Special Education Department

CENTRAL YORK SCHOOL DISTRICT ALTERNATIVE EDUCATION FOR DISRUPTIVE YOUTH (AEDY) English Language Services and Supports Procedures

All English Language Learners (“ELs”) are entitled to equal access to the general education curriculum via modifications or adaptations and/or special accommodations to both instruction and assessments, as well as to planned instruction in English language development. Adequate translation and interpretation services shall be utilized as needed in working with students and their parents/guardians.

When the Central York School District refers students with English language development needs to AEDY Programs they will contract with the Lincoln Intermediate Unit (LIU 12) to ensure that students are provided with EL services by teachers holding credentials as a Certified ESL Program Specialist. These services will be provided in accordance with state and federal regulations. The Central York School District will identify ELs through the use of a Home Language Survey upon intake. The Lincoln Intermediate Unit trains their staff and follows the PDE English Learner Identification Procedure Grades K-12. The LIU contracted ESL staff will assess, provide instruction, ensure instruction, re-assess and document instruction to ELs as identified in the Requirements and Program Recommendations for Educating English Learners (ELs)

Any questions, concerns, clarifications or relevant documents should be forwarded to the Central York School District AEDY coordinator, Dr. Elizabeth Mason, 775 Marion Road, York PA 17406 or emailed to emason@cysd.k12.pa.us.
