September 2, 2025

Greetings Riders,

We hope you had a wonderful summer! We are excited to welcome you back as we kick off the 2025–26 school year. Each school year provides fresh opportunities to achieve our goals and showcase the 4 A's of Rider Pride: Academics, Arts, Athletics, and Atmosphere.

At Caesar Rodney High School, we are proud of our tradition of excellence and eager to build on our successes, embrace new challenges, and grow stronger together as a community. With the dedication of our staff, the talents of our students, and the support of our families, we know this will be another outstanding year at Caesar Rodney High School.

This year, we are taking additional steps to keep students in class and focused. Our Bell to Bell, No Cell policy means devices stay put away during instructional time, and our new SmartPass system will help reduce unnecessary hallway traffic. Last year, CRHS logged over 5,000 referrals—28% for cell phones and 22% for skipping. These changes are designed to turn those numbers around so we can stack more great days for every Rider.

In addition to maximizing instructional time, we are committed to enhancing school safety. Updated arrival procedures have been implemented to ensure a safe and structured start to each day.

Together, we will continue to create a positive and safe environment where every student thrives academically, socially, and emotionally. The 3 R's of CR: Ready, Respectful, and Responsible are our core behavioral expectations. We will continue to promote, model, teach, and reinforce these expectations every day to create a positive and consistent learning environment.

Thank you for helping us #StackGreatDays!

Sincerely,

*Freeman Williams III*

*Takiyah Benson*

*Erica Foster*

*Kristin Hannah*
