

## Have you ever asked yourself...

... *What is special education?*

... *How is the district managed?...*

... *Where does the money come from?*

... *What role do I play in district decisions?*

## Join La Voz Five Star!

Get the answers to these questions and much more, while you meet district leaders, parents and community members through La Voz Five Star. Our wish is to provide a place where all parents and community members can learn more about the educational system, the Five Star District, and meet other district parents, create a shared responsibility and collaborate.
