# Red Devils Spirit Program Seeks New Recruits

**Aybrei Jacobs, Student Reporter**

The Red Devil Spirit Program is seeking new members for the 2023-2024 school year.

The Allen Red Devil Spirit Program is known for cheering on our Allen Red Devils at the men and women's basketball games. Not only do they cheer at games, but they also compete at multiple competitions during the spring, even placing at the National Cheerleaders Association national competition. Allen's spirit program consists of the cheer and dance team and the mascot; Reggie the Red Devil.

This year, the Red Devil Spirit Program is looking for new members for the 2023-2024 season. They are looking for potential members who have experience with cheer, dance, or tumbling and are interested in being in the Red Devil Spirit Program. There are also full books and tuition scholarships available for the spring semester.

Members of the spirit program can provide testimony of the program's benefits:

"Cheer not only honed my athleticism but also amplified my confidence. My life took a positive turn in these few years with my team, instilling in me that success mirrors hard work," said Vivian Noah, Sophomore, "So, if you're looking to work hard and have fun this year you should really consider joining our team! Go Devils!"

If interested, contact coach Marielle Melvin (melvin@allencc.edu) or stop by her office located in the Allen campus admissions office.
