hold themselves with pride, competing at the same level of intensity no matter who the competition is, or outcome of the contest. These student-athletes were selected by the head coaches and student-athletes from their respective teams. Well done, Jakob!

David Moser ’24 – SJU Hawk

Like mother, like son, David Moser ’24, the Saint Joseph University mascot is following in his mascot mother’s flaps. David is currently the hawk mascot for the SJU women’s basketball program. His mother, Barbara, served in the same capacity during the early 90’s. It is believed to be the first time that there has been a second-generation hawk in the mascot’s nearly 70-year history. The SJU mascot tradition is that as long as you are wearing the hawk suit, you must continually flap your wings. “He’s definitely a true Hawk,” Barbara said. “He just loves it as much as I did when I was there, too, and has the spirit and understands ‘the Hawk will never die’ motto.”

Creating Community

For Katie Keating, a 2021 graduate of Bishop Shanahan High School, leadership and service have always gone hand-in-hand. Now a psychology major at West Chester University, Katie has taken her commitment to inclusion and friendship to the next level as president of the university's Best Buddies chapter.

Her journey began at an Involvement Fair during her early days at West Chester. "I loved the idea of matching people in one-on-one friendships," Katie shared. "In the intellectual disability community, many people have a social circle of only one to three people, while ours might be one in a hundred. That really struck me."

Best Buddies, a national organization that fosters friendships between people with and without intellectual and developmental disabilities (IDD), provided the perfect outlet for Katie's passion. As chapter president, she focused on creating a space where participants could meet bi-monthly to have fun, make friends, and feel independent. "It was really rewarding when parents would tell me their child had never had a buddy or friend group like this before," she said.

Katie also credits her time at Shanahan for shaping her approach to leadership. "Being a leader means handling things with grace and kindness," she reflected. "Shanahan taught me to treat everyone with respect. I carried that with me." As president, she learned the value of teamwork and delegation. "You have a board for a reason," she said. "I realized how important it is to rely on others and use their strengths."

When asked about the future of the chapter, Katie's optimism shines. "We're already one of the biggest chapters, but I'd love to be the top fundraiser in the state," she said. "And I hope more students come to understand what Best Buddies is and really stick with it."

Katie's story is a reminder that inclusive leadership doesn't just create change, it builds lasting friendships, strengthens communities, leaves an impact that endures well beyond college, and teaches others to live "To the Heights."

MK Morrissey had a *Wicked* year

Excerpt from Golf Digest

It was quite a year for MK Morrissey Blake '07. On March 2nd, she wrapped up a one-year period where she played the starring role of Elphaba in Broadway's Wicked! She played the same role first on the national tour of Wicked before serving as the Elphaba standby on Broadway and eventually landing the lead role herself. She has been praised for her impressive vocal range and control, while her portrayal of Elphaba's emotional journey captivated audiences.

During her run as Elphaba, she was also featured in Golf Digest for taking up golf as a hobby. "My dad [John Morrissey P'07, '09, '12, '16] always wanted my siblings and me to play golf, and all I wanted to do was go to theater camp," Morrissey says. "My mom bought me a set of clubs for Christmas and was like, 'If you want to hang out with me, you're going to have to learn how to play golf,' " says Morrissey, whose mother, Mary Beth, had picked up the sport after retiring two years prior. "That was not on my bingo card, but I had just booked Elphaba, and I thought," What better time to have a hobby?"

In January, 2025, MK took a day off from the theater to sing the national anthem ahead of the Eagles-Commanders NFC championship game at the Linc. She was selected because she was a "Philly fan" from the area and starring on Broadway at the time. A Shanahan Eagle performing for the Philadelphia Eagles—it doesn't get much better than that! Keep soaring, MK!

Rock the Nest! Recap

Our annual NestFEST spring fundraiser was held in May. This year's theme was "Rock the Nest!" and guests enjoyed a great evening rocking the nest with The Secret Service Band! Dinner, raffles, and a live auction rounded out the night of fun. Proceeds from the event are used to support all Shanahan students in their Theology classes, clubs, activities, and more! Thank you to all who participated, volunteered, and donated to this special event.

Golden Eagles (Class of '75)

A special congratulations to our Golden Eagles, the Class of 1975, for bidding the highest of our alumni classes to "name the lane!" Shanahan was excited to welcome these Eagles to the 2025 graduation ceremony, during which they were honored on the occasion of their 50th graduation anniversary. The attendees enjoyed a catered luncheon at Shanahan, reminisced with classmates, and toured the building. Once an Eagle, always an Eagle!

Redirect Your PA taxes to BSHS

It's easy to get a 90% tax credit AND help Shanahan students in need!

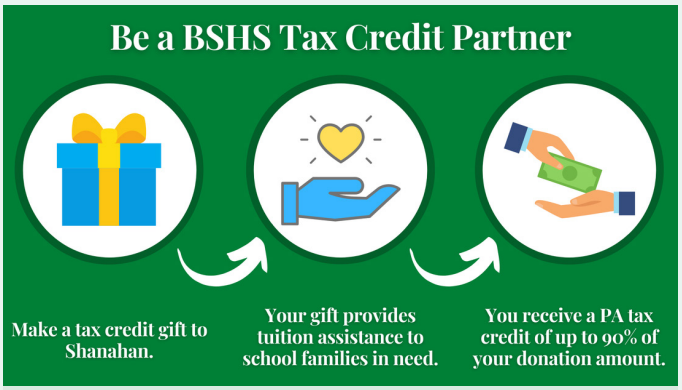

How Does It Work? Receive up to a 90% tax credit against business or personal PA state tax liability by making a gift to Shanahan.

How Do I Join?

Step 1: Pledge a 2-year commitment (minimum of $1,000 per year). The contribution amount is determined by your projected tax liability. One-year commitments are available for significant contributions that are a result of a windfall event, such as sale of business, property or other one-time spike of income.

Step 2: BSHS will connect you with a local Scholarship Organization (BLOCS or The Foundation for Catholic Education). The Scholarship Organization will notify you when to send the Year 1 contribution. This typically occurs in the fall.

Step 3: The Scholarship Organization will provide you with your K-1 so that you can use your 90% credit for the tax year in which the contribution was made. The process is very easy, and Shanahan is with you every step of the way.

To learn more contact giving@shanahan.org or visit www.shanahan.org/taxcreditprogram

Step 4: If you had been paying PA taxes all year long, you will receive a refund. Many people use the refund when writing the check for the Year 2 contribution.

Step 5: The Year 2 contribution will be made approximately one year following the first payment date.

See the following page for the list of current BSHS tax credit partners. We are grateful to each of the names on this list and pray for them daily.

Thank you, Leo Parsons, for taking Shanahan "To the Heights!"

Thank you to Leo Parsons '78, who is stepping down after 21 years of service to Bishop Shanahan High School. After first serving as a campaign co-chairperson, Leo was awarded the Shanahan Medal at the 2005 commencement exercises for his service, commitment, and dedication to Catholic education and the Shanahan community. He was also a member of the Advisory Board from 2004-2016, serving as chairperson for nine of those years. When the Advisory Board transitioned to a Board of Directors in 2016, Leo served as the chair for three years and then continued to serve on the board for another six years as past chairperson, ensuring Shanahan's growth and sustainability throughout those years.

Leo and Maryanne Parsons have been steadfast supporters of a myriad of Shanahan initiatives including (but not limited to) the Shanahan Fund, the Downingtown Building Fund, tuition assistance, scholarship programs, the stadium campaign, the endowment fund and the associated golf outing, the turf campaign, necessary Covid-related equipment, the IHM Innovation Center campaign, STEM, and school transportation.

The Shanahan community cannot thank Leo Parsons enough for his loyalty and generosity to his alma mater. May God bless you always!

Alumni, we need your help!
Since many of our alumni live out of the area, we may not receive notification of the death of an alumnus/alumna. If you should learn of the death of one of your classmates or fellow alumni, please email the Advancement Office (alumni@shanahan.org) so that we may send a Mass card to the family. Please email the name of the alumnus/alumna and the date of death (important for verification).
