Community School**

EHC 21st CCLC REACH PROGRAM

Our engaging afterschool program offers a supportive and enriching environment where students can thrive academically, socially, and emotionally. We focus on fostering curiosity, building confidence, and creating a strong sense of community.

OUR REACH PROGRAM AIMS TO PROVIDE:

Sparking Academic Curiosity: Our inquiry-based approach encourages students to investigate and problem solve collaboratively. They develop critical thinking skills that last a lifetime.

Building Confidence from the Inside Out: Through engaging activities and positive reinforcement, we empower students to believe in themselves and their abilities, fostering a growth mindset.

Nurturing Social and Emotional Growth: We provide a safe and inclusive space where students can develop essential social skills, build empathy, and learn to navigate their emotions effectively.

Connecting with Community: Our program promotes teamwork, collaboration, and a sense of belonging. Students will build meaningful connections with peers and mentors.
