

SPARK

SPARK is Belton ISD's dynamic summer learning initiative. Our instructional staff can choose from a wide range of sessions that directly align with our district's vision, values, and beliefs. The sessions cover a variety of skills and topics, allowing educators to enhance their expertise and grow professionally. Additionally, SPARK is a great opportunity to earn your trade days!

IGNITE

Ready to **ignite** the new school year? Join your role-alike peers for a day that will allow you to take a deep dive with our curriculum coordinators. You'll have the opportunity to explore curriculum adjustments and new resources, while collaborating with your peers. We'll equip you with the tools and resources you need to start the year strong and set the stage for powerful learning.

FUEL

We want to keep you fueled up with new knowledge and skills throughout the year with our **Fuel Series**. These one-hour learning opportunities are designed to be responsive to the needs and interests of both instructional and non-instructional staff. You can always count on our regularly scheduled learning opportunities every Tuesday. However, be sure to check the offerings frequently, as we may add additional days to provide even more opportunities for your continued growth.

RECHARGE

Join us in February for **Recharge**, an exclusive day of learning designed for every staff member across our organization. It's a chance to step back from your day-to-day work and invest in yourself. During this dedicated day, you'll engage in collaborative learning with your peers, exploring innovative strategies and sharing best practices. The goal is simple: equip you with the **tools and resources** you need to feel energized and finish the year strong. Think of it as a mid-year boost to set you up for success.
