Annual Walking Field Trip Permission Form

Throughout the school year, teachers may wish to take their students on short, educationally valuable field trips to locations within walking distance of our school. These excursions provide unique learning opportunities, allowing students to connect classroom concepts with the world around them.

Examples of potential walking destinations include, but are not limited to:

- Local parks (e.g., Glacier Ridge Metro Park)
- The public library
- Local businesses or community organizations
- Community gardens or nature areas
- Civic buildings (e.g., post office, fire station)

We are requesting your permission for your child to participate in any and all walking field trips for the 2025-2026 school year.

Teachers will provide advance notice (e.g., via class newsletter, email, or a note home) before each specific walking trip, detailing the destination and educational purpose.

Please complete and return this form to your child's teacher. This form will be kept on file for the current school year.
