

Cormier School Vision Screening 9/18/25

School vision screenings are basic vision checks that help to identify possible vision problems in students that could interfere with their learning. Cormier School students will have their vision screened by NWTC nursing students and staff on 9/18/25.

All students in 4K and 5K will have their vision screened. If your child does not pass the vision screening, results and a referral for further evaluation will be sent by the school nurse.

If you do not want your child to participate in vision screening, please contact the Cormier office at 920-448-2870 by September 17, 2025.
