Parkway School District is pleased to provide you with this Employee Benefit Booklet (EBB), which describes the health Benefits available to you and your covered family members. It includes summaries of:

- who is eligible;
- services that are covered, called Covered Health Services;
- services that are not covered, called Exclusions;
- how Benefits are paid; and
- your rights and responsibilities under the Plan.

This SPD is designed to meet your information needs. It supersedes any previous printed or electronic SPD for this Plan.

IMPORTANT

The healthcare service, supply or Pharmaceutical Product is only a Covered Health Service if it is Medically Necessary. (See definitions of Medically Necessary and Covered Health Service in Section 14, *Glossary*.) The fact that a Physician or other provider has performed or prescribed a procedure or treatment, or the fact that it may be the only available treatment for a Sickness, Injury, Mental Illness, substance-related and addictive disorders, disease or its symptoms does not mean that the procedure or treatment is a Covered Health Service under the Plan.

Parkway School District intends to continue this Plan, but reserves the right, in its sole discretion, to modify, change, revise, amend or terminate the Plan at any time, for any reason, and without prior notice. This SPD is not to be construed as a contract of or for employment. If there should be an inconsistency between the contents of this summary and the contents of the Plan, your rights shall be determined under the Plan and not under this summary.

UnitedHealthcare is a private healthcare claims administrator. UnitedHealthcare's goal is to give you the tools you need to make wise healthcare decisions. UnitedHealthcare also helps your employer to administer claims. Although UnitedHealthcare will assist you in many ways, it does not guarantee any Benefits. Parkway School District is solely responsible for paying Benefits described in this SPD.

Please read this SPD thoroughly to learn how the Choice Plus HSA Employee Plus Dependent Plan works. If you have questions contact your local the Finance Department department or call the number on the back of your ID card.

How To Use This SPD

- Read the entire SPD and share it with your family. Then keep it in a safe place for future reference.
- Many of the sections of this SPD are related to other sections. You may not have all the information you need by reading just one section.
- You can find copies of your SPD and any future amendments or request printed copies by contacting the Finance Department.
- Capitalized words in the SPD have special meanings and are defined in Section 14, *Glossary*.
- If eligible for coverage, the words "you" and "your" refer to Covered Persons as defined in Section 14, *Glossary*.
- Parkway School District is also referred to as Company.
- If there is a conflict between this SPD and any benefit summaries (other than Summaries of Material Modifications) provided to you, this SPD will control.

SECTION 2 - INTRODUCTION

What this section includes:

- Who's eligible for coverage under the Plan.
- The factors that impact your cost for coverage.
- Instructions and timeframes for enrolling yourself and your eligible Dependents.
- When coverage begins.
- When you can make coverage changes under the Plan.

Eligibility

You are eligible to enroll in the Plan if you are a regular full-time Participant who is scheduled to work at least 30 hours per week, 25 hours for bus drivers hours per week or a person who retires while covered under the Plan.

Your eligible Dependents may also participate in the Plan. An eligible Dependent is considered to be:

- your Spouse, as defined in Section 14, *Glossary*;
- your or your Spouse's child who is under age 26, including a natural child, stepchild, a legally adopted child, a child placed for adoption or a child for whom you or your Spouse are the legal guardian; or
- an unmarried child age 26 or over who is or becomes disabled and dependent upon you.

To be eligible for coverage under the Plan, a Dependent must reside within the United States.

Note: Your dependents may not enroll in the Plan unless you are also enrolled in this Plan or a District offered Medicare Advantage Plans. In addition, if you and your Spouse are both covered under the Plan, you may each be enrolled as a Participant or be covered as a Dependent of the other person, but not both. In addition, if you and your Spouse are both covered under the Plan, only one parent may enroll your child as a Dependent.

A Dependent also includes a child for whom health care coverage is required through a Qualified Medical Child Support Order or other court or administrative order, as described in Section 13, *Other Important Information*.

Cost of Coverage

You and Parkway School District share in the cost of the Plan. Your contribution amount depends on the Plan you select and the family members you choose to enroll.

Your contributions are deducted from your paychecks on a before-tax basis. Before-tax dollars come out of your pay before federal income and Social Security taxes are withheld

and in most states, before state and local taxes are withheld. This gives your contributions a special tax advantage and lowers the actual cost to you.

Your contributions are subject to review and Parkway School District reserves the right to change your contribution amount from time to time.

You can obtain current contribution rates by calling the Finance Department.

How to Enroll

To enroll, call the Finance Department within 31 days of the date you first become eligible for medical Plan coverage. If you do not enroll within 31 days, you will need to wait until the next annual Open Enrollment to make your benefit elections.

Each year during annual Open Enrollment, you have the opportunity to review and change your medical election. Any changes you make during Open Enrollment will become effective the following January 1.

Important

If you wish to change your benefit elections following your marriage, birth, adoption of a child, placement for adoption of a child or other family status change, you must contact the Finance Department within 31 days of the event. Otherwise, you will need to wait until the next annual Open Enrollment to change your elections.

When Coverage Begins

Once the Finance Department receives your properly completed enrollment, for certified teachers and administrators' coverage will begin on the date of hire, for all others coverage will begin on the day immediately following the completion of a 30 waiting period. Coverage for your Dependents will start on the date your coverage begins, provided you have enrolled them in a timely manner.

Coverage for a Spouse or Dependent stepchild that you acquire via marriage becomes effective the date of your marriage, provided you notify the Finance Department within 31 days of your marriage. Coverage for Dependent children acquired through birth, adoption, or placement for adoption is effective the date of the family status change, provided you notify the Finance Department within 31 days of the birth, adoption, or placement.

If you do not wish to change your benefit election due to the birth of a newborn, the automatic coverage for the newborn will terminate immediately following day 31 after birth. You will need to wait until the next annual Open Enrollment to change your election if coverage has not been selected within 31 days.

If You Are Hospitalized When Your Coverage Begins

If you are an inpatient in a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility on the day your coverage begins, the Plan will pay Benefits for Covered Health Services related to that Inpatient Stay as long as you receive Covered Health Services in accordance with the terms of the Plan.

You should notify UnitedHealthcare within 48 hours of the day your coverage begins, or as soon as is reasonably possible. Network Benefits are available only if you receive Covered Health Services from Network providers.

Changing Your Coverage

You may make coverage changes during the year only if you experience a change in family status. The change in coverage must be consistent with the change in status (e.g., you cover your Spouse following your marriage, your child following an adoption, etc.). The following are considered family status changes for purposes of the Plan:

- your marriage, divorce, legal separation or annulment;
- the birth, adoption, placement for adoption or legal guardianship of a child;
- a change in your Spouse's employment or involuntary loss of health coverage (other than coverage under the Medicare or Medicaid programs) under another employer's plan;
- loss of coverage due to the exhaustion of another employer's COBRA benefits, provided you were paying for premiums on a timely basis;
- the death of a Dependent;
- your Dependent child no longer qualifying as an eligible Dependent;
- a change in your or your Spouse's position or work schedule that impacts eligibility for health coverage;
- contributions were no longer paid by the employer (this is true even if you or your eligible Dependent continues to receive coverage under the prior plan and to pay the amounts previously paid by the employer);
- you or your eligible Dependent who were enrolled in an HMO no longer live or work in that HMO's service area and no other benefit option is available to you or your eligible Dependent;
- benefits are no longer offered by the Plan to a class of individuals that include you or your eligible Dependent;
- termination of your or your Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage as a result of loss of eligibility (you must contact the Finance Department within 60 days of termination);
- you or your Dependent become eligible for a premium assistance subsidy under Medicaid or CHIP (you must contact the Finance Department within 60 days of determination of subsidy eligibility);
- a strike or lockout involving you or your Spouse; or
- a court or administrative order.

Unless otherwise noted above, if you wish to change your elections, you must contact the Finance Department within 31 days of the change in family status. Otherwise, you will need to wait until the next annual Open Enrollment.

While some of these changes in status are similar to qualifying events under COBRA, you, or your eligible Dependent, do not need to elect COBRA continuation coverage to take advantage of the special enrollment rights listed above. These will also be available to you or your eligible Dependent if COBRA is elected.

Note: Any child under age 26 who is placed with you for adoption will be eligible for coverage on the date the child is placed with you, even if the legal adoption is not yet final. If you do not legally adopt the child, all medical Plan coverage for the child will end when the placement ends. No provision will be made for continuing coverage (such as COBRA coverage) for the child.

Change in Family Status - Example

Jane is married and has two children who qualify as Dependents. At annual Open Enrollment, she elects not to participate in Parkway School District's medical plan, because her husband, Tom, has family coverage under his employer's medical plan. In June, Tom loses his job as part of a downsizing. As a result, Tom loses his eligibility for medical coverage. Due to this family status change, Jane can elect family medical coverage under Parkway School District's medical plan outside of annual Open Enrollment.

SECTION 3 - HOW THE PLAN WORKS

What this section includes:

- Accessing Benefits.
- Eligible Expenses.
- Annual Deductible.
- Copayment.
- Coinsurance.
- Out-of-Pocket Maximum.

Accessing Benefits

As a participant in this Plan, you have the freedom to choose the Physician or health care professional you prefer each time you need to receive Covered Health Services. The choices you make affect the amounts you pay, as well as the level of Benefits you receive and any benefit limitations that may apply.

You are eligible for the Network level of Benefits under this Plan when you receive Covered Health Services from Physicians and other health care professionals who have contracted with UnitedHealthcare to provide those services.

You can choose to receive Network Benefits or Non-Network Benefits.

Network Benefits apply to Covered Health Services that are provided by a Network Physician or other Network provider.

Non-Network Benefits apply to Covered Health Services that are provided by a non-Network Physician or other non-Network provider, or Covered Health Services that are provided at a non-Network facility.

Emergency Health Services provided by a non-Network provider will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section.

Covered Health Services provided at certain Network facilities by a non-Network Physician, when not Emergency Health Services, will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section. For these Covered Health Services, "certain Network facility" is limited to a hospital (as defined in 1861(e) of the *Social Security Act*), a hospital outpatient department, a critical access hospital (as defined in 1861(mm)(1) of the *Social Security Act*), an ambulatory surgical center as described in section 1833(i)(1)(A) of the *Social Security Act*, and any other facility specified by the Secretary.

Air Ambulance transport provided by a non-Network provider will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section.

Ground Ambulance transport provided by a non-Network provider will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section.

Depending on the geographic area and the service you receive, you may have access through UnitedHealthcare's Shared Savings Program to non-Network providers who have agreed to discounts negotiated from their charges on certain claims for Covered Health Services. Refer to the definition of Shared Savings Program in Section 14, *Glossary*, of the SPD for details about how the Shared Savings Program applies.

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under the Plan. As a result, they may bill you for the entire cost of the services you receive.

Generally, when you receive Covered Health Services from a Network provider, you pay less than you would if you receive the same care from a non-Network provider. Therefore, in most instances, your out-of-pocket expenses will be less if you use a Network provider.

If you choose to seek care outside the Network, the Plan generally pays Benefits at a lower level. You are required to pay the amount that exceeds the Eligible Expense. The amount in excess of the Eligible Expense could be significant, and this amount does not apply to the Out-of-Pocket Maximum. You may want to ask the non-Network provider about their billed charges before you receive care.

Health Services from Non-Network Providers Paid as Network Benefits

If specific Covered Health Services are not available from a Network provider, you may be eligible to receive Network Benefits when Covered Health Services are received from a non-Network provider. In this situation, your Network Physician will notify UnitedHealthcare, and if UnitedHealthcare confirms that care is not available from a Network provider, UnitedHealthcare will work with you and your Network Physician to coordinate care through a non-Network provider.

Looking for a Network Provider?

In addition to other helpful information, **www.myuhc.com**, UnitedHealthcare's consumer website, contains a directory of health care professionals and facilities in UnitedHealthcare's Network. While Network status may change from time to time, **www.myuhc.com** has the most current source of Network information. Use **www.myuhc.com** to search for Physicians available in your Plan.

Network Providers

UnitedHealthcare or its affiliates arrange for health care providers to participate in a Network. At your request, UnitedHealthcare will send you a directory of Network providers free of charge. Keep in mind, a provider's Network status may change. To verify a provider's status or request a provider directory, you can call UnitedHealthcare at the number on your ID card or log onto **www.myuhc.com**.

Network providers are independent practitioners and are not employees of Parkway School District or UnitedHealthcare.

UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.

Before obtaining services you should always verify the Network status of a provider. A provider's status may change. You can verify the provider's status by calling UnitedHealthcare. A directory of providers is available online at **www.myuhc.com** or by calling the number on your ID card to request a copy. If you receive a Covered Health Service from a non-Network provider and were informed incorrectly prior to receipt of the Covered Health Service that the provider was a Network provider, either through a database, provider directory, or in a response to your request for such information (via telephone, electronic, web-based or internet-based means), you may be eligible for Network Benefits.

It is possible that you might not be able to obtain services from a particular Network provider. The network of providers is subject to change. Or you might find that a particular Network provider may not be accepting new patients. If a provider leaves the Network or is otherwise not available to you, you must choose another Network provider to get Network Benefits. However, if you are currently receiving treatment for Covered Health Services from a provider whose network status changes from Network to non-Network during such treatment due to expiration or nonrenewal of the provider's contract, you may be eligible to request continued care from your current provider at the Network Benefit level for specified conditions and timeframes. This provision does not apply to provider contract terminations for failure to meet applicable quality standards or for fraud. If you would like help to find out if you are eligible for continuity of care Benefits, please call the telephone number on your ID card.

If you are currently undergoing a course of treatment utilizing a non-Network Physician or health care facility, you may be eligible to receive transition of care Benefits. This transition period is available for specific medical services and for limited periods of time. If you have questions regarding this transition of care reimbursement policy or would like help determining whether you are eligible for transition of care Benefits, please contact UnitedHealthcare at the number on your ID card.

Do not assume that a Network provider's agreement includes all Covered Health Services. Some Network providers contract with UnitedHealthcare to provide only certain Covered Health Services, but not all Covered Health Services. Some Network providers choose to be a Network provider for only some of our products. Refer to your provider directory or contact us for assistance.

Designated Providers and Other Providers

If you have a medical condition that UnitedHealthcare believes needs special services, UnitedHealthcare may direct you to a Designated Providers chosen by UnitedHealthcare. If you require certain complex Covered Health Services for which expertise is limited, UnitedHealthcare may direct you to a Network facility or provider that is outside your local geographic area. If you are required to travel to obtain such Covered Health Services from a Designated Providers, UnitedHealthcare may reimburse certain travel expenses at UnitedHealthcare's discretion.

In both cases, Network Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Provider or other provider chosen by UnitedHealthcare.

Limitations on Selection of Providers

If UnitedHealthcare determines that you are using health care services in a harmful or abusive manner, you may be required to select a Network Physician to provide and coordinate all of your future Covered Health Services. If you don't make a selection within 31 days of the date you are notified, UnitedHealthcare will select a single Network Physician for you. In the event that you do not use the selected Network Physician Covered Health Services will be paid as Non-Network Benefits.

Eligible Expenses

Parkway School District has delegated to UnitedHealthcare the discretion and authority to decide whether a treatment or supply is a Covered Health Service and how the Eligible Expenses will be determined and otherwise covered under the Plan.

Eligible Expenses are the amount the Claims Administrator determines that the Plan will pay for Benefits.

- For Designated Network Benefits and Network Benefits for Covered Health Services provided by a Network provider, except for your cost sharing obligations, you are not responsible for any difference between Eligible Expense and the amount the provider bills.
- For Covered Health Services that are ***Ancillary Services received at certain Network facilities on a non-Emergency basis from non-Network Physicians***, you are not responsible, and the non-Network provider may not bill you, for amounts in excess of your Copayment, Coinsurance or deductible which is based on the Recognized Amount as defined in the SPD.
- For Covered Health Services that are non-Ancillary Services received at certain Network facilities on a non-Emergency basis from non-Network Physicians who have not satisfied the notice and consent criteria or for unforeseen or urgent medical needs that arise at the time a non-Ancillary Service is provided for which notice and consent has been satisfied as described below, you are not responsible, and the non-Network provider may not bill you, for amounts in excess of your Copayment, Coinsurance or deductible which is based on the Recognized Amount as defined in the SPD.
- For Covered Health Services that are ***Emergency Health Services provided by a non-Network provider***, you are not responsible, and the non-Network provider may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or deductible which is based on the Recognized Amount as defined in the SPD.
- For Covered Health Services that are ***Air Ambulance services provided by a non-Network provider***, you are not responsible, and the non-Network provider may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or deductible which is based on the rates that would apply if the service was provided by a Network provider.

Eligible Expenses are determined in accordance with the Claims Administrator's reimbursement policy guidelines or as required by law, as described in the SPD.

Designated Network Benefits and Network Benefits

Eligible Expenses are based on the following:

- When Covered Health Services are received from a Designated Network and Network provider, Eligible Expenses are our contracted fee(s) with that provider.
- When Covered Health Services are received from a non-Network provider as arranged by us, including when there is no Network provider who is reasonably accessible or available to provide Covered Health Services, Eligible Expenses are an amount negotiated by us or an amount permitted by law. Please contact us if you are billed for amounts in excess of your applicable Coinsurance, Copayment or any deductible. The Plan will not pay excessive charges or amounts you are not legally obligated to pay.

Non-Network Benefits

When Covered Health Services are received from a non-Network provider as described below, Eligible Expenses are determined as follows:

- **For non-Emergency Covered Health Services received at certain Network facilities from non-Network Physicians** when such services are either Ancillary Services, or non-Ancillary Services that have not satisfied the notice and consent criteria of section 2799B-2(d) of the *Public Health Service Act* with respect to a visit as defined by the Secretary (including non-Ancillary Services that have satisfied the notice and consent criteria but unforeseen urgent medical needs arise at the time the services are provided), the Eligible Expense is based on one of the following in the order listed below as applicable:
 - The reimbursement rate as determined by a state All Payer Model Agreement.
 - The reimbursement rate as determined by state law.
 - The initial payment made by the Claims Administrator, or the amount subsequently agreed to by the non-Network provider and the Claims Administrator.
 - The amount determined by Independent Dispute Resolution (IDR).

For the purpose of this provision, "certain Network facilities" are limited to a hospital (as defined in 1861(e) of the *Social Security Act*), a hospital outpatient department, a critical access hospital (as defined in 1861(mm)(1) of the *Social Security Act*), an ambulatory surgical center as described in section 1833(i)(1)(A) of the *Social Security Act*, and any other facility specified by the Secretary.

IMPORTANT NOTICE: For Ancillary Services, non-Ancillary Services provided without notice and consent, you are not responsible, and a non-Network Physician may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or deductible which is based on the Recognized Amount as defined in the SPD.

- For Emergency Health Services provided by a non-Network provider, the Eligible Expense is based on one of the following in the order listed below as applicable:

- The reimbursement rate as determined by a state All Payer Model Agreement.
- The reimbursement rate as determined by state law.
- The initial payment made by the Claims Administrator, or the amount subsequently agreed to by the non-Network provider and the Claims Administrator.
- The amount determined by Independent Dispute Resolution (IDR).

IMPORTANT NOTICE: You are not responsible, and a non-Network provider may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or deductible which is based on the Recognized Amount as defined in the SPD.

- For Air Ambulance transportation provided by a non-Network provider, the Eligible Expense is based on one of the following in the order listed below as applicable:
 - The reimbursement rate as determined by a state All Payer Model Agreement.
 - The reimbursement rate as determined by state law.
 - The initial payment made by the Claims Administrator, or the amount subsequently agreed to by the non-Network provider and the Claims Administrator.
 - The amount determined by Independent Dispute Resolution (IDR).

IMPORTANT NOTICE: You are not responsible, and a non-Network provider may not bill you, for amounts in excess of your Copayment, Coinsurance or deductible which is based on the rates that would apply if the service was provided by a Network provider which is based on the Recognized Amount as defined in the SPD.

- **For Emergency ground ambulance transportation provided by a non-Network provider,** the Eligible Expense, which includes mileage, is a rate agreed upon by the non-Network provider or, unless a different amount is required by applicable law, determined based upon the median amount negotiated with Network providers for the same or similar service.

IMPORTANT NOTICE: Non-Network providers may bill you for any difference between the provider's billed charges and the Eligible Expense described here.

When Covered Health Services are received from a non-Network provider, except as described above, Eligible Expenses are determined as follows: (i) an amount negotiated by the Claims Administrator, (ii) a specific amount required by law (when required by law), or (iii) an amount the Claims Administrator has determined is typically accepted by a healthcare provider for the same or similar service **or an amount that is greater than such rate when elected or directed by the Plan.** The Plan will not pay excessive charges. You are responsible for paying, directly to the non-Network provider, the applicable Coinsurance, Copayment or any deductible. Please contact the Claims Administrator if you are billed for amounts in excess of your applicable Coinsurance, Copayment or any deductible to access the Advocacy Services as described below. Following the conclusion of the Advocacy Services described below, any responsibility to pay more than the Eligible Expense (which includes your Coinsurance, Copayment, and deductible) is yours.

Advocacy Services

The Plan has contracted with the Claims Administrator to provide advocacy services on your behalf with respect to non-network providers that have questions about the Eligible Expenses and how the Claims Administrator determined those amounts. Please call the Claims Administrator at the number on your ID card to access these advocacy services, or if you are billed for amounts in excess of your applicable coinsurance or copayment. In addition, if the Claims Administrator, or its designee, reasonably concludes that the particular facts and circumstances related to a claim provide justification for reimbursement greater than that which would result from the application of the Eligible Expense, and the Claims Administrator, or its designee, determines that it would serve the best interests of the Plan and its Participants (including interests in avoiding costs and expenses of disputes over payment of claims), the Claims Administrator, or its designee, may use its sole discretion to increase the Eligible Expense for that particular claim.

Don't Forget Your ID Card

Remember to show your ID card every time you receive health care services from a provider. If you do not show your ID card, a provider has no way of knowing that you are enrolled under the Plan.

Annual Deductible

The Annual Deductible is the amount of Eligible Expenses, or the Recognized Amount when applicable, you must pay each calendar year for Covered Health Services before you are eligible to begin receiving Benefits. There are separate Network and non-Network Annual Deductibles for this Plan. The amounts you pay toward your Annual Deductible accumulate over the course of the calendar year.

The Annual Deductible applies to all Covered Health Services under the Plan, including Covered Health Services provided in your separate prescription drug plan administered by ExpressScripts.

Copayment

A Copayment (Copay) is the amount you pay each time you receive certain Covered Health Services. The Copay is a flat dollar amount and is paid at the time of service or when billed by the provider. Copays count toward the Out-of-Pocket Maximum. Copays do not count toward the Annual Deductible. If the Eligible Expense is less than the Copay, you are only responsible for paying the Eligible Expense and not the Copay.

Coinsurance

Coinsurance is the percentage of Eligible Expenses, or the Recognized Amount when applicable, that you are responsible for paying. Coinsurance is a fixed percentage that applies to certain Covered Health Services after you meet the Annual Deductible.

Coinsurance - Example

Let's assume that you receive Plan Benefits for outpatient surgery from a Network provider. Since the Plan pays 100% after you meet the Annual Deductible, you are responsible for paying the other 0%. This 0% is your Coinsurance.

Out-of-Pocket Maximum

The annual Out-of-Pocket Maximum is the most you pay each calendar year for Covered Health Services. There are separate Network and non-Network Out-of-Pocket Maximums for this Plan. If your eligible out-of-pocket expenses in a calendar year exceed the annual maximum, the Plan pays 100% of Eligible Expenses for Covered Health Services through the end of the calendar year.

The Out-of-Pocket Maximum applies to all Covered Health Services under the Plan, including Covered Health Services provided in your separate prescription drug plan administered by ExpressScripts.

The following table identifies what does and does not apply toward your Network and non-Network Out-of-Pocket Maximums:

Plan Features	Applies to the Network Out-of-Pocket Maximum?	Applies to the Non-Network Out-of-Pocket Maximum?
Copays, except for those Covered Health Services identified in the Plan Highlights table that do not apply to the Out-of-Pocket Maximum	Yes	Yes
Payments toward the Annual Deductible	Yes	Yes
Coinsurance Payments	Yes	Yes
Charges for non-Covered Health Services	No	No
The amounts of any reductions in Benefits you incur by not obtaining prior authorization from the Claims Administrator	No	No
Charges that exceed Eligible Expenses, or the Recognized Amount when applicable.	No	No

SECTION 4 - PERSONAL HEALTH SUPPORT AND PRIOR AUTHORIZATION

What this section includes:

- An overview of the Personal Health Support program.
- Covered Health Services which Require Prior Authorization.

Care Management

When you seek prior authorization as required, the Claims Administrator will work with you to implement the care management process and to provide you with information about additional services that are available to you, such as disease management programs, health education, and patient advocacy.

UnitedHealthcare provides a program called Personal Health Support designed to encourage personalized, efficient care for you and your covered Dependents.

Personal Health Support Nurses center their efforts on prevention, education, and closing any gaps in your care. The goal of the program is to ensure you receive the most appropriate and cost-effective services available.

If you are living with a chronic condition or dealing with complex health care needs, UnitedHealthcare may assign to you a primary nurse, referred to as a Personal Health Support Nurse, to guide you through your treatment. This assigned nurse will answer questions, explain options, identify your needs, and may refer you to specialized care programs. The Personal Health Support Nurse will provide you with their telephone number so you can call them with questions about your conditions, or your overall health and well-being.

Personal Health Support Nurses will provide a variety of different services to help you and your covered family members receive appropriate medical care. Program components are subject to change without notice. When the Claims Administrator is called as required, they will work with you to implement the Personal Health Support process and to provide you with information about additional services that are available to you, such as disease management programs, health education, and patient advocacy. As of the publication of this SPD, the Personal Health Support program includes:

- **Admission counseling** - Personal Health Support Nurses are available to help you prepare for a successful surgical admission and recovery. Call the number on your ID card for support.
- **Inpatient care management** - If you are hospitalized, a Personal Health Support Nurses will work with your Physician to make sure you are getting the care you need and that your Physician's treatment plan is being carried out effectively.
- **Readmission Management** - This program serves as a bridge between the Hospital and your home if you are at high risk of being readmitted. After leaving the Hospital, if you have a certain chronic or complex condition, you may receive a phone call from a Personal Health Support Nurse to confirm that medications, needed equipment, or

follow-up services are in place. The Personal Health Support Nurse will also share important health care information, reiterate and reinforce discharge instructions, and support a safe transition home.

- **Risk Management** - Designed for participants with certain chronic or complex conditions, this program addresses such health care needs as access to medical specialists, medication information, and coordination of equipment and supplies. Participants may receive a phone call from a Personal Health Support Nurse to discuss and share important health care information related to the participant's specific chronic or complex condition.
- **Cancer Management** - You have the opportunity to engage with a nurse that specializes in cancer, education and guidance throughout your care path.
- **Kidney Management** - You have the opportunity to engage with a nurse that specializes in kidney disease, education and guidance with CKD stage 4/5 or ESRD throughout your care path.

If you do not receive a call from a Personal Health Support Nurse but feel you could benefit from any of these programs, please call the number on your ID card.

Prior Authorization

UnitedHealthcare requires prior authorization for certain Covered Health Services. Network Primary Physicians and other Network providers are responsible for obtaining prior authorization before they provide these services to you.

It is recommended that you confirm with the Claims Administrator that all Covered Health Services listed in Section 6, *Additional Coverage Details* have been prior authorized as required. Before receiving these services from a Network provider, you may want to contact the Claims Administrator to verify that the Hospital, Physician and other providers are Network providers and that they have obtained the required prior authorization. Network facilities and Network providers cannot bill you for services they fail to prior authorize as required. You can contact the Claims Administrator by calling the number on your ID card.

When you choose to receive certain Covered Health Services from non-Network providers, you are responsible for obtaining prior authorization before you receive these services. Note that your obligation to obtain prior authorization is also applicable when a non-Network provider intends to admit you to a Network facility or refers you to other Network providers. Services for which you are required to obtain prior authorization are shown in Section 6, *Additional Coverage Details*.

To obtain prior authorization, call the number on your ID card. This call starts the utilization review process. Once you have obtained the authorization, please review it carefully so that you understand what services have been authorized and what providers are authorized to deliver the services that are subject to the authorization.

The utilization review process is a set of formal techniques designed to monitor the use of, or evaluate the clinical necessity, appropriateness, efficacy, or efficiency of, health care services, procedures or settings. Such techniques may include ambulatory review, prospective

review, second opinion, certification, concurrent review, case management, discharge planning, retrospective review or similar programs.

Contacting UnitedHealthcare Personal Health Support is easy.
Simply call the number on your ID card.

Your Primary Physician and other Network providers are responsible for obtaining prior authorization from the Claims Administrator before they provide certain services to you.

When you choose to receive certain Covered Health Services from non-Network providers, you are responsible for obtaining prior authorization from the Claims Administrator before you receive these services. In many cases, your Non-Network Benefits will be reduced if the Claims Administrator has not provided prior authorization.

Services for which you are required to obtain prior authorization are identified in Section 6, *Additional Coverage Details*, within each Covered Health Service Benefit description. Please note that prior authorization timelines apply. Refer to the applicable Benefit description to determine how far in advance you must obtain prior authorization.

Special Note Regarding Medicare

If you are enrolled in Medicare on a primary basis (Medicare pays before the Plan pays Benefits) the prior authorization requirements do not apply to you. Since Medicare is the primary payer, the Plan will pay as secondary payer as described in Section 10, *Coordination of Benefits (COB)*. You are not required to obtain authorization before receiving Covered Health Services.

SECTION 5 - PLAN HIGHLIGHTS

What this section includes:

- Payment Terms and Features.
- Schedule of Benefits.

SECTION 6 - ADDITIONAL COVERAGE DETAILS

What this section includes:

- Covered Health Services for which the Plan pays Benefits.
- Covered Health Services that require you to obtain prior authorization before you receive them, and any reduction in Benefits that may apply if you do not call obtain prior authorization.

This section supplements the second table in Section 5, *Plan Highlights*.

While the table provides you with Benefit limitations along with Copayment, Coinsurance and Annual Deductible information for each Covered Health Service, this section includes descriptions of the Benefits. These descriptions include any additional limitations that may apply, as well as Covered Health Services for which you must obtain prior authorization from the Claims Administrator as required. The Covered Health Services in this section appear in the same order as they do in the table for easy reference. Services that are not covered are described in Section 8, *Exclusions*.

Benefits are provided for services delivered via Telehealth/Telemedicine. Benefits are also provided for Remote Physiologic Monitoring. Benefits for these services are provided to the same extent as an in-person service under any applicable Benefit category in this section unless otherwise specified in the table.

Ambulance Services

The Plan covers Emergency ambulance services and transportation provided by a licensed ambulance service to the nearest Hospital that offers Emergency Health Services. See Section 14, *Glossary* for the definition of Emergency.

Ambulance service by air is covered in an Emergency if ground transportation is impossible, or would put your life or health in serious jeopardy. If special circumstances exist, UnitedHealthcare may pay Benefits for Emergency air transportation to a Hospital that is not the closest facility to provide Emergency Health Services.

The Plan also covers transportation provided by a licensed professional ambulance (either ground or Air Ambulance, as UnitedHealthcare determines appropriate) between facilities when the transport is:

- From a non-Network Hospital to a Network Hospital.
- To a Hospital that provides a higher level of care that was not available at the original Hospital.
- To a more cost-effective acute care facility.
- From an acute facility to a sub-acute setting.

Prior Authorization Requirement

In most cases, the Claims Administrator will initiate and direct non-Emergency ambulance transportation. For Non-Network Benefits, if you are requesting non-Emergency Air Ambulance services, (including any affiliated non-Emergency ground ambulance transport in conjunction with non-Emergency Air Ambulance transport), you must obtain prior authorization as soon as possible before transport. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Autism Spectrum Disorders Treatment

No visit limits are applicable to Covered Health Services for the treatment of Autism Spectrum Disorders, including, but not limited to, habilitative or rehabilitative visit limits.

Benefits are provided for coverage for the diagnosis and treatment of Autism Spectrum Disorders.

We will not deny or refuse to issue coverage on, refuse to contract with, or refuse to renew or refuse to reissue or otherwise terminate or restrict coverage to you or your Dependent because the individual is diagnosed with Autism Spectrum Disorder.

Coverage provided for Autism Spectrum Disorder is limited to medically necessary treatment that is ordered by the Covered Person's treating licensed Physician or licensed psychologist, pursuant to the powers granted under such licensed Physician's or licensed psychologist's license, in accordance with a treatment plan.

Upon our request, the treatment plan will include all elements necessary for us to pay claims. Such elements include, but are not limited to, a diagnosis, proposed treatment by type, frequency and duration of treatment, and goals.

Except for inpatient services, we have the right to review the treatment plan if a Covered Person is receiving treatment for an Autism Spectrum Disorder. We have the right to review the treatment plan not more than once every 6 months unless we and the Covered Person's treating Physician or psychologist agree that a more frequent review is necessary. Any such agreement regarding the right to review a treatment plan more frequently shall only apply to a particular Covered Person being treated for an Autism Spectrum Disorder and shall not apply to all Covered Persons being treated for Autism Spectrum Disorders by a Physician or psychologist. The cost of obtaining any review or treatment plan shall be borne by us.

Coverage is provided for medically necessary Applied Behavior Analysis for a Covered Person and is not subject to the age or dollar maximums for Applied Behavior Analysis stated in Missouri's law for Autism Spectrum Disorder coverage. There are no limits on the number of visits a Covered Person may make to an Autism Service Provider.

This Autism Spectrum Disorder Treatment benefit shall not be construed as limiting benefits which are otherwise available to a Covered Person under this Policy. The Autism Spectrum Disorder coverage required by Missouri law shall not be subject to any greater deductible, coinsurance, or co-payment than other physical health care services provided by us. Covered Health Services may be subject to other general exclusions and limitations of the Policy, not in conflict with the provisions of this Autism Spectrum Disorder Treatment

benefit, such as coordination of benefits, exclusions for services provided by family or household members, and utilization review of Covered Health Care Services, including review of medical necessity and care management; however, coverage for treatment under the Autism Spectrum Disorder Treatment section shall not be denied on the basis that it is educational or habilitative in nature.

If we make payments or reimbursements for Applied Behavior Analysis, such payments or reimbursements shall be made to either:

- The Autism Service Provider, as defined in the Autism Spectrum Defined Terms section of the Definition section of the Policy; or
- The entity or group for whom such supervising person, who is certified as a board-certified behavior analyst by the Behavior Analyst Certification Board, works or is associated.

Such payments or reimbursements for Autism Spectrum Disorder coverage to an Autism Service Provider or a board-certified behavior analyst shall include payments or reimbursements for services provided by a Line Therapist under the supervision of such Autism Service Provider or behavior analyst if such services provided by the Line Therapist are deemed medically necessary.

Notwithstanding any other provision of Missouri's law to the contrary, we shall not be held liable for the actions of Line Therapists in the performance of their duties.

Because we are subject to the provisions of Missouri's Autism Spectrum Disorder law, we shall not be required to provide reimbursement for the Applied Behavior Analysis delivered to a person insured by us to the extent we are billed for such services by any Part C early intervention program or any school district for Applied Behavior Analysis rendered to the Covered Person by us. This shall not be construed as affecting any obligation to provide services to a Covered Person who has an individualized family service plan, an individualized education plan, or an individualized service plan. The Missouri's Autism Spectrum Disorder law shall not be construed as affecting any obligation to provide reimbursement pursuant to Missouri's Early Intervention Services law.

Prior Authorization Requirement

For Non-Network Benefits a scheduled admission Autism Spectrum Disorder Services you must obtain prior authorization prior to the admission or as soon as is reasonably possible for non-scheduled admissions. In addition, for Non-Network Benefits you must obtain prior authorization before the following services are received: Psychiatric Care, Psychological Care and Habilitative or Rehabilitative care including Applied Behavioral Analysis. Also, for Non-Network Benefits you must obtain prior authorization five business days before receiving therapeutic care for Autism Spectrum Disorders. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Cellular and Gene Therapy

Cellular Therapy and Gene Therapy received on an inpatient or outpatient basis at a Hospital or on an outpatient basis at an Alternate Facility or in a Physician's office.

Benefits for CAR-T therapy for malignancies are provided as described under *Transplantation Services*.

Clinical Trials

Benefits are available for routine patient care costs incurred during participation in a qualifying Clinical Trial for the treatment of:

- Cancer or other life-threatening disease or condition. For purposes of this benefit, a life-threatening disease or condition is one from which the likelihood of death is probable unless the course of the disease or condition is interrupted.
- Cardiovascular disease (cardiac/stroke) which is not life threatening, for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.
- Surgical musculoskeletal disorders of the spine, hip and knees, which are not life threatening, for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.
- Other diseases or disorders which are not life threatening for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.

Benefits include the reasonable and necessary items and services used to prevent, diagnose and treat complications arising from participation in a qualifying Clinical Trial.

Benefits are available only when the Covered Person is clinically eligible for participation in the qualifying Clinical Trial as defined by the researcher.

Routine patient care costs for qualifying Clinical Trials include:

- Covered Health Services for which Benefits are typically provided absent a Clinical Trial.
- Covered Health Services required solely for the provision of the Experimental or Investigational Service(s) or item, the clinically appropriate monitoring of the effects of the service or item, or the prevention of complications.
- Covered Health Services needed for reasonable and necessary care arising from the provision of an Experimental or Investigational Service(s) or item.

Routine costs for Clinical Trials do not include:

- The Experimental or Investigational Service(s) or item. The only exceptions to this are:
 - Certain Category B devices.
 - Certain promising interventions for patients with terminal illnesses.

- Other items and services that meet specified criteria in accordance with UnitedHealthcare's medical and drug policies.
- Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient.
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.
- Items and services provided by the research sponsors free of charge for any person enrolled in the trial.

With respect to cancer or other life-threatening diseases or conditions, a qualifying Clinical Trial is a Phase I, Phase II, Phase III, or Phase IV Clinical Trial that is conducted in relation to the prevention, detection or treatment of cancer or other life-threatening disease or condition and which meets any of the following criteria in the bulleted list below.

With respect to cardiovascular disease or musculoskeletal disorders of the spine, hip and knees and other diseases or disorders which are not life-threatening, a qualifying Clinical Trial is a Phase I, Phase II, or Phase III Clinical Trial that is conducted in relation to the detection or treatment of such non-life-threatening disease or disorder and which meets any of the following criteria in the bulleted list below.

- Federally funded trials. The study or investigation is approved or funded (which may include funding through in-kind contributions) by one or more of the following:
 - *National Institutes of Health (NIH)*. (Includes *National Cancer Institute (NCI)*).
 - *Centers for Disease Control and Prevention (CDC)*.
 - *Agency for Healthcare Research and Quality (AHRQ)*.
 - *Centers for Medicare and Medicaid Services (CMS)*.
 - A cooperative group or center of any of the entities described above or the *Department of Defense (DOD)* or the *Veterans Administration (VA)*.
 - A qualified non-governmental research entity identified in the guidelines issued by the *National Institutes of Health* for center support grants.
 - The *Department of Veterans Affairs*, the *Department of Defense* or the *Department of Energy* as long as the study or investigation has been reviewed and approved through a system of peer review that is determined by the *Secretary of Health and Human Services* to meet both of the following criteria:
 - Comparable to the system of peer review of studies and investigations used by the *National Institutes of Health*.
 - Ensures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.
- The study or investigation is conducted under an investigational new drug application reviewed by the U.S. Food and Drug Administration.
- The study or investigation is a drug trial that is exempt from having such an investigational new drug application.

- The Clinical Trial must have a written protocol that describes a scientifically sound study and have been approved by all relevant institutional review boards (IRBs) before participants are enrolled in the trial. UnitedHealthcare may, at any time, request documentation about the trial.
- The subject or purpose of the trial must be the evaluation of an item or service that meets the definition of a Covered Health Service and is not otherwise excluded under the Plan.

Prior Authorization Requirement

For Non-Network Benefits you must obtain prior authorization as soon as the possibility of participation in a Clinical Trial arises. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Congenital Heart Disease (CHD) Surgeries

The Plan pays Benefits for Congenital Heart Disease (CHD) surgeries which are ordered by a Physician. CHD surgical procedures include surgeries to treat conditions such as coarctation of the aorta, aortic stenosis, tetralogy of fallot, transposition of the great vessels and hypoplastic left or right heart syndrome.

UnitedHealthcare has specific guidelines regarding Benefits for CHD services. Contact UnitedHealthcare at the number on your ID card for information about these guidelines.

The Plan pays Benefits for Congenital Heart Disease (CHD) services ordered by a Physician and received at a CHD Resource Services program. Benefits include the facility charge and the charge for supplies and equipment. Benefits are available for the following CHD services:

- Outpatient diagnostic testing.
- Evaluation.
- Surgical interventions.
- Interventional cardiac catheterizations (insertion of a tubular device in the heart).
- Fetal echocardiograms (examination, measurement and diagnosis of the heart using ultrasound technology).
- Approved fetal interventions.

CHD services other than those listed above are excluded from coverage, unless determined by the Claims Administrator to be proven procedures for the involved diagnoses. Contact CHD Resource Services at 1-888-936-7246 before receiving care for information about CHD services. More information is also available at www.myoptumhealthcomplexmedical.com.

If you receive Congenital Heart Disease services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- *Physician's Office Services - Sickness and Injury.*
- *Physician Fees for Surgical and Medical Services.*
- *Scopic Procedures - Outpatient Diagnostic and Therapeutic.*
- *Therapeutic Treatments - Outpatient.*
- *Hospital - Inpatient Stay.*
- *Surgery - Outpatient.*

Prior Authorization Requirement

For Non-Network Benefits you must obtain prior authorization as soon as the possibility of a CHD surgery arises. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

It is important that you notify the Claims Administrator regarding your intention to have surgery. Your notification will open the opportunity to become enrolled in programs that are designed to achieve the best outcomes for you.

Dental Anesthesia and Facility Charges

Outpatient administration of general anesthesia and Hospital charges for dental care if:

- The Covered Person is a child under the age of five.
- The Covered Person is severely disabled.
- The Covered Person has a medical or behavioral condition that requires hospitalization or general anesthesia when dental care is provided.

Dental Services - Accident Only

Dental services are covered by the Plan when all of the following are true:

- Treatment is necessary because of accidental damage.
- Dental services are received from a Doctor of Dental Surgery or a Doctor of Medical Dentistry.
- The dental damage is severe enough that initial contact with a Physician or dentist occurs within 72 hours of the accident. (You may request an extension of this time period provided that you do so within 60 days of the Injury and if extenuating circumstances exist due to the severity of the Injury.)

Please note that dental damage that occurs as a result of normal activities of daily living or extraordinary use of the teeth is not considered having occurred as an accident. Benefits are not available for repairs to teeth that are damaged as a result of such activities.

The Plan also covers dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition limited to:

- Dental services related to medical transplant procedures.
- Initiation of immunosuppressives (medication used to reduce inflammation and suppress the immune system).
- Direct treatment of acute traumatic Injury, cancer or cleft palate.

Dental services for final treatment to repair the damage caused by accidental Injury must be started within 3 months of the accident, or if not a Covered Person at the time of the accident, within the first three months of coverage under the Plan, unless extenuating circumstances exist (such as prolonged hospitalization or the presence of fixation wires from fracture care) and completed within 12 months of the accident, or if not a Covered Person at the time of the accident, within the first 12 months of coverage under the Plan.

The Plan pays for treatment of accidental Injury only for:

- Emergency examination.
- Necessary diagnostic X-rays.
- Endodontic (root canal) treatment.
- Temporary splinting of teeth.
- Prefabricated post and core.
- Simple minimal restorative procedures (fillings).
- Extractions.
- Post-traumatic crowns if such are the only clinically acceptable treatment.
- Replacement of lost teeth due to the Injury by implant, dentures or bridges.

Diabetes Services

Diabetes Self-Management and Training/Diabetic Eye Examinations/Foot Care

Outpatient self-management training for the treatment of diabetes, education and medical nutrition therapy services. Services must be ordered by a Physician and provided by appropriately licensed or registered health care professionals.

Benefits also include medical eye exams (dilated retinal exams) and preventive foot care for diabetes.

Diabetic Self-Management Items

Insulin pumps that are not fully implanted into the body and supplies for the management and treatment of diabetes, based upon your medical needs include:

- Insulin pumps that are subject to all the conditions of coverage stated under Durable Medical Equipment (DME).
- Blood glucose meters including continuous glucose monitors.
- Insulin syringes with needles.

- Blood glucose and urine test strips.
- Ketone test strips and tablets.
- Lancets and lancet devices.

Benefits for diabetes equipment that meet the definition of Durable Medical Equipment are subject to the limit stated under *Durable Medical Equipment* in this section.

Prior Authorization Requirement

For Non-Network Benefits you must obtain prior authorization before obtaining any Durable Medical Equipment for the management and treatment of diabetes that exceeds \$1,000 in cost (either retail purchase cost or cumulative retail rental cost of a single item). If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Durable Medical Equipment (DME)

The Plan pays for Durable Medical Equipment (DME) that is:

- Ordered or provided by a Physician for outpatient use.
- Used for medical purposes.
- Not consumable or disposable.
- Not of use to a person in the absence of a Sickness, Injury or disability.
- Durable enough to withstand repeated use.
- Appropriate for use in the home.

If more than one piece of DME can meet your functional needs, you will receive Benefits only for the most Cost-Effective piece of equipment. Benefits are provided for a single unit of DME (example: one insulin pump) and for repairs of that unit.

Examples of DME include but are not limited to:

- Equipment to administer oxygen.
- Equipment to assist mobility, such as a standard wheelchair.
- Hospital beds.
- Delivery pumps for tube feedings.
- Negative pressure wound therapy pumps (wound vacuums).
- Burn garments.
- Insulin pumps and all related necessary supplies as described under Diabetes Services in this section.
- External cochlear devices and systems. Surgery to place a cochlear implant is also covered by the Plan. Cochlear implantation can either be an inpatient or outpatient

procedure. See Hospital - Inpatient Stay, Rehabilitation Services - Outpatient Therapy and Surgery - Outpatient in this section.

- Braces that stabilize an injured body part, including necessary adjustments to shoes to accommodate braces. Braces that stabilize an injured body part and braces to treat curvature of the spine are considered Durable Medical Equipment and are a Covered Health Service. Braces that straighten or change the shape of a body part are orthotic devices and are excluded from coverage. Dental braces are also excluded from coverage.
- Mechanical equipment necessary for the treatment of chronic or acute respiratory failure (except that air-conditioners, humidifiers, dehumidifiers, air purifiers and filters, and personal comfort items are excluded from coverage).

The Plan also covers tubings, nasal cannulas, connectors and masks used in connection with DME.

Benefits also include dedicated speech generating devices and tracheo-esophageal voice devices required for treatment of severe speech impairment or lack of speech directly attributed to Sickness or Injury. Benefits for the purchase of these devices are available only after completing a required three-month rental period.

Foot Orthotic Appliances:

The initial purchase, fitting and repair of orthotic appliances such braces, splints or other appliances which are required for support for an injured or deformed part of the body as a result of a disabling condition or an injury or sickness. Replacements will be covered if there is sufficient change in the covered person's condition or if the original appliance is deemed no longer functional.

Note: DME is different from prosthetic devices - see *Prosthetic Devices* in this section.

Benefits for dedicated speech generating devices and tracheo-esophageal voice devices are limited to the purchase of one device during the entire period of time a Covered Person is enrolled under the Plan. Benefits for repair/replacement are limited to once every three years.

Benefits are provided for the repair/replacement of a type of Durable Medical Equipment once every 3 calendar years.

At UnitedHealthcare's discretion, replacements are covered for damage beyond repair with normal wear and tear, when repair costs exceed new purchase price, or when a change in the Covered Person's medical condition occurs sooner than the three-year timeframe. Repairs, including the replacement of essential accessories, such as hoses, tubes, mouth pieces, etc., for necessary DME are only covered when required to make the item/device serviceable and the estimated repair expense does not exceed the cost of purchasing or renting another item/device. Requests for repairs may be made at any time and are not subject to the three-year timeline for replacement.

Prior Authorization Requirement

For Non-Network Benefits you must obtain prior authorization before obtaining any Durable Medical Equipment that exceeds \$1,000 in cost (either retail purchase cost or cumulative retail rental cost of a single item).
If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Early Intervention Services

Services for medically necessary speech and language therapy, occupational therapy, physical therapy and assistive technology devices for children from birth to age three who are identified by the Part C early intervention system as eligible for services under Part C of the Individuals with Disabilities Education Act, 20 U.S.C. Section 1431. Early Intervention services include services for an active individualized family services plan that enhance functional ability without effecting a cure.

Emergency Health Services - Outpatient

The Plan's Emergency services Benefit pays for outpatient treatment at a Hospital or Alternate Facility when required to stabilize a patient or initiate treatment.

Network Benefits will be paid for an Emergency admission to a non-Network Hospital as long as the Claims Administrator is notified within two business days of the admission or on the same day of admission if reasonably possible after you are admitted to a non-Network Hospital. The Claims Administrator may elect to transfer you to a Network Hospital as soon as it is medically appropriate to do so. If you continue your stay in a non-Network Hospital after the date your Physician determines that it is medically appropriate to transfer you to a Network Hospital, Network Benefits will not be provided. Non-Network Benefits may be available if the continued stay is determined to be a Covered Health Service. Eligible Expenses will be determined as described under *Eligible Expenses* in Section 3, *Plan Highlights*.

Benefits under this section are available for services to treat a condition that does not meet the definition of an Emergency.

Note: If you are confined in a non-Network Hospital after you receive outpatient Emergency Health Services, you must notify the Claims Administrator within one business day or on the same day of admission if reasonably possible. The Claims Administrator may elect to transfer you to a Network Hospital as soon as it is medically appropriate to do so. If you choose to stay in the non-Network Hospital after the date the Claims Administrator decides a transfer is medically appropriate, Network Benefits will not be provided. Non-Network Benefits may be available if the continued stay is determined to be a Covered Health Service.

Enteral Nutrition

Benefits are provided for specialized enteral formulas administered either orally or by tube feeding for certain conditions under the direction of a Physician.

Fertility Preservation for Iatrogenic Infertility

Benefits are available for fertility preservation for medical reasons that cause irreversible Infertility such as chemotherapy, radiation treatment, and bilateral oophorectomy due to cancer. Services include the following procedures, when provided by or under the care or supervision of a Physician:

- Collection of sperm.
- Cryo-preservation of sperm.
- Ovarian stimulation, retrieval of eggs and fertilization.
- Oocyte cryo-preservation.
- Embryo cryo-preservation.
- Storage up to one year.

Benefits for medications related to the treatment of fertility preservation may be provided in your separate prescription drug plan administered by ExpressScripts.

Benefits are not available for elective fertility preservation.

Benefits are not available for embryo transfer.

Benefits are not available for long-term storage costs (greater than one year).

Benefit limits will be the same as, and combined with, those stated under *Infertility Services*. This Benefit limit also includes services as described under *Preimplantation Genetic Testing (PGT-M and PGT-SR) and Related Services*. Benefits are further limited to one cycle of fertility preservation for Iatrogenic Infertility per Covered Person during the entire period of time he or she is enrolled for coverage under the Plan.

Gender Dysphoria

Benefits for the treatment of gender dysphoria provided by or under the direction of a Physician.

For the purpose of this Benefit, "gender dysphoria" is a disorder characterized by the specific diagnostic criteria classified in the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*.

Prior Authorization Requirement for Surgical Treatment:

For Non-Network Benefits you must obtain prior authorization as soon as the possibility of surgery arises. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits you must contact the Claims Administrator 24 hours before admission for an Inpatient Stay.

It is important that you notify the Claims Administrator as soon as the possibility of surgery arises. Your notification allows the opportunity for the Claims Administrator to provide you with additional information and services that may be available to you and are designed to achieve the best outcomes for you.

Prior Authorization Requirement for Non-Surgical Treatment:

Depending upon where the Covered Health Service is provided, any applicable prior authorization requirements will be the same as those stated under each Covered Health Service category.

Hearing Aids

The Plan pays Benefits for hearing aids required for the correction of a hearing impairment (a reduction in the ability to perceive sound which may range from slight to complete deafness). Hearing aids are electronic amplifying devices designed to bring sound more effectively into the ear. A hearing aid consists of a microphone, amplifier and receiver.

Benefits are available for a hearing aid that is purchased through a licensed audiologist, hearing aid dispenser, otolaryngologist or other authorized provider. Benefits are provided for the hearing aid and associated fitting charges and testing.

If more than one type of hearing aid can meet your functional needs, Benefits are available only for the hearing aid that meets the minimum specifications for your needs. If you purchase a hearing aid that exceeds these minimum specifications, the Plan will pay only the amount that the Plan would have paid for the hearing aid that meets the minimum specifications, and you will be responsible for paying any difference in cost.

Benefits do not include bone anchored hearing aids. Bone anchored hearing aids are a Covered Health Service for which Benefits are available under the applicable medical/surgical Covered Health Services categories in this section only for Covered Persons who have either of the following:

- Craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid.
- Hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid.

Benefits are limited to a single purchase (including repair/replacement) per hearing impaired ear every three calendar years.

Over The Counter (OTC) hearing aids are not covered by the Plan.

Hearing Screenings for Newborns

Hearing screenings for newborns, including prescreening, audio logical assessment and follow-up, and initial amplification.

Home Health Care

Covered Health Services are services that a Home Health Agency provides if you need care in your home due to the nature of your condition. Services must be:

- Ordered by a Physician.
- Provided by or supervised by a registered nurse in your home, or provided by either a home health aide or licensed practical nurse and supervised by a registered nurse.
- Not considered Custodial Care, as defined in Section 14, *Glossary*.
- Provided on a part-time, Intermittent Care schedule when Skilled Care is required. Refer to Section 14, *Glossary* for the definition of Skilled Care.

The Claims Administrator will determine if Skilled Care is needed by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Any combination of Network Benefits and Non-Network Benefits is limited to 60 visits per calendar year. One visit equals four hours of Skilled Care services. This visit limit does not include any service which is billed only for the administration of intravenous infusion.

Prior Authorization Requirement

For Non-Network Benefits you must obtain prior authorization five business days before receiving services or as soon as is reasonably possible. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Hospice Care

Hospice care is an integrated program recommended by a Physician which provides comfort and support services for the terminally ill. Hospice care can be provided on an inpatient or outpatient basis and includes physical, psychological, social, spiritual and respite care for the terminally ill person, and short-term grief counseling for immediate family members while the Covered Person is receiving hospice care. Benefits are available only when hospice care is received from a licensed hospice agency, which can include a Hospital.

Prior Authorization Requirement

For Non-Network Benefits you must obtain prior authorization five business days before admission for an Inpatient Stay in a hospice facility or as soon as is reasonably possible. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator within 24 hours of admission for an Inpatient Stay in a hospice facility.

Hospital - Inpatient Stay

Hospital Benefits are available for:

- Non-Physician services and supplies received during an Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).
- Physician services for radiologists, anesthesiologists, pathologists and Emergency room Physicians.

The Plan will pay the difference in cost between a Semi-private Room and a private room only if a private room is necessary according to generally accepted medical practice.

Benefits for an Inpatient Stay in a Hospital are available only when the Inpatient Stay is necessary to prevent, diagnose or treat a Sickness or Injury. Benefits for other Hospital-based Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Benefits for Emergency admissions and admissions of less than 24 hours are described under *Emergency Health Services* and *Surgery - Outpatient, Scopic Procedures - Outpatient Diagnostic and Therapeutic*, and *Therapeutic Treatments - Outpatient*, respectively.

Prior Authorization Requirement

For Non-Network Benefits for a scheduled admission, you must obtain prior authorization five business days before admission, or as soon as reasonably possible for a non-scheduled admission.

If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions.

Human Leukocyte Testing

Services for human leukocyte testing, also referred to as histocompatibility locus antigen testing, for A, B and DR antigens to be used in bone marrow transplants. The testing must be performed in a facility which is accredited by the American Association of Blood Banks or its successors, the College of American Pathologists, the American Society for Histocompatibility and Immunogenetics (ASHI) or any other national accrediting body with requirements that are substantially equivalent to or more stringent than those of the College of American Pathologists and be licensed under the Clinical Laboratory Improvement Act.

At the time of testing, the person being tested must complete and sign an informed consent form which also authorizes the results of the test to be used for participation in the National Marrow Donor Program.

Infertility Services

Therapeutic services for the treatment of Infertility when provided by or under the direction of a Physician. Benefits under this section are limited to the following procedures:

- Assisted Reproductive Technologies (ART), including but not limited to InVitro fertilization (IVF).
ART procedures include, but are not limited to:
 - Egg/oocyte retrieval.
 - Fresh or frozen embryo transfer.
 - Intracytoplasmic sperm injection - ICSI.
 - Cryopreservation and storage of embryos for 12 months.
 - Embryo biopsy for PGT-M or PGT-SR (formerly known as PGD).
- Frozen Embryo Transfer cycle including the associated cryopreservation and storage of embryos.
- Insemination procedures (artificial insemination (AI) and intrauterine insemination (IUI)).
- Ovulation induction (or controlled ovarian stimulation).
- Testicular Sperm Aspiration/Microsurgical Epididymal Sperm Aspiration (TESA/MESA) - male factor associated surgical procedures for retrieval of sperm.
- Surgical Procedures, including but not limited to: Laparoscopy, Lysis of adhesions, tubotubal anastomosis, fimbrioplasty, salpingostomy, resection and ablation of endometriosis, transcervical tubal catheterization, ovarian cystectomy.
- Electroejaculation.
- Pre-implantation Genetic Testing for a Monogenic Disorder (PGT-M) or Structural Rearrangement (PGT-SR) - when the genetic parents carry a gene mutation to determine whether that mutation has been transmitted to the embryo.
- Fertility Preservation for Medical Reasons - when planned cancer or other medical treatment is likely to produce Infertility/sterility. Coverage is limited to: collection of sperm, cryopreservation of sperm, ovarian stimulation and retrieval of eggs, oocyte cryopreservation, InVitro fertilization, and embryo cryopreservation. Long-term storage costs (anything longer than 12 months) are not covered.

Treatment for the diagnosis and treatment of the underlying cause of Infertility is covered as described in the SPD. Benefits for diagnostic tests are described under, *Scopic Procedures - Outpatient Diagnostic and Therapeutic, Physician's Office Services – Sickness and Injury*.

Enhanced Benefit Coverage

Donor Coverage: The plan will cover associated donor medical expenses, including collection and preparation of oocyte and/or sperm, and the medications associated with the collection and preparation of oocyte and/or sperm. The plan will not pay for donor charges associated with compensation or administrative services.

Criteria to be eligible for Benefits

To be eligible for the *Infertility Services* Benefit you must have a diagnosis of Infertility.

- To meet the definition of Infertility you must meet one of the following:

- You are female and not able to become pregnant after the following periods of time of regular unprotected intercourse or Therapeutic Donor Insemination:
 - ◆ One year, if you are a female under age 35.
 - ◆ Six months, if you are a female age 35 or older.
 - You are female and have failed to achieve or maintain a Pregnancy due to impotence/sexual dysfunction;
 - You have Infertility that is not related to voluntary sterilization or failed reversal of voluntary sterilization.
 - You are male and have a diagnosis of a male factor causing Infertility (e.g. treatment of sperm abnormalities including the surgical recovery of sperm).
 - The waiting period may be waived when you have a known male or female Infertility factor, including but not limited to: congenital malformations, abnormal sperm, known ovulatory disorders, diminished ovarian reserve, impotence/sexual dysfunction, moderate or severe endometriosis, or documented compromise of the fallopian tubes.
- You are a female:
- under age 44 and using own oocytes (eggs), or
 - under age 55 and using donor oocytes (eggs).
- Note.** For treatment initiated prior to pertinent birthday, services will be covered to completion of initiated cycle.
- You are not a child Dependent.

Any combination of Network Benefits and Non-Network Benefits are limited to \$5,000 per Covered Person during the entire period of time he or she is enrolled for coverage under the Plan. This limit includes Benefits as described under *Fertility Preservation for Iatrogenic Infertility* and for related services as described under *Preimplantation Genetic Testing (PGT-M and PGT-SR) and Related Services*.

Only charges for the following apply toward the Infertility lifetime maximum:

- Surgeon.
- Assistant surgeon.
- Anesthesia.
- Lab tests.
- Specific injections.

Fertility Solutions Program

For Designated Network Benefits, you must enroll in the Fertility Solutions Program to receive services from a Designated Provider. To enroll you can call the telephone number on your ID card or you can call the *Fertility Solutions Program Nurse Team* at 888-936-7246.

Lab, X-Ray and Diagnostics - Outpatient

Services for Sickness and Injury-related diagnostic purposes, received on an outpatient basis at a Hospital or Alternate Facility include:

- Lab and radiology/X-ray.
- Mammography.
- Any medically necessary and appropriate examination of the breast, including such an examination using diagnostic mammography, breast magnetic resonance imaging, or breast ultrasound.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists. (Benefits for other Physician services are described under Physician Fees for Surgical and Medical Services.)
- Presumptive Drug Tests and Definitive Drug Tests.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services - Sickness and Injury* in this section.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*. Lab, X-ray and diagnostic services for preventive care are described under *Preventive Care Services* in this section. CT scans, PET scans, MRI, MRA, nuclear medicine and major diagnostic services are described under *Lab, X-Ray and Major Diagnostics - CT, PET Scans, MRI, MRA and Nuclear Medicine - Outpatient* in this section.

Prior Authorization Requirement

For Non-Network Benefits for Genetic Testing and sleep studies, you must obtain prior authorization five business days before scheduled services are received. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Lab, X-Ray and Major Diagnostics - CT, PET Scans, MRI, MRA and Nuclear Medicine - Outpatient

Services for CT scans, PET scans, MRI, MRA, nuclear medicine, and major diagnostic services received on an outpatient basis at a Hospital or Alternate Facility.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services - Sickness and Injury* in this section. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Lead Poisoning Testing

Services related to the testing for lead poisoning.

Mental Health Services

Mental Health Services include those received on an inpatient or outpatient basis in a Hospital and an Alternate Facility or in a provider's office. All services must be provided by or under the direction of a behavioral health provider who is properly licensed and qualified by law and acting within the scope of their licensure.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment/High Intensity Outpatient.
- Intensive Outpatient Treatment.
- Outpatient treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations, assessment and treatment and/or procedures.
- Medication management.
- Individual, family and group therapy.
- Crisis intervention.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for assistance in locating a provider and coordination of care.

Prior Authorization Requirement

For Non-Network Benefits for a scheduled admission for Mental Health Services (including an admission for services at a Residential Treatment facility), you must obtain prior authorization five business days before admission or as soon as is reasonably possible for a non-scheduled admission.

In addition, for Non-Network Benefits you must obtain prior authorization before the following services are received: Partial Hospitalization/Day Treatment/High Intensity Outpatient; Intensive Outpatient Treatment programs; outpatient electro-convulsive treatment; psychological testing; transcranial magnetic stimulation.

If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Virtual Behavioral Health Therapy and Coaching

Specialized virtual behavioral health care provided by AbleTo, Inc. (“AbleTo Therapy360 Program”) for Covered Persons with certain co-occurring behavioral and medical conditions.

The AbleTo Therapy360 Program provides behavioral Covered Health Care Services through virtual therapy and coaching services that are individualized and tailored to your specific health needs. Virtual therapy is provided by licensed therapists. Coaching services are provided by coaches who are supervised by licensed professionals.

Except for the initial consultation, Covered Persons with a high deductible health plan (HDHP) must meet their Annual Deductible before they are able to receive Benefits for these services. There are no deductibles, Copayments or Coinsurance for the initial consultation.

If you would like information regarding these services, you may contact the Claims Administrator at the telephone number on your ID Card.

Neonatal Resource Services (NRS)

The Plan pays Benefits for neonatal intensive care unit (NICU) services provided by Designated Providers participating in the Neonatal Resource Services (NRS) program. NRS provides guided access to a network of credentialed NICU providers and specialized nurse consulting services to manage NICU admissions. Designated Provider is defined in Section 14, *Glossary*.

To take part in the NRS program, call a neonatal nurse at 1-866-534-7209. The Plan will only pay Benefits under the NRS program if NRS provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

You or a covered Dependent may also:

- Call the Claims Administrator or a Personal Health Support Nurse.
- Call NRS at 1-888-936-7246 and select the NRS prompt.

To receive NICU Benefits, you are not required to visit a Designated Provider. If you receive services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- *Physician's Office Services - Sickness and Injury.*

- *Physician Fees for Surgical and Medical Services.*
- *Scopic Procedures - Outpatient Diagnostic and Therapeutic.*
- *Therapeutic Treatments - Outpatient.*
- *Hospital - Inpatient Stay.*
- *Surgery - Outpatient.*

Neurobiological Disorders - Autism Spectrum Disorder Services

The Plan pays Benefits for behavioral services for Autism Spectrum Disorder including Intensive Behavioral Therapies such as *Applied Behavior Analysis (ABA)* that are the following:

- Focused on the treatment of core deficits of Autism Spectrum Disorder.
- Provided by a Board-Certified Applied Behavior Analyst (BCBA) or other qualified provider under the appropriate supervision.
- Focused on treating maladaptive/stereotypic behaviors that are posing danger to self, others and property and impairment in daily functioning.

These Benefits describe only the behavioral component of treatment for Autism Spectrum Disorder. Medical treatment of Autism Spectrum Disorder is a Covered Health Service for which Benefits are available under the applicable medical Covered Health Services categories as described in this section.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment/High Intensity Outpatient.
- Intensive Outpatient Treatment.
- Outpatient Treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations, assessment and treatment and/or procedures.
- Medication management.
- Individual, family, and group therapy.
- Crisis intervention.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for assistance in locating a provider and coordination of care.

Prior Authorization Requirement

For Non-Network Benefits for a scheduled admission for Neurobiological Disorders – Autism Spectrum Disorder Services (including an admission for services at a Residential Treatment facility), you must obtain prior authorization five business days before admission or as soon as is reasonably possible for a non-scheduled admission.

In addition, for Non-Network Benefits you must obtain prior authorization before the following services are received: Partial Hospitalization/Day Treatment/High Intensity Outpatient; Intensive Outpatient Treatment programs; psychological testing; and Intensive Behavioral Therapy, including *Applied Behavior Analysis (ABA)*.

If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Nutritional Counseling

The Plan will pay for Covered Health Services for medical education services provided in a Physician's office by an appropriately licensed or healthcare professional when:

- Education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Some examples of such medical conditions include, but are not limited to:

- Coronary artery disease.
- Congestive heart failure.
- Severe obstructive airway disease.
- Gout (a form of arthritis).
- Renal failure.
- Phenylketonuria (a genetic disorder diagnosed at infancy).
- Hyperlipidemia (excess of fatty substances in the blood).

Obesity Surgery

The Plan covers surgical treatment of obesity provided by or under the direction of a Physician provided either of the following is true:

- Morbid Obesity is a diagnosed condition in which the body weight exceeds the medically recommended weight by either 100 pounds or is twice the medically recommended weight for a person of the same height, age and mobility as the Covered Person.
- You have a minimum Body Mass Index (BMI) of 40.

- You have a minimum BMI of 35 with complicating co-morbidities (such as sleep apnea or diabetes) directly related to, or exacerbated by obesity.

In addition to meeting the above criteria the following must also be true:

- You have documentation from a Physician of a diagnosis of morbid obesity for a minimum of 5 years;
- You are over the age of 21;
- You have completed a 6-month physician supervised weight loss program;
- You have completed a pre-surgical psychological evaluation; and
- The surgery is performed at a Network Hospital by a Network surgeon even if there are no Network Hospitals near you.

Prior Authorization Requirement

For Non-Network Benefits you must obtain prior authorization as soon as the possibility of obesity surgery arises.

If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits you must contact the Claims Administrator 24 hours before admission for an Inpatient Stay.

It is important that you provide notification regarding your intention to have surgery. Your notification will open the opportunity to become enrolled in programs that are designed to achieve the best outcomes for you.

Osteoporosis Services

Services for the diagnosis, treatment, and appropriate management of osteoporosis for Covered Persons with a condition or medical history for which bone mass measurement is medically indicated.

Ostomy Supplies

Benefits for ostomy supplies are limited to:

- Pouches, face plates and belts.
- Irrigation sleeves, bags and ostomy irrigation catheters.
- Skin barriers.

Benefits are not available for deodorants, filters, lubricants, tape, appliance cleaners, adhesive, adhesive remover, or other items not listed above.

Pharmaceutical Products – Outpatient (Medical)

Please note that the plan has a separate prescription drug benefit administered by ExpressScripts and described in ADDENDUM – PRESCRIPTION DRUG BENEFITS. Any prescription drugs or supplies that are obtained from a retail or mail order pharmacy must be purchased using your ExpressScripts prescription drug card and will not be covered by the Plan's medical benefits described in this Section.

The medical Plan pays for Pharmaceutical Products that are administered on an outpatient basis in a Hospital, Alternate Facility, Physician's office, or in a Covered Person's home. Examples of what would be included under this category are antibiotic injections in the Physician's office or inhaled medication in an urgent care center for treatment of an asthma attack.

Benefits under this section are provided only for Pharmaceutical Products which, due to their characteristics (as determined by UnitedHealthcare), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional. Depending on where the Pharmaceutical Product is administered, Benefits will be provided for administration of the Pharmaceutical Product under the corresponding Benefit category in this SPD. Benefits under this section do not include medications for the treatment of Infertility.

If you require certain Pharmaceutical Products, including specialty Pharmaceutical Products, UnitedHealthcare may direct you to a designated dispensing entity with whom UnitedHealthcare has an arrangement to provide those Pharmaceutical Products. Such Dispensing Entities may include an outpatient pharmacy, specialty pharmacy, Home Health Agency provider, Hospital-affiliated pharmacy or hemophilia treatment center contracted pharmacy.

If you/your provider are directed to a designated dispensing entity and you/your provider choose not to obtain your Pharmaceutical Product from a designated dispensing entity, Network Benefits are not available for that Pharmaceutical Product.

Certain Pharmaceutical Products are subject to step therapy requirements. This means that in order to receive Benefits for such Pharmaceutical Products, you must use a different Pharmaceutical Product and/or prescription drug product first. You may find out whether a particular Pharmaceutical Product is subject to step therapy requirements by contacting UnitedHealthcare at **www.myuhc.com** or by calling the telephone number on your ID card.

UnitedHealthcare may have certain programs in which you may receive an enhanced or reduced Benefit based on your actions such as adherence/compliance to medication or treatment regimens and/or participation in health management programs. You may access information on these programs through the Internet at **www.myuhc.com** or by calling the number on your ID card.

Physician Fees for Surgical and Medical Services

The Plan pays Physician fees for surgical procedures and other medical care received from a Physician in a Hospital, Skilled Nursing Facility, Inpatient Rehabilitation Facility, Alternate Facility or for Physician house calls.

Physician's Office Services - Sickness and Injury

Benefits are paid by the Plan for Covered Health Services provided in a Physician's office for the diagnosis and treatment of a Sickness or Injury. Benefits are provided under this section regardless of whether the Physician's office is free-standing, located in a clinic or located in a Hospital. Benefits under this section include allergy injections and hearing exams in case of Injury or Sickness.

Covered Health Services include medical education services that are provided in a Physician's office by appropriately licensed or registered healthcare professionals when both of the following are true:

- Education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Covered Health Services include genetic counseling. Benefits are available for Genetic Testing which is ordered by the Physician and authorized in advance by UnitedHealthcare.

Benefits for preventive services are described under *Preventive Care Services* in this section.

Benefits under this section include lab, radiology/X-ray or other diagnostic services performed in the Physician's office.

Please Note

Your Physician does not have a copy of your SPD and is not responsible for knowing or communicating your Benefits.

Pregnancy - Maternity Services

Benefits for Pregnancy will be paid at the same level as Benefits for any other condition, Sickness or Injury. This includes all maternity-related medical services for prenatal care, postnatal care, delivery, and any related complications.

The Plan will pay Benefits for an Inpatient Stay of at least:

- 48 hours for the mother and newborn child following a vaginal delivery.
- 96 hours for the mother and newborn child following a cesarean section delivery.

These are federally mandated requirements under the *Newborns' and Mothers' Health Protection Act of 1996* which apply to this Plan. The Hospital or other provider is not required to get authorization for the time periods stated above. Authorizations are required for longer lengths of stay. If the mother agrees, the attending Physician may discharge the mother and/or the newborn child earlier than these minimum timeframes.

Both before and during a Pregnancy, Benefits include the services of a genetic counselor when provided or referred by a Physician. These Benefits are available to all Covered

Persons in the immediate family. Covered Health Services include related tests and treatment.

Prior Authorization Requirement

For Non-Network Benefits you must obtain prior authorization as soon as reasonably possible if the Inpatient Stay for the mother and/or the newborn will be more than 48 hours for the mother and newborn child following a normal vaginal delivery, or more than 96 hours for the mother and newborn child following a cesarean section delivery. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

It is important that you notify the Claims Administrator regarding your Pregnancy. Your notification will open the opportunity to become enrolled in prenatal programs that are designed to achieve the best outcomes for you and your baby.

Preimplantation Genetic Testing (PGT-M and PGT-SR) and Related Services

Preimplantation Genetic Testing (PGT) performed to identify and to prevent genetic medical conditions from being passed onto offspring. To be eligible for Benefits the following must be met:

- PGT must be ordered by a Physician after Genetic Counseling.
- The genetic medical condition, if passed onto offspring, would result in significant health problems or severe disability and be caused by a single gene (detectable by PGT-M) or structural changes of a parents' chromosome (detectable by PGT-SR).
- Benefits are limited to PGT for the specific genetic disorder and the following related services when provided by or under the supervision of a Physician:
 - Ovulation induction (or controlled ovarian stimulation).
 - Egg retrieval, fertilization and embryo culture.
 - Embryo biopsy.
 - Embryo transfer.
 - Cryo-preservation and short-term embryo storage (less than one year).

Benefits are not available for long-term storage costs (greater than one year).

Benefit limits will be the same as, and combined with, those stated under *Infertility Services*. This limit does not include Preimplantation Genetic Testing (PGT) for the specific genetic disorder. This Benefit limit also includes services as described under *Fertility Preservation for Iatrogenic Infertility*.

Benefits for Assisted Reproductive Technology (ART) for related services as described under *Infertility Services* do not include the Preimplantation genetic testing for the specific genetic disorder.

Preventive Care Services

The Plan pays Benefits for Preventive care services provided on an outpatient basis at a Physician's office, an Alternate Facility or a Hospital. Preventive care services encompass

medical services that have been demonstrated by clinical evidence to be safe and effective in either the early detection of disease or in the prevention of disease, have been proven to have a beneficial effect on health outcomes and include the following as required under applicable law:

- Evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force.
- Immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention.
- With respect to infants, children and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.
- With respect to women, such additional preventive care and screenings as provided for in comprehensive guidelines supported by the Health Resources and Services Administration.

Preventive care Benefits defined under the *Health Resources and Services Administration (HRSA)* requirement include the cost of renting one breast pump per Pregnancy in conjunction with childbirth. Breast pumps must be ordered by or provided by a Physician. You can obtain additional information on how to access Benefits for breast pumps by going to **www.myuhc.com** or by calling the number on your ID card. Benefits for breast pumps also include the cost of purchasing one breast pump per Pregnancy in conjunction with childbirth. These Benefits are described under Section 5, *Plan Highlights*, under *Covered Health Services*.

If more than one breast pump can meet your needs, Benefits are available only for the most cost-effective pump. UnitedHealthcare will determine the following:

- Which pump is the most cost effective.
- Whether the pump should be purchased or rented.
- Duration of a rental.
- Timing of an acquisition.

Benefits are only available if breast pumps are obtained from a DME provider or Physician.

For questions about your preventive care Benefits under this Plan call the number on the back of your ID card.

Private Duty Nursing - Outpatient

The Plan covers Private Duty Nursing care given on an outpatient basis by a licensed nurse such as a Registered Nurse (R.N.), Licensed Practical Nurse (L.P.N.), or Licensed Vocational Nurse (L.V.N.).

Prosthetic Devices

Benefits are paid by the Plan for external prosthetic devices that replace a limb or body part limited to:

- Artificial arms, legs, feet and hands.
- Artificial face, eyes, ears and noses.
- Breast prosthesis as required by the Women's Health and Cancer Rights Act of 1998. Benefits include mastectomy bras and lymphedema stockings for the arm.

Benefits under this section are provided only for external prosthetic devices and do not include any device that is fully implanted into the body.

If more than one prosthetic device can meet your functional needs, Benefits are available only for the prosthetic device that meets the minimum specifications for your needs. The device must be ordered or provided either by a Physician, or under a Physician's direction. If you purchase a prosthetic device that exceeds these minimum specifications, the Plan will pay only the amount that it would have paid for the prosthetic that meets the minimum specifications, and you may be responsible for paying any difference in cost.

Foot Orthotic Appliances:

The initial purchase, fitting and repair of orthotic appliances such braces, splints or other appliances which are required for support for an injured or deformed part of the body as a result of a disabling condition or an injury or sickness. Replacements will be covered if there is sufficient change in the covered person's condition or if the original appliance is deemed no longer functional.

Benefits are available for repairs and replacement, except that:

- There are no Benefits for repairs due to misuse, malicious damage or gross neglect.
- There are no Benefits for replacement due to misuse, malicious damage, gross neglect or for lost or stolen prosthetic devices.

Note: Prosthetic devices are different from DME - see *Durable Medical Equipment (DME)* in this section.

Prior Authorization Requirement

For Non-Network Benefits you must obtain prior authorization before obtaining prosthetic devices that exceed \$1,000 in cost per device. If prior authorization is not obtained as required, Benefits will be reduced to 50% of Eligible Expenses.

Reconstructive Procedures

Reconstructive procedures are services performed when the primary purpose of the procedure is either to treat a medical condition or to improve or restore physiologic function for an organ or body part. Reconstructive procedures include surgery or other procedures

which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not a changed or improved physical appearance.

Improving or restoring physiologic function means that the organ or body part is made to work better. An example of a reconstructive procedure is surgery on the inside of the nose so that a person's breathing can be improved or restored.

Benefits for reconstructive procedures include breast reconstruction following a mastectomy and reconstruction of the non-affected breast to achieve symmetry. Replacement of an existing breast implant is covered by the Plan if the initial breast implant followed mastectomy. Other services required by the *Women's Health and Cancer Rights Act of 1998*, including breast prostheses and treatment of complications, are provided in the same manner and at the same level as those for any other Covered Health Service. You can contact UnitedHealthcare at the number on your ID card for more information about Benefits for mastectomy-related services.

There may be times when the primary purpose of a procedure is to make a body part work better. However, in other situations, the purpose of the same procedure is to improve the appearance of a body part. Cosmetic procedures are excluded from coverage. Procedures that correct an anatomical Congenital Anomaly without improving or restoring physiologic function are considered Cosmetic Procedures. A good example is upper eyelid surgery. At times, this procedure will be done to improve vision, which is considered a reconstructive procedure. In other cases, improvement in appearance is the primary intended purpose, which is considered a Cosmetic Procedure. This Plan does not provide Benefits for Cosmetic Procedures, as defined in Section 14, *Glossary*.

The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery (or other procedures done to relieve such consequences or behavior) as a reconstructive procedure.

Prior Authorization Requirement

For Non-Network Benefits, you must obtain prior authorization five business days before a scheduled Reconstructive Procedure is performed or, for non-scheduled procedures, within one business day or as soon as is reasonably possible.

If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits you must provide notification to the Claims Administrator 24 hours before admission for scheduled inpatient admissions or as soon as is reasonably possible for non-scheduled inpatient admissions.

Rehabilitation Services - Outpatient Therapy and Manipulative Treatment

The Plan provides short-term outpatient rehabilitation services (including habilitative services) limited to:

- Physical therapy.
- Occupational therapy.
- Manipulative Treatment.
- Speech therapy.
- Post-cochlear implant aural therapy.
- Pulmonary rehabilitation.
- Cardiac rehabilitation.
- Cognitive rehabilitation therapy following a post-traumatic brain Injury or stroke.

Rehabilitation visit limits are prohibited with diagnosis of Autism Spectrum Disorder and delivered by a licensed autism service provider.

For all rehabilitation services, a licensed therapy provider, under the direction of a Physician (when required by state law), must perform the services. Benefits under this section include rehabilitation services provided in a Physician's office or on an outpatient basis at a Hospital or Alternate Facility. Rehabilitative services provided in a Covered Person's home by a Home Health Agency are provided as described under Home Health Care. Rehabilitative services provided in a Covered Person's home other than by a Home Health Agency are provided as described under this section.

Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if rehabilitation goals have previously been met. Benefits under this section are not available for maintenance/preventive treatment.

For outpatient rehabilitation services for speech therapy, the Plan will pay Benefits for the treatment of disorders of speech, language, voice, communication and auditory processing only when the disorder results from Injury, stroke, cancer, Congenital Anomaly.

Habilitative Services

For the purpose of this Benefit, "habilitative services" means Medically Necessary skilled health care services that help a person keep, learn or improve skills and functioning for daily living. Habilitative services are skilled when all of the following are true:

- The services are part of a prescribed plan of treatment or maintenance program that is Medically Necessary to maintain a Covered Person's current condition or to prevent or slow further decline.
- It is ordered by a Physician and provided and administered by a licensed provider.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.
- It is not Custodial Care.

The Claims Administrator will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. Therapies provided for the purpose of general well-being or conditioning in the absence of a disabling condition are not considered habilitative services. A service will not be determined to be "skilled" simply because there is not an available caregiver

Benefits are provided for habilitative services provided for Covered Persons with a disabling condition when both of the following conditions are met:

- The treatment is administered by a licensed speech-language pathologist, licensed audiologist, licensed occupational therapist, licensed physical therapist or Physician.
- The initial or continued treatment must be proven and not Experimental or Investigational.

Benefits for habilitative services do not apply to those services that are solely educational in nature or otherwise paid under state or federal law for purely educational services. Custodial Care, respite care, day care, therapeutic recreation, educational/vocational training and Residential Treatment are not habilitative services. A service or treatment plan that does not help the Covered Person to meet functional goals is not a habilitative service.

The Plan may require the following be provided:

- Medical records.
- Other necessary data to allow the Plan to prove medical treatment is needed.

When the treating provider expects that continued treatment is or will be required to allow the Covered Person to achieve progress, the Claims Administrator may request additional medical records.

Benefits for Durable Medical Equipment and prosthetic devices, when used as a component of habilitative services, are described under *Durable Medical Equipment* and *Prosthetic Devices* in this section.

Other than as described under Habilitative Services above, please note that the Plan will pay Benefits for speech therapy for the treatment of disorders of speech, language, voice, communication and auditory processing only when the disorder results from Injury, stroke, cancer, Congenital Anomaly, or Autism Spectrum Disorder.

Benefits are limited to:

- 60 visits per calendar year for physical, occupational, pulmonary, cardiac, post-cochlear implant aural therapy and cognitive rehabilitation therapy combined.
- Unlimited for Manipulative Treatment.
- Unlimited for speech therapy.

These visit limits apply to Network Benefits and Non-Network Benefits combined.

Scopic Procedures - Outpatient Diagnostic and Therapeutic

The Plan pays for diagnostic and therapeutic scopic procedures and related services received on an outpatient basis at a Hospital or Alternate Facility.

Diagnostic scopic procedures are those for visualization, biopsy and polyp removal. Examples of diagnostic scopic procedures include colonoscopy, sigmoidoscopy, and endoscopy.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services - Sickness and Injury* in this section. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Please note that Benefits under this section do not include surgical scopic procedures, which are for the purpose of performing surgery. Benefits for surgical scopic procedures are described under *Surgery - Outpatient*. Examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy, hysteroscopy.

When these services are performed for preventive screening purposes, Benefits are described in this section under *Preventive Care Services*.

Skilled Nursing Facility/Inpatient Rehabilitation Facility Services

Facility services for an Inpatient Stay in a Skilled Nursing Facility or Inpatient Rehabilitation Facility are covered by the Plan. Benefits include:

- Supplies and non-Physician services received during the Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).
- Physician services for radiologists, anesthesiologists and pathologists.

Benefits are available when skilled nursing and/or Inpatient Rehabilitation Facility services are needed on a daily basis. Benefits are also available in a Skilled Nursing Facility or Inpatient Rehabilitation Facility for treatment of a Sickness or Injury that would have otherwise required an Inpatient Stay in a Hospital.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

UnitedHealthcare will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are available only if both of the following are true:

- The initial confinement in a Skilled Nursing Facility or Inpatient Rehabilitation Facility was or will be a Cost-Effective alternative to an Inpatient Stay in a Hospital.
- You will receive skilled care services that are not primarily Custodial Care.

Skilled care is skilled nursing, skilled teaching, and skilled rehabilitation services when all of the following are true:

- It must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient.
- It is ordered by a Physician.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.

You are expected to improve to a predictable level of recovery. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if discharge rehabilitation goals have previously been met.

Note: The Plan does not pay Benefits for Custodial Care or Domiciliary Care, even if ordered by a Physician, as defined in Section 14, *Glossary*.

Any combination of Network Benefits and Non-Network Benefits is limited to 60 days per calendar year.

Prior Authorization Requirement

For Non-Network Benefits for a scheduled admission, you must obtain prior authorization five business days before admission, or as soon as is reasonably possible for a non-scheduled admission.

If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions.

Speech and Hearing Services

Services include treatment for loss or impairment of speech or hearing, including those communicative disorders generally treated by a speech pathologist, audiologist or speech/language pathologist licensed by the state board of healing arts or certified by the American Speech-Language and Hearing Association (ASHA) or both, and which fall within the scope of his or her license or certification.

Substance-Related and Addictive Disorders Services

Substance-Related and Addictive Disorders Services include those received on an inpatient or outpatient basis in a Hospital or an Alternate Facility and those received on an outpatient basis in a provider's office or at an Alternate Facility. All services must be provided by or under the direction of a behavioral health provider who is properly licensed and qualified by law and acting within the scope of their licensure.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment/High Intensity Outpatient.
- Intensive Outpatient Treatment.
- Outpatient treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations, assessment and treatment and/or procedures.
- Medication management.
- Individual, family and group therapy.
- Crisis intervention.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for assistance in locating a provider and coordination of care.

Prior Authorization Requirement

For Non-Network Benefits for a scheduled admission for Substance-Related and Addictive Disorders Services (including an admission for services at a Residential Treatment facility), you must obtain prior authorization five business days before admission or as soon as is reasonably possible for a non-scheduled admission.

In addition, for Non-Network Benefits you must obtain prior authorization before the following services are received: Partial Hospitalization/Day Treatment/High Intensity Outpatient; Intensive Outpatient Treatment programs; psychological testing.

If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Surgery - Outpatient

The Plan pays for surgery and related services received on an outpatient basis at a Hospital or Alternate Facility.

Benefits under this section include certain scopic procedures. Examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy and hysteroscopy.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists. Benefits for other Physician services are described in this section under Physician Fees for Surgical and Medical Services.

Prior Authorization Requirement

For Non-Network Benefits for sleep apnea surgery, you must obtain prior authorization five business days before scheduled services are received or for non-scheduled services, within one business day or as soon as is reasonably possible.

If you do not obtain prior authorization as required Benefits will be reduced to 50% of Eligible Expenses.

Temporomandibular Joint (TMJ) Services

The Plan covers Services for the evaluation and treatment of temporomandibular joint syndrome (TMJ) and associated muscles.

Diagnosis: Examination, radiographs and applicable imaging studies and consultation.

Non-surgical treatment including clinical examinations, oral appliances (orthotic splints), arthrocentesis and trigger-point injections.

Benefits are provided for surgical treatment if the following criteria are met:

- There is clearly demonstrated radiographic evidence of significant joint abnormality.
- Non-surgical treatment has failed to adequately resolve the symptoms.
- Pain or dysfunction is moderate or severe.

Benefits for surgical services include arthrocentesis, arthroscopy, arthroplasty, arthrotomy, open or closed reduction of dislocations.

Benefits for an Inpatient Stay in a Hospital and Hospital-based Physician services are described in this section under *Hospital - Inpatient Stay* and *Physician Fees for Surgical and Medical Services*, respectively.

Therapeutic Treatments - Outpatient

The Plan pays Benefits for therapeutic treatments received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office, including dialysis (both hemodialysis and peritoneal dialysis), intravenous chemotherapy or other intravenous infusion therapy and radiation oncology. Non-Network dialysis is not covered.

Covered Health Services include medical education services that are provided on an outpatient basis at a Hospital or Alternate Facility by appropriately licensed or registered healthcare professionals when:

- Education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Benefits under this section include:

- The facility charge and the charge for related supplies and equipment.
- Physician services for anesthesiologists, pathologists and radiologists. Benefits for other Physician services are described in this section under Physician Fees for Surgical and Medical Services.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services*.

Prior Authorization Requirement

For Non-Network Benefits for the following outpatient therapeutic services, you must obtain prior authorization five business days before scheduled services are received or, for non-scheduled services, within one business day or as soon as is reasonably possible. Services that require prior authorization: dialysis, IV infusion, intensity modulated radiation therapy, and MR-guided focused ultrasound.

If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Transplantation Services

Organ and tissue transplants including CAR-T cell therapy for malignancies when ordered by a Physician. Benefits are available for transplants when the transplant meets the definition of a Covered Health Service, and is not an Experimental or Investigational or Unproven Service.

Examples of transplants for which Benefits are available include bone marrow including CAR-T cell therapy for malignancies, heart, heart/lung, lung, kidney, kidney/pancreas, liver, liver/small bowel, pancreas, small bowel and cornea.

Benefits are available to the donor and the recipient when the recipient is covered under this Plan. Donor costs that are directly related to organ removal or procurement are Covered Health Services for which Benefits are payable through the organ recipient's coverage under the Plan.

The Claims Administrator has specific guidelines regarding Benefits for transplant services. Contact the Claims Administrator at the number on your ID card for information about these guidelines.

Transplantation services including evaluation for transplant, organ procurement and donor searches and transplantation procedures must be received by a Designated Provider.

Benefits are also available for cornea transplants. You are not required to obtain prior authorization from the Claims Administrator for a cornea transplant nor is the cornea transplant required to be performed by a Designated Provider.

Note: The services described under *Complex Medical Conditions Travel and Lodging* are Covered Health Services only in connection with transplant services received by a Designated Provider.

Support in the event of serious illness

If you or a covered family member needs an organ or bone marrow transplant, UnitedHealthcare can put you in touch with quality treatment centers around the country.

Urgent Care Center Services

The Plan provides Benefits for services, including professional services, received at an Urgent Care Center, as defined in Section 14, *Glossary*. When Urgent Care services are provided in a Physician's office, the Plan pays Benefits as described under *Physician's Office Services - Sickness and Injury*.

Virtual Care Services

Virtual care for Covered Health Services that includes the diagnosis and treatment of less serious medical conditions. Virtual care provides communication of medical information in real-time between the patient and a distant Physician or health specialist, outside of a medical facility (for example, from home or from work).

Benefits are available only when services are delivered through a Designated Virtual Network Provider. You can find a Designated Virtual Network Provider by contacting the Claims Administrator at **www.myuhc.com** or the telephone number on your ID card.

Benefits are available for the following:

- Urgent on-demand health care delivered through live audio with video or audio only technology for treatment of acute but non-emergency medical needs.

Please Note: Not all medical conditions can be treated through virtual care. The Designated Virtual Network Provider will identify any condition for which treatment by in-person Physician contact is needed.

Benefits do not include email, fax and standard telephone calls, or for services that occur within medical facilities (*CMS* defined originating facilities).

Vision Examinations

The Plan pays Benefits for one routine vision exam, including refraction, to detect vision impairment by a Network provider in the provider's office or outpatient facility every other calendar year.

Benefits for eye examinations required for the diagnosis and treatment of a Sickness or Injury are provided under *Physician's Office Services - Sickness and Injury*.

Wigs

The Plan pays Benefits for wigs and other scalp hair prosthesis only for loss of hair resulting from chemotherapy.

SECTION 7 - CLINICAL PROGRAMS AND RESOURCES

What this section includes:

Health and well-being resources available to you, including:

- Consumer Solutions and Self-Service Tools.
- Disease Management Services.
- Complex Medical Conditions Programs and Services.
- Women's Health/Reproductive.

Parkway School District believes in giving you the tools you need to be an educated health care consumer. To that end, Parkway School District has made available several convenient educational and support services, accessible by phone and the Internet, which can help you to:

- take care of yourself and your family members;
- manage a chronic health condition; and
- navigate the complexities of the health care system.

NOTE:

Information obtained through the services identified in this section is based on current medical literature and on Physician review. It is not intended to replace the advice of a doctor. The information is intended to help you make better health care decisions and take a greater responsibility for your own health. UnitedHealthcare and Parkway School District are not responsible for the results of your decisions from the use of the information, including, but not limited to, your choosing to seek or not to seek professional medical care, or your choosing or not choosing specific treatment based on the text.

Consumer Solutions and Self-Service Tools

Health Survey

You are invited to learn more about your health and wellness at www.myuhc.com and are encouraged to participate in the online health survey. The health survey is an interactive questionnaire designed to help you identify your healthy habits as well as potential health risks.

Your health survey is kept confidential. Completing the survey will not impact your Benefits or eligibility for Benefits in any way.

If you need any assistance with the online survey, please call the number on your ID card.

Reminder Programs

To help you stay healthy, UnitedHealthcare may send you and your covered Dependents reminders to schedule recommended screening exams. Examples of reminders include:

- Mammograms for women.
- Pediatric and adolescent immunizations.
- Cervical cancer screenings for women.
- Comprehensive screenings for individuals with diabetes.
- Influenza/pneumonia immunizations for enrollees.

There is no need to enroll in this program. You will receive a reminder automatically if you have not had a recommended screening exam.

Decision Support

In order to help you make informed decisions about your health care, UnitedHealthcare has a program called Decision Support. This program targets specific conditions as well as the treatments and procedures for those conditions.

This program offers:

- Access to health care information.
- Support by a nurse to help you make more informed decisions in your treatment and care.
- Expectations of treatment.
- Information on providers and programs.

Conditions for which this program is available include:

- Back pain.
- Knee & hip replacement.
- Prostate disease.
- Prostate cancer.
- Benign uterine conditions.
- Breast cancer.
- Coronary disease.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on your ID card.

Second Opinion Service

The Plan offers a voluntary second opinion education service, which is a live interactive video experience, powered by 2nd.MD. A dedicated nurse will oversee medical records collection, selection, and scheduling with a post-consultation support.

For additional information regarding the program, please contact the number on your ID card.

www.myuhc.com

UnitedHealthcare's member website, **www.myuhc.com**, provides information at your fingertips anywhere and anytime you have access to the Internet. **www.myuhc.com** opens the door to a wealth of health information and convenient self-service tools to meet your needs.

With **www.myuhc.com** you can:

- research a health condition and treatment options to get ready for a discussion with your Physician;
- search for Network providers available in your Plan through the online provider directory;
- complete a health risk assessment to identify health habits you can improve, learn about healthy lifestyle techniques and access health improvement resources;
- use the treatment cost estimator to obtain an estimate of the costs of various procedures in your area; and
- use the Hospital comparison tool to compare Hospitals in your area on various patient safety and quality measures.

Registering on www.myuhc.com

If you have not already registered as a **www.myuhc.com** subscriber, simply go to **www.myuhc.com** and click on "Register Now." Have your ID card handy. The enrollment process is quick and easy.

Visit **www.myuhc.com** and:

- make real-time inquiries into the status and history of your claims;
- view eligibility and Plan Benefit information, including Copays and Annual Deductibles;
- view and print all of your Explanation of Benefits (EOBs) online; and
- order a new or replacement ID card or print a temporary ID card.

Want to learn more about a condition or treatment?

Log on to **www.myuhc.com** and research health topics that are of interest to you. Learn about a specific condition, what the symptoms are, how it is diagnosed, how common it is, and what to ask your Physician.

Disease Management Services

If you have been diagnosed with certain chronic medical conditions you may be eligible to participate in a disease management program at no additional cost to you. The heart failure, coronary artery disease, diabetes, asthma and Chronic Obstructive Pulmonary Disease

(COPD) programs are designed to support you. This means that you will receive free educational information, and may even be called by a registered nurse who is a specialist in your specific medical condition. This nurse will be a resource to advise and help you manage your condition.

These programs offer:

- Educational materials that provide guidance on managing your specific chronic medical condition. This may include information on symptoms, warning signs, self-management techniques, recommended exams and medications.
- Access to educational and self-management resources on a consumer website.
- An opportunity for the disease management nurse to work with your Physician to ensure that you are receiving the appropriate care.
- Access to and one-on-one support from a registered nurse who specializes in your condition. Examples of support topics include:
 - Education about the specific disease and condition.
 - Medication management and compliance.
 - Reinforcement of on-line behavior modification program goals.
 - Preparation and support for upcoming Physician visits.
 - Review of psychosocial services and community resources.
 - Caregiver status and in-home safety.
 - Use of mail-order pharmacy and Network providers.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on your ID card.

Complex Medical Conditions Programs and Services

Cancer Resource Services (CRS) Program

Your Plan offers Cancer Resource Services (CRS) program to provide you with access to information and member assistance through a team of specialized cancer nurse consultants and access to one of the nation's leading cancer programs.

To learn more about CRS, visit www.myoptumhealthcomplexmedical.com or call the number on your ID card or call the program directly at 1-866-936-6002.

Coverage for oncology services and oncology-related services are based on your health plan's terms, exclusions, limitations and conditions, including the plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary.

Kidney Resource Services (KRS) Program End-Stage Renal Disease (ESRD)

The Kidney Resource Services program provides Covered Persons with access to a registered nurse advocate who specializes in helping individuals live with kidney disease. As a participant in the KRS program, you'll work with a nurse who will provide you with support and information. The nurse can help you manage other conditions, such as diabetes and high

blood pressure. He or she can also help you find doctors, specialists and dialysis centers. This program is available at no extra cost to you.

With KRS, you have access to a registered nurse who specializes in kidney health. This program is designed to help you be your own best advocate for your health. You may have been referred to the KRS program by your medical provider or from past claim information. As part of your health insurance benefits, it's available at no extra cost to you.

KRS nurse advocates are available, Monday through Friday toll-free at 1-866-561-7518 (TTY: 711).

Coverage for dialysis and kidney-related services are based on your health plan's terms, exclusions, limitations and conditions, including the plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary.

Congenital Heart Disease (CHD) Resource Services Program

UnitedHealthcare provides a program that identifies and supports a Covered Person who has Congenital Heart Disease (CHD) through all stages of treatment and recovery. This program will work with you and your Physicians, as appropriate, to offer support and education on CHD. Program features include clinical management by specialized CHD Nurses, support from specialized Social Workers, assistance with choosing Physicians and Facilities, and access to Designated Providers.

To learn more about CHD Resource Services program, visit **www.myoptumhealthcomplexmedical.com** or call UnitedHealthcare at the number on your ID card or you can call the CHD Resource Services Nurse Team at 888-936-7246.

Coverage for CHD surgeries and related services are based on your health plan's terms, exclusions, limitations and conditions, including the plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary. If you are considering any CHD surgeries you must contact CHD Resource Services prior to surgery to enroll in the program in order for the surgery to be considered a Covered Health Service under the Plan.

Transplant Resource Services (TRS) Program

Your Plan offers Transplant Resource Services (TRS) program to provide you with access to one of the nation's leading transplant programs. Receiving transplant services through this program means your transplant treatment is based on a "best practices" approach from health care professionals with extensive expertise in transplantation.

To learn more about Transplant Resource Services, visit **www.myoptumhealthcomplexmedical.com** or call the number on your ID card.

Coverage for transplant and transplant-related services are based on your health plan's terms, exclusions, limitations and conditions, including the plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary.

Your Plan Sponsor is providing you with Travel and Lodging assistance. For more information on the *Complex Medical Conditions Travel and Lodging Assistance Program*, refer to the provision below.

Complex Medical Conditions Travel and Lodging Assistance Program

Your Plan Sponsor may provide you with Travel and Lodging assistance as described below. Travel and Lodging assistance is only available for you or your eligible family member if you meet the qualifications for the benefit, including receiving care at a Designated Provider and the distance from your home address to the facility. Eligible Expenses are reimbursed after the expense forms have been completed and submitted with the appropriate receipts.

If you have specific questions regarding the Travel and Lodging Assistance Program, please call the Travel and Lodging office at 1-800-842-0843.

Travel and Lodging Expenses

The Plan covers expenses for travel and lodging for the Covered Person and a travel companion, provided he or she is not covered by Medicare, and a companion as follows:

- Transportation of the Covered Person and one companion who is traveling on the same day(s) to and/or from the site of the qualified procedure provided by a Designated Provider for care related to one of the programs listed below.
- The Eligible Expenses for lodging for the Covered Person (while not a Hospital inpatient) and one companion.
- If the Covered Person is an enrolled Dependent minor child, the transportation expenses of two companions will be covered.
- Travel and lodging expenses are only available if the Covered Person resides at least 50 miles from the Designated Provider.
- Reimbursement for certain lodging expenses for the Covered Person and his/her companion(s) may be included in the unearned taxable income of the Plan participant if the reimbursement exceeds the per diem rate.
- The transplant program offers a lifetime maximum of \$10,000 per Covered Person for all transportation and lodging expenses incurred by you and reimbursed under the Plan in connection with all qualified procedures.

The Claims Administrator must receive valid receipts for such charges before you will be reimbursed. Reimbursement is as follows:

Lodging Reimbursement Assistance

- A per diem rate, up to \$50.00 per day, for the patient or the caregiver if the patient is in the Hospital.
- A per diem, up to \$100.00 per day, for the patient and one caregiver. When a child is the patient, two persons may accompany the child.

Women's Health/Reproductive

Neonatal Resource Services (NRS) Program

NRS is a program administered by the Claims Administrator or its affiliates made available to you by the Plan Sponsor. NRS provides a dedicated team of experienced Neonatologists, Neonatal Intensive Care Unit (NICU) nurse case managers and social workers who can provide support and assistance to you and your family during your infant's admission to the NICU. The case manager will also provide discharge planning assistance and ongoing support post-discharge based on your infant's needs.

To take part in the NRS program you or a covered Dependent can call the Claims Administrator at the telephone number on your ID card or call NRS directly at 1-866-534-7209.

Fertility Solutions Program

Fertility Solutions is a program administered by UnitedHealthcare or its affiliates made available to you by the Plan Sponsor. The Fertility Solutions program provides:

- Specialized clinical consulting services to Employees and enrolled Dependents to educate on Infertility treatment options.
- Access to specialized Network facilities and Physicians for Infertility services.
- Education, specialized clinical counseling, treatment options and access to national Network of premier Infertility treatment clinics.

The Plan pays Benefits for the Infertility services described above when provided by Designated Providers participating in the Fertility Solutions program.

Covered Persons who do not live within a 60-mile radius of a Fertility Solutions Designated Provider will need to contact a Fertility Solutions case manager to determine a Network Provider prior to starting treatment.

For Infertility services and supplies to be considered Covered Health Services through this program, contact Fertility Solutions and enroll with a nurse consultant prior to receiving services.

You or a covered Dependent may:

- Be referred to Fertility Solutions by the Claims Administrator.
- Call the telephone number on your ID card.
- Call Fertility Solutions directly at 1-866-774-4626.

To take part in the Fertility Solutions program, call a nurse at 1-866-774-4626. The Plan will only pay Benefits under the Fertility Solutions program if Fertility Solutions provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

Note: you may have access to certain mobile apps for personalized support to help live healthier. Please call the number on your ID card or visit www.myuhc.com for additional information.

SECTION 8 - EXCLUSIONS AND LIMITATIONS: WHAT THE MEDICAL PLAN WILL NOT COVER

What this section includes:

- Services, supplies and treatments that are not Covered Health Services, except as may be specifically provided for in Section 6, *Additional Coverage Details*.

The Plan does not pay Benefits for the following services, treatments or supplies even if they are recommended or prescribed by a provider or are the only available treatment for your condition.

When Benefits are limited within any of the Covered Health Services categories described in Section 6, *Additional Coverage Details*, those limits are stated in the corresponding Covered Health Service category in Section 5, *Plan Highlights*. Limits may also apply to some Covered Health Services that fall under more than one Covered Health Service category. When this occurs, those limits are also stated in Section 5, *Plan Highlights*. Please review all limits carefully, as the Plan will not pay Benefits for any of the services, treatments, items or supplies that exceed these benefit limits.

Please note that in listing services or examples, when the SPD says "this includes," or "including but not limiting to", it is not UnitedHealthcare's intent to limit the description to that specific list. When the Plan does intend to limit a list of services or examples, the SPD specifically states that the list "is limited to."

2. Services performed by a provider with your same legal residence.
3. Services ordered or delivered by a Christian Science practitioner.
4. Services performed by an unlicensed provider or a provider who is operating outside of the scope of his/her license.
5. Services provided at a free-standing or Hospital-based diagnostic facility without an order written by a Physician or other provider. Services that are self-directed to a free-standing or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider:
 - Has not been actively involved in your medical care prior to ordering the service.
 - Is not actively involved in your medical care after the service is received.

This exclusion does not apply to mammography.

Reproduction

1. The following Infertility treatment-related services:
 - Long-term storage (greater than one year) of reproductive materials such as sperm, eggs, embryos, ovarian tissue and testicular tissue.
 - Donor services and non-medical costs of oocyte or sperm donation such as donor agency fees.
 - Embryo or oocyte accumulation defined as a fresh oocyte retrieval prior to the depletion of previously banked frozen embryos or oocytes.
 - Embryo exception: a second oocyte retrieval may be approved if there are fewer than 3 quality embryos available for transfer.
 - Oocyte exception: a second oocyte retrieval may be approved for the purpose of fertility preservation if there are fewer than 9 mature oocytes available for freezing.
 - Natural cycle insemination in the absence of sexual dysfunction or documented congenital or acquired cervical disease or mild to moderate male factor.
 - Ovulation predictor kits.

2. The following services related to a Gestational Carrier or Surrogate:
 - Fees for the use of a Gestational Carrier or Surrogate.
 - Insemination or InVitro fertilization procedures for Surrogate or transfer of an embryo to Gestational Carrier.
 - Pregnancy services for a Gestational Carrier or Surrogate who is not a Covered Person.
3. Donor, Gestational Carrier or Surrogate administration, agency fees or compensation.
4. The following services related to donor services for donor sperm, ovum (egg cell) or oocytes (eggs), or embryos (fertilized eggs):
 - Purchased egg donor (i.e., clinic or egg bank) – The cost of donor eggs.
 - Purchased donor sperm (i.e., clinic or sperm bank) – The cost of procurement and storage of donor sperm. This refers to purchasing donor sperm that has already been obtained and is frozen or choosing a donor from a database.
5. The reversal of voluntary sterilization.
6. Health care services and related expenses for surgical, non-surgical or drug-induced Pregnancy termination. This exclusion does not apply to treatment of a molar Pregnancy, ectopic Pregnancy, or missed abortion (commonly known as a miscarriage).
7. Assisted Reproductive Technology procedures done for non-genetic disorder sex selection or eugenic (selective breeding) purposes.
8. Infertility treatment with voluntary sterilization currently in place (vasectomy, bilateral tubal ligation).
9. Infertility treatment following unsuccessful reversal of voluntary sterilization.
10. Infertility treatment following the reversal of voluntary sterilization (tubal reversal/reanastomosis; vasectomy reversal/vasovasostomy or vasoepididymostomy).
11. Pre-implantation Genetic Testing for Aneuploidy (PGT-A) used to select embryos for transfer in order to increase the chance for conception.
12. Elective fertility preservation.

Services Provided under Another Plan

Services for which coverage is available:

1. Under another plan, except for Eligible Expenses payable as described in Section 10, *Coordination of Benefits (COB)*.
2. Under workers' compensation or similar legislation if you could elect it, or could have it elected for you.

3. Services resulting from accidental bodily injuries arising out of a motor vehicle accident to the extent the services are payable under a medical expense payment provision of an automobile insurance policy.
4. While on active military duty.
5. For treatment of military service-related disabilities when you are legally entitled to other coverage, and facilities are reasonably available to you.

Transplants

1. Health services for organ and tissue transplants except as identified under *Transplantation Services* in Section 6, *Additional Coverage Details* unless UnitedHealthcare determines the transplant to be appropriate according to UnitedHealthcare's transplant guidelines.
2. Health services for transplants involving animal organs.
3. Health services connected with the removal of an organ or tissue from you for purposes of a transplant to another person. (Donor costs for removal are payable for a transplant through the organ recipient's Benefits under the Plan.)

Travel

1. Health services provided in a foreign country, unless required as Emergency Health Services.
2. Travel or transportation expenses, even if ordered by a Physician, except as identified under *Complex Medical Conditions Travel and Lodging Assistance Program* in Section 7, *Clinical Programs and Resources*. Additional travel expenses related to Covered Health Services received from a Designated Provider or other Network Provider may be reimbursed at the Plan's discretion. This exclusion does not apply to ambulance transportation for which Benefits are provided as described under *Ambulance Services* in Section 6, *Additional Coverage Details*.

Types of Care

1. Custodial Care or maintenance care as defined in Section 14, *Glossary* or maintenance care.
2. Domiciliary Care, as defined in Section 14, *Glossary*.
3. Multi-disciplinary pain management programs provided on an inpatient basis for acute pain or for exacerbation of chronic pain.
4. Private Duty Nursing received on an inpatient basis.
5. Respite care. This exclusion does not apply to respite care that is part of an integrated hospice care program of services provided to a terminally ill person by a licensed hospice care agency for which Benefits are provided as described under *Hospice Care* in Section 6, *Additional Coverage Details*.
6. Rest cures.

7. Services of personal care attendants.
8. Work hardening (individualized treatment programs designed to return a person to work or to prepare a person for specific work).

Vision and Hearing

1. Implantable lenses used only to correct a refractive error (such as *Intacs* corneal implants).
2. Purchase cost and associated fitting charges for eyeglasses or contact lenses.
3. Over The Counter (OTC) hearing aids.
4. Bone anchored hearing aids except when either of the following applies:
 - For Covered Persons with craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid.
 - For Covered Persons with hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid.
 - The Plan will not pay for more than one bone anchored hearing aid per Covered Person who meets the above coverage criteria during the entire period of time the Covered Person is enrolled in this Plan. In addition, repairs and/or replacement for a bone anchored hearing aid for Covered Persons who meet the above coverage are not covered, other than for malfunctions.
5. Eye exercise or vision therapy.
6. Surgery and other related treatment that is intended to correct nearsightedness, farsightedness, presbyopia and astigmatism including, but not limited to, procedures such as laser and other refractive eye surgery and radial keratotomy.

All Other Exclusions

1. Autopsies and other coroner services and transportation services for a corpse.
2. Charges for:
 - Missed appointments.
 - Room or facility reservations.
 - Completion of claim forms.
 - Record processing.
3. Charges prohibited by federal anti-kickback or self-referral statutes.
4. Diagnostic tests that are:
 - Delivered in other than a Physician's office or health care facility.
 - Self-administered home diagnostic tests, including but not limited to HIV and Pregnancy tests.

5. Expenses for health services and supplies:
 - That are received as a result of war or any act of war, whether declared or undeclared, while part of any armed service force of any country. This exclusion does not apply to Covered Persons who are civilians injured or otherwise affected by war, any act of war or terrorism in a non-war zone.
 - That are received after the date your coverage under this Plan ends, including health services for medical conditions which began before the date your coverage under the Plan ends.
 - For which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under this Benefit Plan.
 - That exceed Eligible Expenses or any specified limitation in this SPD.
6. In the event a non-Network provider waives, does not pursue, or fails to collect the Coinsurance, any deductible or other amount owed for a particular health service, no Benefits are provided for the health service for which the Coinsurance and/or deductible are waived.
7. Foreign language and sign language services.
8. Long term (more than 30 days) storage of blood, umbilical cord or other material.
9. Health services and supplies that do not meet the definition of a Covered Health Service
 - see the definition in Section 14, *Glossary*. Covered Health Services are those health services including services, supplies or Pharmaceutical Products, which the Claims Administrator determines to be all of the following:
 - Medically Necessary.
 - Described as a Covered Health Service in this SPD under Section 6, Additional Coverage Details and in Section 5, *Plan Highlights*.
 - Not otherwise excluded in this SPD under this Section 8, *Exclusions and Limitations*.
10. Health services related to a non-Covered Health Service: When a service is not a Covered Health Service, all services related to that non-Covered Health Service are also excluded. This exclusion does not apply to services the Plan would otherwise determine to be Covered Health Services if they are to treat complications that arise from the non-Covered Health Service.

For the purpose of this exclusion, a "complication" is an unexpected or unanticipated condition that is superimposed on an existing disease and that affects or modifies the prognosis of the original disease or condition. Examples of a "complication" are bleeding or infections, following a Cosmetic Procedure, that require hospitalization.
11. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments when:
 - Required solely for purposes of education, sports or camp, travel, career or employment, insurance, marriage or adoption; or as a result of incarceration.

- Conducted for purposes of medical research. This exclusion does not apply to Covered Health Services provided during a Clinical Trial for which Benefits are provided as described under Clinical Trials in Section 6, *Additional Coverage Details*.
- Related to judicial or administrative proceedings or orders.
- Required to obtain or maintain a license of any type.

12. Health care services from a Non-Network provider for non-emergent, sub-acute inpatient, or outpatient services at any of the following non-Hospital facilities: Alternate Facility, Freestanding Facility, Residential Treatment Facility, Inpatient Rehabilitation Facility, and Skilled Nursing Facility received outside of the Covered Person's state of residence. For the purpose of this exclusion the "state of residence" is the state where the Covered Person is a legal resident, plus any geographically bordering adjacent state or, for a Covered Person who is a student, the state where they attend school during the school year.

This exclusion does not apply in the case of an Emergency or when there is no Network provider who is reasonably accessible or available to provide Covered Health Services.

SECTION 9 - CLAIMS PROCEDURES

What this section includes:

- How Network and non-Network claims work.
- What to do if your claim is denied, in whole or in part.

Network Benefits

In general, if you receive Covered Health Services from a Network provider, UnitedHealthcare will pay the Physician or facility directly. If a Network provider bills you for any Covered Health Service other than your Copay or Coinsurance, please contact the provider or call UnitedHealthcare at the phone number on your ID card for assistance.

Keep in mind, you are responsible for meeting the Annual Deductible and paying any Copay or Coinsurance owed to a Network provider at the time of service, or when you receive a bill from the provider.

Non-Network Benefits

If you receive a bill for Covered Health Services from a non-Network provider, you (or the provider if they prefer) must send the bill to UnitedHealthcare for processing. To make sure the claim is processed promptly and accurately, a completed claim form must be attached and mailed to UnitedHealthcare at the address on the back of your ID card.

If Your Provider Does Not File Your Claim

You can obtain a claim form by visiting www.myuhc.com, calling the toll-free number on your ID card or contacting Finance Department. If you do not have a claim form, simply attach a brief letter of explanation to the bill, and verify that the bill contains the information listed below. If any of these items are missing from the bill, you can include them in your letter:

- Your name and address.
- The patient's name, age and relationship to the Participant.
- The number as shown on your ID card.
- The name, address and tax identification number of the provider of the service(s).
- A diagnosis from the Physician.
- The date of service.
- An itemized bill from the provider that includes:
 - The Current Procedural Terminology (CPT) codes.
 - A description of, and the charge for, each service.
 - The date the Sickness or Injury began.

- A statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name and address of the other carrier(s).

Failure to provide all the information listed above may delay any reimbursement that may be due you.

For medical claims, the above information should be filed with UnitedHealthcare at the address on your ID card.

After UnitedHealthcare has processed your claim, you will receive payment for Benefits that the Plan allows. It is your responsibility to pay the non-Network provider the charges you incurred, including any difference between what you were billed and what the Plan paid.

Payment of Benefits

You may not assign, transfer, or in any way convey your Benefits under the Plan or any cause of action related to your Benefits under the Plan to a provider or to any other third party. Nothing in this Plan shall be construed to make the Plan, Plan Sponsor, or Claims Administrator or its affiliates liable for payments to a provider or to a third party to whom you may be liable for payments for Benefits.

The Plan will not recognize claims for Benefits brought by a third party. Also, any such third party shall not have standing to bring any such claim independently, as a Covered Person or beneficiary, or derivatively, as an assignee of a Covered Person or beneficiary.

References herein to “third parties” include references to providers as well as any collection agencies or third parties that have purchased accounts receivable from providers or to whom accounts receivables have been assigned.

As a matter of convenience to a Covered Person, and where practicable for the Claims Administrator (as determined in its sole discretion), the Claims Administrator may make payment of Benefits directly to a provider.

Any such payment to a provider:

- is NOT an assignment of your Benefits under the Plan or of any legal or equitable right to institute any proceeding relating to your Benefits; and
- is NOT a waiver of the prohibition on assignment of Benefits under the Plan; and
- shall NOT estop the Plan, Plan Sponsor, or Claims Administrator from asserting that any purported assignment of Benefits under the Plan is invalid and prohibited.

If this direct payment for your convenience is made, the Plan’s obligation to you with respect to such Benefits is extinguished by such payment. If any payment of your Benefits is made to a provider as a convenience to you, the Claims Administrator will treat you, rather than the provider, as the beneficiary of your claim for Benefits, and the Plan reserves the right to offset any Benefits to be paid to a provider by any amounts that the provider owes the Plan (including amounts owed as a result of the assignment of other plans’ overpayment

recovery rights to the Plan), pursuant to *Refund of Overpayments* in *Section 10: Coordination of Benefits*.

Eligible Expenses due to a non-Network provider for Covered Health Services that are subject to the *No Surprises Act* of the *Consolidated Appropriations Act (P.L. 116-260)* are paid directly to the provider.

Form of Payment of Benefits

Payment of Benefits under the Plan shall be in cash or cash equivalents, or in the form of other consideration that UnitedHealthcare in its discretion determines to be adequate. Where Benefits are payable directly to a provider, such adequate consideration includes the forgiveness in whole or in part of amounts the provider owes to other plans for which UnitedHealthcare makes payments, where the Plan has taken an assignment of the other plans' recovery rights for value.

Health Statements

Each month in which UnitedHealthcare processes at least one claim for you or a covered Dependent, you will receive a Health Statement in the mail. Health Statements make it easy for you to manage your family's medical costs by providing claims information in easy-to-understand terms.

If you would rather track claims for yourself and your covered Dependents online, you may do so at www.myuhc.com. You may also elect to discontinue receipt of paper Health Statements by making the appropriate selection on this site.

Explanation of Benefits (EOB)

You may request that UnitedHealthcare send you a paper copy of an Explanation of Benefits (EOB) after processing the claim. The EOB will let you know if there is any portion of the claim you need to pay. If any claims are denied in whole or in part, the EOB will include the reason for the denial or partial payment. If you would like paper copies of the EOBs, you may call the toll-free number on your ID card to request them. You can also view and print all of your EOBs online at www.myuhc.com. See Section 14, *Glossary*, for the definition of Explanation of Benefits.

Important - Timely Filing of Non-Network Claims

All claim forms for non-Network services must be submitted within 12 months after the date of service. Otherwise, the Plan will not pay any Benefits for that Eligible Expense, or Benefits will be reduced, as determined by UnitedHealthcare. This 12-month requirement does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Claim Denials and Appeals

If Your Claim is Denied

If a claim for Benefits is denied in part or in whole, you may call UnitedHealthcare at the number on your ID card before requesting a formal appeal. If UnitedHealthcare cannot

resolve the issue to your satisfaction over the phone, you have the right to file a formal appeal as described below.

How to Appeal a Denied Claim

If you wish to appeal a denied pre-service request for Benefits, post-service claim or a rescission of coverage as described below, you or your authorized representative must submit your appeal in writing within 180 days of receiving the adverse benefit determination. You do not need to submit urgent care appeals in writing. This communication should include:

- The patient's name and ID number as shown on the ID card.
- The provider's name.
- The date of medical service.
- The reason you disagree with the denial.
- Any documentation or other written information to support your request.

You or your authorized representative may send a written request for an appeal to:

UnitedHealthcare - Appeals
P.O. Box 30432
Salt Lake City, Utah 84130-0432

For urgent care requests for Benefits that have been denied, you or your provider can call UnitedHealthcare at the toll-free number on your ID card to request an appeal.

Types of claims

The timing of the claims appeal process is based on the type of claim you are appealing. If you wish to appeal a claim, it helps to understand whether it is an:

- Urgent care request for Benefits.
- Pre-service request for Benefits.
- Post-service claim.
- Concurrent claim.

Urgent Appeals that Require Immediate Action

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health, or the ability to regain maximum function, or cause severe pain. If your situation is urgent, your review will be conducted as quickly as possible. If you believe your situation is urgent, you may request an expedited review, and, if applicable, file an external review at the same time. For help call the Claims Administrator at the number listed on your health plan ID card. Generally, an urgent situation is when your life or health may be in serious jeopardy. Or when, in the opinion of your doctor, you may be experiencing severe pain that cannot be adequately controlled while you wait for a decision on your claim or appeal.

Review of an Appeal

UnitedHealthcare will conduct a full and fair review of your appeal. The appeal may be reviewed by:

- An appropriate individual(s) who did not make the initial benefit determination.
- A health care professional with appropriate expertise who was not consulted during the initial benefit determination process.

Once the review is complete, if UnitedHealthcare upholds the denial, you will receive a written explanation of the reasons and facts relating to the denial.

Note: Upon written request and free of charge, any Covered Persons may examine documents relevant to their claim and/or appeals and submit opinions and comments. UnitedHealthcare will review all claims in accordance with the rules established by the U.S. Department of Labor.

Filing a Second Appeal

Your Plan offers two levels of appeal. If you are not satisfied with the first level appeal decision, you have the right to request a second level appeal from UnitedHealthcare within 60 days from receipt of the first level appeal determination.

Note: Upon written request and free of charge, any Covered Persons may examine their claim and/or appeals file(s). Covered Persons may also submit evidence, opinions and comments as part of the internal claims review process. UnitedHealthcare will review all claims in accordance with the rules established by the *U.S. Department of Labor*. Any Covered Person will be automatically provided, free of charge, and sufficiently in advance of the date on which the notice of final internal adverse benefit determination is required, with: (i) any new or additional evidence considered, relied upon or generated by the Plan in connection with the claim; and, (ii) a reasonable opportunity for any Covered Person to respond to such new evidence or rationale.

External Review Program

If, after exhausting your internal appeals, you are not satisfied with the determination made by UnitedHealthcare, or if UnitedHealthcare fails to respond to your appeal in accordance with applicable regulations regarding timing, you may be entitled to request an external review of UnitedHealthcare's determination. The process is available at no charge to you.

If one of the above conditions is met, you may request an external review of adverse benefit determinations based upon any of the following:

- Clinical reasons.
- The exclusions for Experimental or Investigational Service(s) or Unproven Service(s).
- Rescission of coverage (coverage that was cancelled or discontinued retroactively).
- As otherwise required by applicable law.

You or your representative may request a standard external review by sending a written request to the address set out in the determination letter. You or your representative may request an expedited external review, in urgent situations as detailed below, by calling the number on your ID card or by sending a written request to the address set out in the determination letter. A request must be made within four months after the date you received UnitedHealthcare's decision.

An external review request should include all of the following:

- A specific request for an external review.
- The Covered Person's name, address, and insurance ID number.
- Your designated representative's name and address, when applicable.
- The service that was denied.
- Any new, relevant information that was not provided during the internal appeal.

An external review will be performed by an Independent Review Organization (IRO). UnitedHealthcare has entered into agreements with three or more IROs that have agreed to perform such reviews. There are two types of external reviews available:

- A standard external review.
- An expedited external review.

Standard External Review

A standard external review is comprised of all of the following:

- A preliminary review by UnitedHealthcare of the request.
- A referral of the request by UnitedHealthcare to the IRO.
- A decision by the IRO.

Within the applicable timeframe after receipt of the request, UnitedHealthcare will complete a preliminary review to determine whether the individual for whom the request was submitted meets all of the following:

- Is or was covered under the Plan at the time the health care service or procedure that is at issue in the request was provided.
- Has exhausted the applicable internal appeals process.
- Has provided all the information and forms required so that UnitedHealthcare may process the request.

After UnitedHealthcare completes the preliminary review, UnitedHealthcare will issue a notification in writing to you. If the request is eligible for external review, UnitedHealthcare will assign an IRO to conduct such review. UnitedHealthcare will assign requests by either rotating claims assignments among the IROs or by using a random selection process.

The IRO will notify you in writing of the request's eligibility and acceptance for external review, and if necessary, for any additional information needed to conduct the external review. You will generally have to submit the additional information in writing to the IRO within ten business days following the date you receive the IRO's request for the additional information. The IRO is not required to, but may, accept and consider additional information submitted by you after ten business days.

UnitedHealthcare will provide to the assigned IRO the documents and information considered in making UnitedHealthcare's determination. The documents include:

- All relevant medical records.
- All other documents relied upon by UnitedHealthcare.
- All other information or evidence that you or your Physician submitted. If there is any information or evidence you or your Physician wish to submit that was not previously provided, you may include this information with your external review request and UnitedHealthcare will include it with the documents forwarded to the IRO.

In reaching a decision, the IRO will review the claim anew and not be bound by any decisions or conclusions reached by UnitedHealthcare. The IRO will provide written notice of its determination (the "Final External Review Decision") within 45 days after it receives the request for the external review (unless they request additional time and you agree). The IRO will deliver the notice of Final External Review Decision to you and UnitedHealthcare, and it will include the clinical basis for the determination.

Upon receipt of a Final External Review Decision reversing UnitedHealthcare's determination, the Plan will immediately provide coverage or payment for the benefit claim at issue in accordance with the terms and conditions of the Plan, and any applicable law regarding plan remedies. If the Final External Review Decision agrees with UnitedHealthcare's determination, the Plan will not be obligated to provide Benefits for the health care service or procedure.

Expedited External Review

An expedited external review is similar to a standard external review. The most significant difference between the two is that the time periods for completing certain portions of the review process are much shorter, and in some instances you may file an expedited external review before completing the internal appeals process.

You may make a written or verbal request for an expedited external review if you receive either of the following:

- An adverse benefit determination of a claim or appeal if the adverse benefit determination involves a medical condition for which the time frame for completion of an expedited internal appeal would seriously jeopardize the life or health of the individual or would jeopardize the individual's ability to regain maximum function and you have filed a request for an expedited internal appeal.

- A final appeal decision, if the determination involves a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the life or health of the individual or would jeopardize the individual's ability to regain maximum function, or if the final appeal decision concerns an admission, availability of care, continued stay, or health care service, procedure or product for which the individual received emergency services, but has not been discharged from a facility.

Immediately upon receipt of the request, UnitedHealthcare will determine whether the individual meets both of the following:

- Is or was covered under the Plan at the time the health care service or procedure that is at issue in the request was provided.
- Has provided all the information and forms required so that UnitedHealthcare may process the request.

After UnitedHealthcare completes the review, UnitedHealthcare will immediately send a notice in writing to you. Upon a determination that a request is eligible for expedited external review, UnitedHealthcare will assign an IRO in the same manner UnitedHealthcare utilizes to assign standard external reviews to IROs. UnitedHealthcare will provide all necessary documents and information considered in making the adverse benefit determination or final adverse benefit determination to the assigned IRO electronically or by telephone or facsimile or any other available expeditious method. The IRO, to the extent the information or documents are available and the IRO considers them appropriate, must consider the same type of information and documents considered in a standard external review.

In reaching a decision, the IRO will review the claim anew and not be bound by any decisions or conclusions reached by UnitedHealthcare. The IRO will provide notice of the final external review decision for an expedited external review as expeditiously as the claimant's medical condition or circumstances require, but in no event more than 72 hours after the IRO receives the request. If the initial notice is not in writing, within 48 hours after the date of providing the initial notice, the assigned IRO will provide written confirmation of the decision to you and to UnitedHealthcare.

You may contact UnitedHealthcare at the toll-free number on your ID card for more information regarding external review rights, or if making a verbal request for an expedited external review.

Timing of Appeals Determinations

Separate schedules apply to the timing of claims appeals, depending on the type of claim. There are three types of claims:

- Urgent care request for Benefits - a request for Benefits provided in connection with urgent care services.
- Pre-Service request for Benefits - a request for Benefits which the Plan must approve or in which you must notify UnitedHealthcare before non-urgent care is provided.

- **Post-Service** - a claim for reimbursement of the cost of non-urgent care that has already been provided.

Please note that the decision is based only on whether or not Benefits are available under the Plan for the proposed treatment or procedure.

You may have the right to external review through an *Independent Review Organization (IRO)* upon the completion of the internal appeal process. Instructions regarding any such rights, and how to access those rights, will be provided in the Claims Administrator's decision letter to you.

The tables below describe the time frames which you and UnitedHealthcare are required to follow.

Urgent Care Request for Benefits*	
Type of Request for Benefits or Appeal	Timing
If your request for Benefits is incomplete, UnitedHealthcare must notify you within:	24 hours
You must then provide completed request for Benefits to UnitedHealthcare within:	48 hours after receiving notice of additional information required
UnitedHealthcare must notify you of the benefit determination within:	72 hours
If UnitedHealthcare denies your request for Benefits, you must appeal an adverse benefit determination no later than:	180 days after receiving the adverse benefit determination
UnitedHealthcare must notify you of the appeal decision within:	72 hours after receiving the appeal

*You do not need to submit urgent care appeals in writing. You should call UnitedHealthcare as soon as possible to appeal an urgent care request for Benefits.

Pre-Service Request for Benefits*	
Type of Request for Benefits or Appeal	Timing
If your request for Benefits is filed improperly, UnitedHealthcare must notify you within:	5 days
If your request for Benefits is incomplete, UnitedHealthcare must notify you within:	15 days

Pre-Service Request for Benefits*	
Type of Request for Benefits or Appeal	Timing
You must then provide completed request for Benefits information to UnitedHealthcare within:	45 days
UnitedHealthcare must notify you of the benefit determination:	
■ if the initial request for Benefits is complete, within:	15 days
■ after receiving the completed request for Benefits (if the initial request for Benefits is incomplete), within:	15 days
You must appeal an adverse benefit determination no later than:	180 days after receiving the adverse benefit determination
UnitedHealthcare must notify you of the first level appeal decision within:	15 days after receiving the first level appeal
You must appeal the first level appeal (file a second level appeal) within:	60 days after receiving the first level appeal decision
UnitedHealthcare must notify you of the second level appeal decision within:	15 days after receiving the second level appeal

*UnitedHealthcare may require a one-time extension for the initial claim determination, of no more than 15 days, only if more time is needed due to circumstances beyond control of the Plan.

Post-Service Claims	
Type of Claim or Appeal	Timing
If your claim is incomplete, UnitedHealthcare must notify you within:	30 days
You must then provide completed claim information to UnitedHealthcare within:	45 days
UnitedHealthcare must notify you of the benefit determination:	
■ if the initial claim is complete, within:	30 days
■ after receiving the completed claim (if the initial claim is incomplete), within:	30 days
You must appeal an adverse benefit determination no later than:	180 days after receiving the adverse benefit determination

Post-Service Claims	
Type of Claim or Appeal	Timing
UnitedHealthcare must notify you of the first level appeal decision within:	30 days after receiving the first level appeal
You must appeal the first level appeal (file a second level appeal) within:	60 days after receiving the first level appeal decision
UnitedHealthcare must notify you of the second level appeal decision within:	30 days after receiving the second level appeal

Limitation of Action

You cannot bring any legal action against Parkway School District or the Claims Administrator to recover reimbursement until 90 days after you have properly submitted a request for reimbursement as described in this section and all required reviews of your claim have been completed. If you want to bring a legal action against Parkway School District or the Claims Administrator, you must do so within three years from the expiration of the time period in which a request for reimbursement must be submitted or you lose any rights to bring such an action against Parkway School District or the Claims Administrator.

You cannot bring any legal action against Parkway School District or the Claims Administrator for any other reason unless you first complete all the steps in the appeal process described in this section. After completing that process, if you want to bring a legal action against Parkway School District or the Claims Administrator you must do so within three years of the date you are notified of the final decision on your appeal or you lose any rights to bring such an action against Parkway School District or the Claims Administrator.

SECTION 10 - COORDINATION OF BENEFITS (COB)

Benefits When You Have Coverage under More than One Plan

This section describes how Benefits under the Plan will be coordinated with those of any other plan that provides benefits to you.

When Does Coordination of Benefits Apply?

This *Coordination of Benefits (COB)* provision applies to you if you are covered by more than one health benefits plan, including any one of the following:

- Another employer sponsored health benefits plan.
- A medical component of a group long-term care plan, such as skilled nursing care.
- No-fault or traditional "fault" type medical payment benefits or personal injury protection benefits under an auto insurance policy.
- Medical payment benefits under any premises liability or other types of liability coverage.
- Medicare or other governmental health benefit.

If coverage is provided under two or more plans, COB determines which plan is primary and which plan is secondary. The plan considered primary pays its benefits first, without regard to the possibility that another plan may cover some expenses. Any remaining expenses may be paid under the other plan, which is considered secondary. The Secondary Plan may determine its benefits based on the benefits paid by the Primary Plan. How much this Plan will reimburse you, if anything, will also depend in part on the Allowable Expense. The term, "Allowable Expense," is further explained below.

What Are the Rules for Determining the Order of Benefit Payments?

Order of Benefit Determination Rules

The order of benefit determination rules determine whether this Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan. When this Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When this Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable Expense.

The order of benefit determination rules below govern the order in which each Plan will pay a claim for benefits.

- **Primary Plan.** The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses.
- **Secondary Plan.** The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense. Allowable Expense is defined below.

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

- A. This Plan will always be secondary to medical payment coverage or personal injury protection coverage under any auto liability or no-fault insurance policy.
- B. When you have coverage under two or more medical plans and only one has COB provisions, the plan without COB provisions will pay benefits first.
- C. Each Plan determines its order of benefits using the first of the following rules that apply:
 - 1. **Non-Dependent or Dependent.** The Plan that covers the person other than as a dependent, for example as an employee, former employee under COBRA, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.
 - 2. **Dependent Child Covered Under More Than One Coverage Plan.** Unless there is a court decree stating otherwise, plans covering a dependent child shall determine the order of benefits as follows:
 - a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - (1) The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - (2) If both parents have the same birthday, the Plan that covered the parent longest is the Primary Plan.
 - b) For a dependent child whose parents are divorced or separated or are not living together, whether or not they have ever been married:
 - (1) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. If the parent with responsibility has no health care coverage for the dependent child's health care expenses, but that parent's spouse does, that parent's spouse's plan is the Primary Plan. This shall not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision.
 - (2) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of subparagraph a) above shall determine the order of benefits.
 - (3) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of subparagraph a) above shall determine the order of benefits.

(4) If there is no court decree allocating responsibility for the child's health care expenses or health care coverage, the order of benefits for the child are as follows:

- a) The Plan covering the Custodial Parent.
- b) The Plan covering the Custodial Parent's spouse.
- c) The Plan covering the non-Custodial Parent.
- d) The Plan covering the non-Custodial Parent's spouse.

For purpose of this section, Custodial Parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

- c) For a dependent child covered under more than one plan of individuals who are not the parents of the child, the order of benefits shall be determined, as applicable, under subparagraph a) or b) above as if those individuals were parents of the child.
- d) (i) For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the rule in paragraph (5) applies.
(ii) In the event the dependent child's coverage under the spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule in subparagraph (a) to the dependent child's parent(s) and the dependent's spouse.

- 3. **Active Employee or Retired or Laid-off Employee.** The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired is the Primary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and, as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled C.1. can determine the order of benefits.
- 4. **COBRA or State Continuation Coverage.** If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan, and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled C.1. can determine the order of benefits.
- 5. **Longer or Shorter Length of Coverage.** The Plan that covered the person the longer period of time is the Primary Plan and the Plan that covered the person the shorter period of time is the Secondary Plan.
- 6. If the preceding rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan.

In addition, this Plan will not pay more than it would have paid had it been the Primary Plan.

How Are Benefits Paid When This Plan is Secondary?

If this Plan is secondary, it determines the amount it will pay for a Covered Health Services by following the steps below.

- The Plan determines the amount it would have paid based on the Allowable Expense.
- If this Plan would have paid the same amount or less than the Primary Plan paid, this Plan pays no Benefits.
- If this Plan would have paid more than the Primary Plan paid, the Plan will pay the difference.

You will be responsible for any applicable Copayment, Coinsurance or Deductible payments as part of the COB payment. The maximum combined payment you can receive from all plans may be less than 100% of the Allowable Expense.

How is the Allowable Expense Determined when this Plan is Secondary?

Determining the Allowable Expense If this Plan is Secondary

What is an Allowable Expense? For purposes of COB, an Allowable Expense is a health care expense that is covered at least in part by one of the health benefit plans covering you.

When the provider is a Network provider for both the Primary Plan and this Plan, the Allowable Expense is the Primary Plan's network rate. When the provider is a network provider for the Primary Plan and a non-Network provider for this Plan, the Allowable Expense is the Primary Plan's network rate. When the provider is a non-Network provider for the Primary Plan and a Network provider for this Plan, the Allowable Expense is the reasonable and customary charges allowed by the Primary Plan. When the provider is a non-Network provider for both the Primary Plan and this Plan, the Allowable Expense is the greater of the two Plans' reasonable and customary charges. If this plan is secondary to Medicare, please also refer to the discussion in the section below, titled "Determining the Allowable Expense When this Plan is Secondary to Medicare".

What is Different When You Qualify for Medicare?

Determining Which Plan is Primary When You Qualify for Medicare

As permitted by law, this Plan will pay Benefits second to Medicare when you become eligible for Medicare, even if you don't elect it. There are, however, Medicare-eligible individuals for whom the Plan pays Benefits first and Medicare pays benefits second:

- Employees with active current employment status age 65 or older and their Spouses age 65 or older (however, domestic partners are excluded as provided by Medicare).
- Individuals with end-stage renal disease, for a limited period of time.
- Disabled individuals under age 65 with current employment status and their Dependents under age 65.

Determining the Allowable Expense When this Plan is Secondary to Medicare

If this Plan is secondary to Medicare, the Medicare approved amount is the Allowable Expense, as long as the provider accepts reimbursement directly from Medicare. If the provider accepts reimbursement directly from Medicare, the Medicare approved amount is the charge that Medicare has determined that it will recognize and which it reports on an "explanation of Medicare benefits" issued by Medicare (the "EOMB") for a given service. Medicare typically reimburses such providers a percentage of its approved charge – often 80%.

If the provider does not accept assignment of your Medicare benefits, the Medicare limiting charge (the most a provider can charge you if they don't accept Medicare – typically 115% of the Medicare approved amount) will be the Allowable Expense. Medicare payments, combined with Plan Benefits, will not exceed 100% of the Allowable Expense.

If you are eligible for, but not enrolled in, Medicare, and this Plan is secondary to Medicare, or if you have enrolled in Medicare but choose to obtain services from an Opt-out provider or one that does not participate in the Medicare program or a provider who does not accept assignment of Medicare benefits, Benefits will be paid on a secondary basis under this Plan and will be determined as if you timely enrolled in Medicare and obtained services from a Medicare participating provider.

When calculating the Plan's Benefits in these situations, and when Medicare does not issue an EOMB, for administrative convenience the Claims Administrator will treat the provider's billed charges for covered services as the Allowable Expense for both the Plan and Medicare.

Medicare Crossover Program

The Plan offers a Medicare Crossover program for Medicare Part A and Part B and Durable Medical Equipment (DME) claims. Under this program, you no longer have to file a separate claim with the Plan to receive secondary benefits for these expenses. Your Dependent will also have this automated Crossover, as long as he or she is eligible for Medicare and this Plan is your only secondary medical coverage.

Once the Medicare Part A and Part B and DME carriers have reimbursed your health care provider, the Medicare carrier will electronically submit the necessary information to the Claims Administrator to process the balance of your claim under the provisions of this Plan.

You can verify that the automated crossover took place when your copy of the explanation of Medicare benefits (EOMB) states your claim has been forwarded to your secondary carrier.

This crossover process does not apply to expenses that Medicare does not cover. You must continue to file claims for these expenses.

For information about enrollment or if you have questions about the program, call the telephone number listed on your ID card.

Right to Receive and Release Needed Information?

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other plans. The Claims Administrator may get the facts needed from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and other plans covering the person claiming benefits.

The Claims Administrator does not need to tell, or get the consent of, any person to do this. Each person claiming benefits under this Plan must give the Claims Administrator any facts needed to apply those rules and determine benefits payable. If you do not provide the Claims Administrator the information needed to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

Does This Plan Have the Right of Recovery?

Overpayment and Underpayment of Benefits

If you are covered under more than one medical plan, there is a possibility that the other plan will pay a benefit that the Plan should have paid. If this occurs, the Plan may pay the other plan the amount owed.

If the Plan pays you more than it owes under this COB provision, you should pay the excess back promptly. Otherwise, the Plan Sponsor may recover the amount in the form of salary, wages, or benefits payable under any Plan Sponsor-funded benefit plans, including this Plan. The Plan Sponsor also reserves the right to recover any overpayment by legal action or offset payments on future Eligible Expenses.

If the Plan overpays a health care provider, the Claims Administrator reserves the right to recover the excess amount from the provider pursuant to Refund of Overpayments, below.

Refund of Overpayments

If the Plan pays for Benefits for expenses incurred on account of a Covered Person, that Covered Person or any other person or organization that was paid, must make a refund to the Plan if:

- The Plan's obligation to pay Benefits was contingent on the expenses incurred being legally owed and paid by you, but all or some of the expenses were not paid by you or did not legally have to be paid by you.
- All or some of the payment the Plan made exceeded the Benefits under the Plan.
- All or some of the payment was made in error.

The amount that must be refunded equals the amount the Plan paid in excess of the amount that should have been paid under the Plan. If the refund is due from another person or organization, you agree to help the Plan get the refund when requested.

If the refund is due from you and you do not promptly refund the full amount owed, the Plan may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, future Benefits for you that are payable under the Plan. If the refund is due from a

person or organization other than you, the Plan may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, (i) future Benefits that are payable in connection with services provided to other Covered Persons under the Plan; or (ii) future Benefits that are payment in connection with services provided to persons under other plans for which the Claims Administrator processes payments, pursuant to a transaction in which the Plan's overpayment recovery rights are assigned to such other plans in exchange for such plans' remittance of the amount of the reallocated payment. The reallocated payment amount will either:

- equal the amount of the required refund, or
- if less than the full amount of the required refund, will be deducted from the amount of refund owed to the Plan.

The Plan may have other rights in addition to the right to reallocate overpaid amounts and other enumerated rights, including the right to commence a legal action.

SECTION 11 - SUBROGATION AND REIMBURSEMENT

The Plan has a right to subrogation and reimbursement. References to “you” or “your” in this *Subrogation and Reimbursement* section shall include you, your estate and your heirs and beneficiaries unless otherwise stated.

Subrogation applies when the plan has paid Benefits on your behalf for a Sickness or Injury for which any third party is allegedly responsible. The right to subrogation means that the Plan is substituted to and shall succeed to any and all legal claims that you may be entitled to pursue against any third party for the Benefits that the Plan has paid that are related to the Sickness or Injury for which any third party is considered responsible.

Subrogation – Example

Suppose you are injured in a car accident that is not your fault, and you receive Benefits under the Plan to treat your injuries. Under subrogation, the Plan has the right to take legal action in your name against the driver who caused the accident and that driver's insurance carrier to recover the cost of those Benefits.

The right to reimbursement means that if it is alleged that any third party caused or is responsible for a Sickness or Injury for which you receive a settlement, judgment, or other recovery from any third party, you must use those proceeds to fully return to the Plan 100% of any Benefits you receive for that Sickness or Injury. The right of reimbursement shall apply to any Benefits received at any time until the rights are extinguished, resolved or waived in writing.

Reimbursement – Example

Suppose you are injured in a boating accident that is not your fault, and you receive Benefits under the Plan as a result of your injuries. In addition, you receive a settlement in a court proceeding from the individual who caused the accident. You must use the settlement funds to return to the plan 100% of any Benefits you received to treat your injuries.

The following persons and entities are considered third parties:

- A person or entity alleged to have caused you to suffer a Sickness, Injury or damages, or who is legally responsible for the Sickness, Injury or damages.
- Any insurer or other indemnifier of any person or entity alleged to have caused or who caused the Sickness, Injury or damages.
- The Plan Sponsor in a workers' compensation case or other matter alleging liability.
- Any person or entity who is or may be obligated to provide Benefits or payments to you, including Benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto, homeowners or otherwise), workers' compensation coverage, other insurance carriers or third-party administrators.

- Any person or entity against whom you may have any claim for professional and/or legal malpractice arising out of or connected to a Sickness or Injury you allege or could have alleged were the responsibility of any third party.
- Any person or entity that is liable for payment to you on any equitable or legal liability theory.

You agree as follows:

- You will cooperate with the Plan in protecting its legal and equitable rights to subrogation and reimbursement in a timely manner, including, but not limited to:
 - Notifying the Plan, in writing, of any potential legal claim(s) you may have against any third party for acts which caused Benefits to be paid or become payable.
 - Providing any relevant information requested by the Plan.
 - Signing and/or delivering such documents as the Plan or its agents reasonably request to secure the subrogation and reimbursement claim.
 - Responding to requests for information about any accident or injuries.
 - Making court appearances.
 - Obtaining the Plan's consent or its agents' consent before releasing any party from liability or payment of medical expenses.
 - Complying with the terms of this section.

Your failure to cooperate with the Plan is considered a breach of contract. As such, the Plan has the right to terminate your Benefits, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to you or your representative not cooperating with the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.

- The Plan has a first priority right to receive payment on any claim against any third party before you receive payment from that third party. Further, the Plan's first priority right to payment is superior to any and all claims, debts or liens asserted by any medical providers, including but not limited to hospitals or emergency treatment facilities, that assert a right to payment from funds payable from or recovered from an allegedly responsible third party and/or insurance carrier.
- The Plan's subrogation and reimbursement rights apply to full and partial settlements, judgments, or other recoveries paid or payable to you or your representative, your estate, your heirs and beneficiaries, no matter how those proceeds are captioned or characterized. Payments include, but are not limited to, economic, non-economic, pecuniary, consortium and punitive damages. The Plan is not required to help you to pursue your claim for damages or personal injuries and no amount of associated costs, including attorneys' fees, shall be deducted from the Plan's recovery without the Plan's express written consent. No so-called "Fund Doctrine" or "Common Fund Doctrine" or "Attorney's Fund Doctrine" shall defeat this right.

- Regardless of whether you have been fully compensated or made whole, the Plan may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, no matter how those proceeds are captioned or characterized. Proceeds from which the Plan may collect include, but are not limited to, economic, non-economic, and punitive damages. No "collateral source" rule, any "Made-Whole Doctrine" or "Make-Whole Doctrine," claim of unjust enrichment, nor any other equitable limitation shall limit the Plan's subrogation and reimbursement rights.
- Benefits paid by the Plan may also be considered to be Benefits advanced.
- If you receive any payment from any party as a result of Sickness or Injury, and the Plan alleges some or all of those funds are due and owed to the Plan, you and/or your representative shall hold those funds in trust, either in a separate bank account in your name or in your representative's trust account.
- By participating in and accepting Benefits from the Plan, you agree that (i) any amounts recovered by you from any third party shall constitute Plan assets to the extent of the amount of Plan Benefits provided on behalf of the Covered Person, (ii) you and your representative shall be fiduciaries of the Plan (within the meaning of ERISA) with respect to such amounts, and (iii) you shall be liable for and agree to pay any costs and fees (including reasonable attorney fees) incurred by the Plan to enforce its reimbursement rights.
- The Plan's rights to recovery will not be reduced due to your own negligence.
- By participating in and accepting Benefits from the Plan, you agree to assign to the Plan any Benefits, claims or rights of recovery you have under any automobile policy - including no-fault Benefits, PIP Benefits and/or medical payment Benefits - other coverage or against any third party, to the full extent of the Benefits the Plan has paid for the Sickness or Injury. By agreeing to provide this assignment in exchange for participating in and accepting Benefits, you acknowledge and recognize the Plan's right to assert, pursue and recover on any such claim, whether or not you choose to pursue the claim, and you agree to this assignment voluntarily.
- The Plan may, at its option, take necessary and appropriate action to preserve its rights under these provisions, including but not limited to, providing or exchanging medical payment information with an insurer, the insurer's legal representative or other third party; filing an ERISA reimbursement lawsuit to recover the full amount of medical Benefits you receive for the Sickness or Injury out of any settlement, judgment or other recovery from any third party considered responsible and filing suit in your name or your estate's name, which does not obligate the Plan in any way to pay you part of any recovery the Plan might obtain. Any ERISA reimbursement lawsuit stemming from a refusal to refund Benefits as required under the terms of the Plan is governed by a six-year statute of limitations.
- You may not accept any settlement that does not fully reimburse the Plan, without its written approval.
- The Plan has the authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.

- In the case of your death, giving rise to any wrongful death or survival claim, the provisions of this section apply to your estate, the personal representative of your estate, and your heirs or beneficiaries. In the case of your death the Plan's right of reimbursement and right of subrogation shall apply if a claim can be brought on behalf of you or your estate that can include a claim for past medical expenses or damages. The obligation to reimburse the Plan is not extinguished by a release of claims or settlement agreement of any kind.
- No allocation of damages, settlement funds or any other recovery, by you, your estate, the personal representative of your estate, your heirs, your beneficiaries or any other person or party, shall be valid if it does not reimburse the Plan for 100% of its interest unless the Plan provides written consent to the allocation.
- The provisions of this section apply to the parents, guardian, or other representative of a Dependent child who incurs a Sickness or Injury caused by any third party. If a parent or guardian may bring a claim for damages arising out of a minor's Sickness or Injury, the terms of this subrogation and reimbursement clause shall apply to that claim.
- If any third-party causes or is alleged to have caused you to suffer a Sickness or Injury while you are covered under this Plan, the provisions of this section continue to apply, even after you are no longer covered.
- In the event that you do not abide by the terms of the Plan pertaining to reimbursement, the Plan may terminate Benefits to you, your dependents or the employee, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to your failure to abide by the terms of the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.
- The Plan and all Administrators administering the terms and conditions of the Plan's subrogation and reimbursement rights have such powers and duties as are necessary to discharge its duties and functions, including the exercise of its discretionary authority to (1) construe and enforce the terms of the Plan's subrogation and reimbursement rights and (2) make determinations with respect to the subrogation amounts and reimbursements owed to the Plan.

Right of Recovery

The Plan also has the right to recover Benefits it has paid on you or your Dependent's behalf that were:

- Made in error.
- Due to a mistake in fact.
- Advanced during the time period of meeting the calendar year Deductible.
- Advanced during the time period of meeting the Out-of-Pocket Maximum for the calendar year.

Benefits paid because you or your Dependent misrepresented facts are also subject to recovery.

If the Plan provides a Benefit for you or your Dependent that exceeds the amount that should have been paid, the Plan will:

- Require that the overpayment be returned when requested.
- Reduce a future Benefit payment for you or your Dependent by the amount of the overpayment.

If the Plan provides an advancement of Benefits to you or your Dependent during the time period of meeting the Deductible and/or meeting the Out-of-Pocket Maximum or the calendar year, the Plan will send you or your Dependent a monthly statement identifying the amount you owe with payment instructions. The Plan has the right to recover Benefits it has advanced by:

- Submitting a reminder letter to you or a covered Dependent that details any outstanding balance owed to the Plan.
- Conducting courtesy calls to you or a covered Dependent to discuss any outstanding balance owed to the Plan.

SECTION 12 - WHEN COVERAGE ENDS

What this section includes:

- Circumstances that cause coverage to end.
- Extended coverage.
- How to continue coverage after it ends.

Your entitlement to Benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date. Please note that this does not affect coverage that is extended under *Extended Coverage for Total Disability* below.

When your coverage ends, Parkway School District will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, Benefits are not provided for health services that you receive after coverage ended, even if the underlying medical condition occurred before your coverage ended. Please note that this does not affect coverage that is extended under *Extended Coverage for Total Disability* below.

Your coverage under the Plan will end on the earliest of:

- The last day of the month your employment with the Company ends.
- The date the Plan ends.
- The last day of the month you stop making the required contributions.
- The last day of the month you are no longer eligible.
- The last day of the month UnitedHealthcare receives written notice from Parkway School District to end your coverage, or the date requested in the notice, if later.
- The last day of the month you retire or are pensioned under the Plan, unless specific coverage is available for retired or pensioned persons and you are eligible for that coverage.

Coverage for your eligible Dependents will end on the earliest of:

- The date your coverage ends.
- The last day of the month you stop making the required contributions.
- The last day of the month UnitedHealthcare receives written notice from Parkway School District to end your coverage, or the date requested in the notice, if later.
- The last day of the month your Dependents no longer qualify as Dependents under this Plan.

Other Events Ending Your Coverage

The Plan will provide at least thirty days' prior written notice to you that your coverage will end on the date identified in the notice if you commit an act, practice, or omission that

constituted fraud, or an intentional misrepresentation of a material fact including, but not limited to, knowingly providing incorrect information relating to another person's eligibility or status as a Dependent. You may appeal this decision during the 30-day notice period. The notice will contain information on how to pursue your appeal.

Note: If UnitedHealthcare and Parkway School District find that you have performed an act, practice, or omission that constitutes fraud, or have made an intentional misrepresentation of material fact Parkway School District has the right to demand that you pay back all Benefits Parkway School District paid to you, or paid in your name, during the time you were incorrectly covered under the Plan.

Coverage for a Disabled Child

If an unmarried enrolled Dependent child with a mental or physical disability reaches an age when coverage would otherwise end, the Plan will continue to cover the child, as long as:

- The child is unable to be self-supporting due to a mental or physical handicap or disability.
- The child depends mainly on you for support.
- You provide to Parkway School District proof of the child's incapacity and dependency within 31 days of the date coverage would have otherwise ended because the child reached a certain age.
- You provide proof, upon Parkway School District's request, that the child continues to meet these conditions.

The proof might include medical examinations at Parkway School District's expense. However, you will not be asked for this information more than once a year. If you do not supply such proof within 31 days, the Plan will no longer pay Benefits for that child.

Coverage will continue, as long as the enrolled Dependent is incapacitated and dependent upon you, unless coverage is otherwise terminated in accordance with the terms of the Plan.

Extended Coverage for Total Disability

If a Covered Person has a Total Disability on the date their coverage under the Plan ends, their Benefits will not end automatically. The Plan will temporarily extend coverage, only for treatment of the condition causing the Total Disability. Benefits will be paid until the earlier of:

- The Total Disability ends.
- twelve months from the date coverage would have ended.

Continuing Coverage Through COBRA

If you lose your Plan coverage, you may have the right to extend it under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as defined in Section 14, *Glossary*.

Continuation coverage under COBRA is available only to Plans that are subject to the terms of COBRA. You can contact your Plan Administrator to determine if Parkway School District is subject to the provisions of COBRA.

Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage. You should call your Plan Administrator if you have questions about your right to continue coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who were covered under the Plan on the day before a qualifying event:

- A Participant.
- A Participant's enrolled Dependent, including with respect to the Participant's children, a child born to or placed for adoption with the Participant during a period of continuation coverage under federal law.
- A Participant's former Spouse.

Qualifying Events for Continuation Coverage under COBRA

The following table outlines situations in which you may elect to continue coverage under COBRA for yourself and your Dependents, and the maximum length of time you can receive continued coverage. These situations are considered qualifying events.

If Coverage Ends Because of the Following Qualifying Events:	You May Elect COBRA:		
	For Yourself	For Your Spouse	For Your Child(ren)
Your work hours are reduced	18 months	18 months	18 months
Your employment terminates for any reason (other than gross misconduct)	18 months	18 months	18 months
You or your family member become eligible for Social Security disability benefits at any time within the first 60 days of losing coverage ¹	29 months	29 months	29 months
You die	N/A	36 months	36 months
You divorce (or legally separate)	N/A	36 months	36 months
Your child is no longer an eligible family member (e.g., reaches the maximum age limit)	N/A	N/A	36 months

If Coverage Ends Because of the Following Qualifying Events:	You May Elect COBRA:		
	For Yourself	For Your Spouse	For Your Child(ren)
You become entitled to Medicare	N/A	See table below	See table below
Parkway School District files for bankruptcy under Title 11, United States Code. ²	36 months	36 months ³	36 months ³

¹Subject to the following conditions: (i) notice of the disability must be provided within the latest of 60 days after a). the determination of the disability, b). the date of the qualifying event, c). the date the Qualified Beneficiary would lose coverage under the Plan, and in no event later than the end of the first 18 months; (ii) the Qualified Beneficiary must agree to pay any increase in the required premium for the additional 11 months over the original 18 months; and (iii) if the Qualified Beneficiary entitled to the 11 months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional 11 months of continuation coverage. Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

²This is a qualifying event for any Retired Participant and his or her enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

³From the date of the Participant's death if the Participant dies during the continuation coverage.

How Your Medicare Eligibility Affects Dependent COBRA Coverage

The table below outlines how your Dependents' COBRA coverage is impacted if you become entitled to Medicare.

If Dependent Coverage Ends When:	You May Elect COBRA Dependent Coverage For Up To:
You become entitled to Medicare and don't experience any additional qualifying events	18 months
You become entitled to Medicare, after which you experience a second qualifying event* before the initial 18-month period expires	36 months
You experience a qualifying event*, after which you become entitled to Medicare before the initial 18-month period expires; and, if absent this initial qualifying event, your Medicare entitlement would have resulted in loss of Dependent coverage under the Plan	36 months

* Your work hours are reduced or your employment is terminated for reasons other than gross misconduct.

Getting Started

You will be notified by mail if you become eligible for COBRA coverage as a result of a reduction in work hours or termination of employment. The notification will give you instructions for electing COBRA coverage, and advise you of the monthly cost. Your monthly cost is the full cost, including both Participant and Employer costs, plus a 2% administrative fee or other cost as permitted by law.

You will have up to 60 days from the date you receive notification or 60 days from the date your coverage ends to elect COBRA coverage, whichever is later. You will then have an additional 45 days to pay the cost of your COBRA coverage, retroactive to the date your Plan coverage ended.

During the 60-day election period, the Plan will, only in response to a request from a provider, inform that provider of your right to elect COBRA coverage, retroactive to the date your COBRA eligibility began.

While you are a participant in the medical Plan under COBRA, you have the right to change your coverage election:

- During Open Enrollment.
- Following a change in family status, as described under *Changing Your Coverage* in Section 2, *Introduction*.

Notification Requirements

If your covered Dependents lose coverage due to divorce, legal separation, or loss of Dependent status, you or your Dependents must notify the Plan Administrator within 60 days of the latest of:

- The date of the divorce, legal separation or an enrolled Dependent's loss of eligibility as an enrolled Dependent.
- The date your enrolled Dependent would lose coverage under the Plan.
- The date on which you or your enrolled Dependent are informed of your obligation to provide notice and the procedures for providing such notice.

You or your Dependents must also notify the Plan Administrator when a qualifying event occurs that will extend continuation coverage.

If you or your Dependents fail to notify the Plan Administrator of these events within the 60-day period, the Plan Administrator is not obligated to provide continued coverage to the affected Qualified Beneficiary. If you are continuing coverage under federal law, you must notify the Plan Administrator within 60 days of the birth or adoption of a child.

Once you have notified the Plan Administrator, you will then be notified by mail of your election rights under COBRA.

Notification Requirements for Disability Determination

If you extend your COBRA coverage beyond 18 months because you are eligible for disability benefits from Social Security, you must provide Finance Department with notice of the Social Security Administration's determination within 60 days after you receive that determination, and before the end of your initial 18-month continuation period.

The notice requirements will be satisfied by providing written notice to the Plan Administrator at the address stated in Section 15, *Important Administrative Information*. The contents of the notice must be such that the Plan Administrator is able to determine the covered Employee and qualified beneficiary(ies), the qualifying event or disability, and the date on which the qualifying event occurred.

Trade Act of 2002

The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain Participants who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or 'alternative trade adjustment assistance' under a federal law called the Trade Act of 1974. These Participants are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.

If a Participant qualifies or may qualify for assistance under the Trade Act of 1974, he or she should contact the Plan Administrator for additional information. The Participant must contact the Plan Administrator promptly after qualifying for assistance under the Trade Act of 1974 or the Participant will lose his or her special COBRA rights. COBRA coverage elected during the special second election period is not retroactive to the date that Plan coverage was lost, but begins on the first day of the special second election period.

When COBRA Ends

COBRA coverage will end, before the maximum continuation period, on the earliest of the following dates:

- The date, after electing continuation coverage, that coverage is first obtained under any other group health plan.
- The date, after electing continuation coverage, that you or your covered Dependent first becomes entitled to Medicare;
- The date coverage ends for failure to make the first required premium payment (premium is not paid within 45 days).

- The date coverage ends for failure to make any other monthly premium payment (premium is not paid within 30 days of its due date).
- The date the entire Plan ends.
- The date coverage would otherwise terminate under the Plan as described in the beginning of this section.

Note: If you selected continuation coverage under a prior plan which was then replaced by coverage under this Plan, continuation coverage will end as scheduled under the prior plan or in accordance with the terminating events listed in this section, whichever is earlier.

Uniformed Services Employment and Reemployment Rights Act

A Participant who is absent from employment for more than 30 days by reason of service in the Uniformed Services may elect to continue Plan coverage for the Participant and the Participant's Dependents in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA).

The terms "Uniformed Services" or "Military Service" mean the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

If qualified to continue coverage pursuant to the USERRA, Participants may elect to continue coverage under the Plan by notifying the Plan Administrator in advance, and providing payment of any required contribution for the health coverage. This may include the amount the Plan Administrator normally pays on a Participant's behalf. If a Participant's Military Service is for a period of time less than 31 days, the Participant may not be required to pay more than the regular contribution amount, if any, for continuation of health coverage.

A Participant may continue Plan coverage under USERRA for up to the lesser of:

- The 24-month period beginning on the date of the Participant's absence from work.
- The day after the date on which the Participant fails to apply for, or return to, a position of employment.

Regardless of whether a Participant continues health coverage, if the Participant returns to a position of employment, the Participant's health coverage and that of the Participant's eligible Dependents will be reinstated under the Plan. No exclusions or waiting period may be imposed on a Participant or the Participant's eligible Dependents in connection with this reinstatement, unless a Sickness or Injury is determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of military service.

You should call the Plan Administrator if you have questions about your rights to continue health coverage under USERRA.

SECTION 13 - OTHER IMPORTANT INFORMATION

What this section includes:

- Court-ordered Benefits for Dependent children.
- Your relationship with UnitedHealthcare and Parkway School District.
- Relationships with providers.
- Interpretation of Benefits.
- Information and records.
- Incentives to providers and you.
- The future of the Plan.
- How to access the official Plan documents.

Qualified Medical Child Support Orders (QMCSOs)

A qualified medical child support order (QMCSO) is a judgment, decree or order issued by a court or appropriate state agency that requires a child to be covered for medical benefits. Generally, a QMCSO is issued as part of a paternity, divorce, or other child support settlement.

If the Plan receives a medical child support order for your child that instructs the Plan to cover the child, the Plan Administrator will review it to determine if it meets the requirements for a QMCSO. If it determines that it does, your child will be enrolled in the Plan as your Dependent, and the Plan will be required to pay Benefits as directed by the order.

You may obtain, without charge, a copy of the procedures governing QMCSOs from the Plan Administrator.

Note: A National Medical Support Notice will be recognized as a QMCSO if it meets the requirements of a QMCSO.

Your Relationship with UnitedHealthcare and Parkway School District

In order to make choices about your health care coverage and treatment, Parkway School District believes that it is important for you to understand how UnitedHealthcare interacts with the Plan Sponsor's benefit Plan and how it may affect you. UnitedHealthcare helps administer the Plan Sponsor's benefit plan in which you are enrolled. UnitedHealthcare does not provide medical services or make treatment decisions. This means:

- UnitedHealthcare communicates to you decisions about whether the Plan will cover or pay for the health care that you may receive (the Plan pays for Covered Health Services, which are more fully described in this SPD).
- The Plan may not pay for all treatments you or your Physician may believe are necessary. If the Plan does not pay, you will be responsible for the cost.

Parkway School District and UnitedHealthcare may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable. Parkway School District and UnitedHealthcare will use individually identifiable information about you as permitted or required by law, including in operations and in research. Parkway School District and UnitedHealthcare will use de-identified data for commercial purposes including research.

Relationship with Providers

The Claims Administrator has agreements in place that govern the relationships between it and Parkway School District and Network providers, some of which are affiliated providers. Network providers enter into agreements with the Claims Administrator to provide Covered Health Services to Covered Persons.

Parkway School District and UnitedHealthcare do not provide health care services or supplies, nor do they practice medicine. Instead, Parkway School District and UnitedHealthcare arrange for health care providers to participate in a Network and administer payment of Benefits. Network providers are independent practitioners who run their own offices and facilities. UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided. They are not Parkway School District's employees nor are they employees of UnitedHealthcare. Parkway School District and UnitedHealthcare are not responsible for any act or omission of any provider.

UnitedHealthcare is not considered to be an employer of the Plan Administrator for any purpose with respect to the administration or provision of benefits under this Plan.

Parkway School District is solely responsible for:

- Enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage).
- The timely payment of the service fee to UnitedHealthcare.
- The funding of Benefits on a timely basis.
- Notifying you of the termination or modifications to the Plan.

Your Relationship with Providers

The relationship between you and any provider is that of provider and patient. You:

- Are responsible for choosing your own provider.
- Are responsible for paying, directly to your provider, any amount identified as a member responsibility, including Copayments, Coinsurance, any deductible and any amount that exceeds Eligible Expenses.
- Are responsible for paying, directly to your provider, the cost of any non-Covered Health Service.

- Must decide if any provider treating you is right for you (this includes Network providers you choose and providers to whom you have been referred).
- Must decide with your provider what care you should receive.

Your provider is solely responsible for the quality of the services provided to you.

- The relationship between you and Parkway School District is that of employer and employee, Dependent or other classification as defined in this SPD.

Interpretation of Benefits

Parkway School District and UnitedHealthcare have the sole and exclusive discretion to do all of the following:

- Interpret Benefits under the Plan.
- Interpret the other terms, conditions, limitations and exclusions of the Plan, including this SPD, the Schedule of Benefits and any Addendums, SMMs and/or Amendments.
- Make factual determinations related to the Plan and its Benefits.

Parkway School District and UnitedHealthcare may delegate this discretionary authority to other persons or entities including Claims Administrator's affiliates that may provide services in regard to the administration of the Plan. The identity of the service providers and the nature of their services may be changed from time to time in Plan Sponsor's and the Claims Administrator's discretion. In order to receive Benefits, you must cooperate with those service providers.

In certain circumstances, for purposes of overall cost savings or efficiency, Parkway School District may, in its discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that Parkway School District does so in any particular case shall not in any way be deemed to require Parkway School District to do so in other similar cases.

Information and Records

Parkway School District and UnitedHealthcare may use your individually identifiable health information to administer the Plan and pay claims, to identify procedures, products, or services that you may find valuable, and as otherwise permitted or required by law. Parkway School District and UnitedHealthcare may request additional information from you to decide your claim for Benefits. Parkway School District and UnitedHealthcare will keep this information confidential. Parkway School District and UnitedHealthcare may also use your de-identified data for commercial purposes, including research, as permitted by law.

By accepting Benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish Parkway School District and UnitedHealthcare with all information or copies of records relating to the services provided to you, including provider billing and provider payment records. Parkway School District and UnitedHealthcare have the right to request this information at any reasonable time. This

applies to all Covered Persons, including enrolled Dependents whether or not they have signed the Participant's enrollment form. Parkway School District and UnitedHealthcare agree that such information and records will be considered confidential.

Parkway School District and UnitedHealthcare have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as Parkway School District is required to do by law or regulation. During and after the term of the Plan, Parkway School District and UnitedHealthcare and its related entities may use and transfer the information gathered under the Plan in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your medical records or billing statements Parkway School District recommends that you contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from UnitedHealthcare, they also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, Parkway School District and UnitedHealthcare will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. UnitedHealthcare's designees have the same rights to this information as does the Plan Administrator.

Incentives to Providers

Network providers may be provided financial incentives by UnitedHealthcare to promote the delivery of health care in a cost efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

- Bonuses for performance based on factors that may include quality, member satisfaction, and/or cost-effectiveness.
- A practice called capitation which is when a group of Network providers receives a monthly payment from UnitedHealthcare for each Covered Person who selects a Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment.
- Bundled payments - certain Network providers receive a bundled payment for a group of Covered Health Services for a particular procedure or medical condition. The applicable Copayment and/or Coinsurance will be calculated based on the provider type that received the bundled payment. The Network providers receive these bundled payments regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment. If you receive follow-up services related to a procedure where a bundled payment is made, an additional Copayment and/or Coinsurance may not be required if such follow-up

services are included in the bundled payment. You may receive some Covered Health Services that are not considered part of the inclusive bundled payment and those Covered Health Services would be subject to the applicable Copayment and/or Coinsurance as described in your Section 5, *Plan Highlights*.

The Claims Administrator uses various payment methods to pay specific Network providers. From time to time, the payment method may change. If you have questions about whether your Network provider's contract with the Claims Administrator includes any financial incentives, the Claims Administrator encourages you to discuss those questions with your provider. You may also call the Claims Administrator at the telephone number on your ID card. The Claims Administrator can advise whether your Network provider is paid by any financial incentive, including those listed above.

Incentives to You

Sometimes you may be offered coupons or other incentives to encourage you to participate in various wellness programs or certain disease management programs, surveys, discount programs, administrative programs, and/or programs to seek care in a more cost-effective setting and/or from Designated Providers. In some instances, these programs may be offered in combination with a non-UnitedHealthcare entity. The decision about whether or not to participate is yours alone but Parkway School District recommends that you discuss participating in such programs with your Physician. These incentives are not Benefits and do not alter or affect your Benefits. You may call the number on the back of your ID card if you have any questions. Additional information may be found in Section 7, *Clinical Programs and Resources*.

Rebates and Other Payments

Parkway School District and UnitedHealthcare may receive rebates for certain drugs that are administered to you in a Physician's office, or at a Hospital or Alternate Facility. This includes rebates for those drugs that are administered to you before you meet your Annual Deductible. Parkway School District and UnitedHealthcare may pass a portion of these rebates on to you. When rebates are passed on to you, they may be taken into account in determining your Copays or Coinsurance.

Workers' Compensation Not Affected

Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Future of the Plan

Although the Company expects to continue the Plan indefinitely, it reserves the right to discontinue, alter or modify the Plan in whole or in part, at any time and for any reason, at its sole determination.

The Company's decision to terminate or amend a Plan may be due to changes in federal or state laws governing employee benefits, the requirements of the Internal Revenue Code or any other reason. A plan change may transfer plan assets and debts to another plan or split a

plan into two or more parts. If the Company does change or terminate a plan, it may decide to set up a different plan providing similar or different benefits.

If this Plan is terminated, Covered Persons will not have the right to any other Benefits from the Plan, other than for those claims incurred prior to the date of termination, or as otherwise provided under the Plan. In addition, if the Plan is amended, Covered Persons may be subject to altered coverage and Benefits.

The amount and form of any final benefit you receive will depend on any Plan document or contract provisions affecting the Plan and Company decisions. After all Benefits have been paid and other requirements of the law have been met, certain remaining Plan assets will be turned over to the Company and others as may be required by any applicable law.

Plan Document

This Employee Benefit Booklet (EBB) represents an overview of your Benefits. In the event there is a discrepancy between the SPD and the official plan document, the plan document will govern. A copy of the plan document is available for your inspection during regular business hours in the office of the Plan Administrator. You (or your personal representative) may obtain a copy of this document by written request to the Plan Administrator, for a nominal charge.

Review and Determine Benefits in Accordance with UnitedHealthcare Reimbursement Policies

UnitedHealthcare adjudicates claims consistent with industry standards. UnitedHealthcare develops its reimbursement policy guidelines, in its sole discretion, generally in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the Centers for Medicare and Medicaid Services (CMS).
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate sources or determinations that UnitedHealthcare accepts.

Following evaluation and validation of certain provider billings (e.g., error, abuse and fraud reviews), UnitedHealthcare's reimbursement policies are applied to provider billings. UnitedHealthcare shares its reimbursement policies with Physicians and other providers in UnitedHealthcare's Network through UnitedHealthcare's provider website. Network Physicians and providers may not bill you for the difference between their contract rate (as may be modified by UnitedHealthcare's reimbursement policies) and the billed charge. However, non-Network providers are not subject to this prohibition, and may bill you for any amounts the Plan does not pay, including amounts that are denied because one of UnitedHealthcare's reimbursement policies does not reimburse (in whole or in part) for the service billed. You may obtain copies of UnitedHealthcare's reimbursement policies for yourself or to share with your non-Network Physician or

provider by going to **www.myuhc.com** or by calling the telephone number on your ID card.

UnitedHealthcare may apply a reimbursement methodology established by *OptumInsight* and/or a third-party vendor, which is based on *CMS* coding principles, to determine appropriate reimbursement levels for Emergency Health Services. The methodology is usually based on elements reflecting the patient complexity, direct costs, and indirect costs of an Emergency Health Service. If the methodology(ies) currently in use become no longer available, UnitedHealthcare will use a comparable methodology(ies). UnitedHealthcare and *OptumInsight* are related companies through common ownership by *UnitedHealth Group*. Refer to UnitedHealthcare's website at **www.myuhc.com** for information regarding the vendor that provides the applicable methodology.

Medicare Eligibility

Benefits under the Plan are not intended to supplement any coverage provided by Medicare. Nevertheless, in some circumstances Covered Persons who are eligible for or enrolled in Medicare may also be enrolled under the Plan.

If you are eligible for or enrolled in Medicare, please read the following information carefully.

If you are eligible for Medicare on a primary basis (Medicare pays before Benefits under the Plan), you should enroll in and maintain coverage under both Medicare Part A and Part B. If you don't enroll and maintain that coverage, and if the Plan is the secondary payer as described in Section 10, *Coordination of Benefits*, the Plan will pay Benefits under the Plan as if you were covered under both Medicare Part A and Part B. As a result, you will be responsible for the costs that Medicare would have paid and you will incur a larger out-of-pocket cost.

If you are enrolled in a Medicare Advantage (Medicare Part C) plan on a primary basis (Medicare pays before Benefits under the Plan), you should follow all rules of that plan that require you to seek services from that plan's participating providers. When the Plan is the secondary payer, the Plan will pay any Benefits available to you under the Plan as if you had followed all rules of the Medicare Advantage plan. You will be responsible for any additional costs or reduced Benefits that result from your failure to follow these rules, and you will incur a larger out-of-pocket cost.

SECTION 14 - GLOSSARY

What this section includes:

- Definitions of terms used throughout this SPD.

Many of the terms used throughout this SPD may be unfamiliar to you or have a specific meaning with regard to the way the Plan is administered and how Benefits are paid. This section defines terms used throughout this SPD, but it does not describe the Benefits provided by the Plan.

Addendum - any attached written description of additional or revised provisions to the Plan. The benefits and exclusions of this SPD and any amendments thereto shall apply to the Addendum except that in the case of any conflict between the Addendum and SPD and/or Amendments to the SPD, the Addendum shall be controlling.

Air Ambulance - medical transport by rotary wing Air Ambulance or fixed wing Air Ambulance helicopter or airplane as defined in *42 CFR 414.605*.

Alternate Facility - a health care facility that is not a Hospital and that provides one or more of the following services on an outpatient basis, as permitted by law:

- Surgical services.
- Emergency Health Services.
- Rehabilitative, laboratory, diagnostic or therapeutic services.

An Alternate Facility may also provide Mental Health Services or Substance-Related and Addictive Disorders Services on an outpatient basis or inpatient basis (for example a Residential Treatment facility).

Amendment - any attached written description of additional or alternative provisions to the Plan. Amendments are effective only when distributed by the Plan Sponsor or the Plan Administrator. Amendments are subject to all conditions, limitations and exclusions of the Plan, except for those that the amendment is specifically changing.

Ancillary Services - items and services provided by non-Network Physicians at a Network facility that are any of the following:

- Related to emergency medicine, anesthesiology, pathology, radiology, and neonatology;
- Provided by assistant surgeons, hospitalists, and intensivists;
- Diagnostic services, including radiology and laboratory services, unless such items and services are excluded from the definition of Ancillary Services as determined by the Secretary;
- Provided by such other specialty practitioners as determined by the Secretary; and
- Provided by a non-Network Physician when no other Network Physician is available.

Annual Deductible (or Deductible) - the amount you must pay for Covered Health Services in a calendar year before the Plan will begin paying Benefits in that calendar year. The Deductible is shown in the first table in Section 5, *Plan Highlights*.

Assisted Reproductive Technology (ART) – the comprehensive term for procedures involving the manipulation of human reproductive materials (such as sperm, eggs, and/or embryos) to achieve Pregnancy. Examples of such procedures are:

- In vitro fertilization (IVF).
- Gamete intrafallopian transfer (GIFT).
- Pronuclear stage tubal transfer (PROST).
- Tubal embryo transfer (TET).
- Zygote intrafallopian transfer (ZIFT).

Autism Spectrum Disorders - a condition marked by enduring problems communicating and interacting with others, along with restricted and repetitive behavior, interests or activities.

Benefits - Plan payments for Covered Health Services, subject to the terms and conditions of the Plan and any Addendums and/or Amendments.

Body Mass Index (BMI) - a calculation used in obesity risk assessment which uses a person's weight and height to approximate body fat.

BMI - see Body Mass Index (BMI).

Cancer Resource Services (CRS) - a program administered by UnitedHealthcare or its affiliates made available to you by Parkway School District. The CRS program provides:

- Specialized consulting services, on a limited basis, to Participants and enrolled Dependents with cancer.
- Access to cancer centers with expertise in treating the most rare or complex cancers.
- Education to help patients understand their cancer and make informed decisions about their care and course of treatment.

Cellular Therapy - administration of living whole cells into a patient for the treatment of disease.

CHD - see Congenital Heart Disease (CHD).

Claims Administrator - UnitedHealthcare (also known as United Healthcare Services, Inc.) and its affiliates, who provide certain claim administration services for the Plan.

Clinical Trial - a scientific study designed to identify new health services that improve health outcomes. In a Clinical Trial, two or more treatments are compared to each other, and the patient is not allowed to choose which treatment will be received.

COBRA - see Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).

Coinsurance - the charge, stated as a percentage of Eligible Expenses or the Recognized Amount when applicable, that you are required to pay for certain Covered Health Services as described in Section 3, *How the Plan Works*.

Company - Parkway School District.

Congenital Anomaly - a physical developmental defect that is present at birth and is identified within the first twelve months of birth.

Congenital Heart Disease (CHD) - any structural heart problem or abnormality that has been present since birth. Congenital heart defects may:

- Be passed from a parent to a child (inherited).
- Develop in the fetus of a woman who has an infection or is exposed to radiation or other toxic substances during her Pregnancy.
- Have no known cause.

Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) - a federal law that requires employers to offer continued health insurance coverage to certain employees and their dependents whose group health insurance has been terminated.

Cosmetic Procedures - procedures or services that change or improve appearance without significantly improving physiological function, as determined by the Claims Administrator.

Cost-Effective - the least expensive equipment that performs the necessary function. This term applies to Durable Medical Equipment and prosthetic devices.

Covered Health Services - those health services, including services, supplies or Pharmaceutical Products, which the Claims Administrator determines to be:

- Provided for the purpose of preventing, evaluating, diagnosing or treating a Sickness, Injury, Mental Illness, substance-related and addictive disorders, condition, disease or its symptoms.
- Medically Necessary.
- Described as a Covered Health Service in this SPD under Section 5, *Plan Highlights* and 6, *Additional Coverage Details*.
- Provided to a Covered Person who meets the Plan's eligibility requirements, as described under *Eligibility* in Section 2, *Introduction*.
- Not otherwise excluded in this SPD under Section 8, *Exclusions and Limitations*.

Covered Person - either the Participant or an enrolled Dependent, but this term applies only while the person is enrolled and eligible for Benefits under the Plan. References to "you" and "your" throughout this SPD are references to a Covered Person.

CRS - see Cancer Resource Services (CRS).

Custodial Care - services that are any of the following:

- Non-health-related services, such as assistance in activities of daily living (examples include feeding, dressing, bathing, transferring and ambulating).
- Health-related services that are provided for the primary purpose of meeting the personal needs of the patient or maintaining a level of function (even if the specific services are considered to be skilled services), as opposed to improving that function to an extent that might allow for a more independent existence.
- Services that do not require continued administration by trained medical personnel in order to be delivered safely and effectively.

Deductible - see Annual Deductible.

Definitive Drug Test - test to identify specific medications, illicit substances and metabolites and is qualitative or quantitative to identify possible use or non-use of a drug.

Dependent - an individual who meets the eligibility requirements specified in the Plan, as described under *Eligibility* in Section 2, *Introduction*. A Dependent does not include anyone who is also enrolled as a Participant. No one can be a Dependent of more than one Participant.

Designated Dispensing Entity - a pharmacy, provider, or facility that has entered into an agreement with the Claims Administrator, or with an organization contracting on the Claims Administrator's behalf, to provide Pharmaceutical Products for the treatment of specified diseases or conditions. Not all Network pharmacies, providers, or facilities are Designated Dispensing Entities.

Designated Network Benefits - for Benefit plans that have a Designated Network Benefit level, this is the description of how Benefits are paid for the Covered Health Services provided by a Physician or other provider that has been identified as a Designated Provider. Refer to Section 5, *Plan Highlights*, to determine whether or not your Benefit plan offers Designated Network Benefits and for details about how Designated Network Benefits apply.

Designated Provider - a provider and/or facility that:

- Has entered into an agreement with UnitedHealthcare, or with an organization contracting on UnitedHealthcare's behalf, to provide Covered Health Services for the treatment of specific diseases or conditions; or
- UnitedHealthcare has identified through UnitedHealthcare's designation programs as a Designated Provider. Such designation may apply to specific treatments, conditions and/or procedures.

A Designated Provider may or may not be located within your geographic area. Not all Network Hospitals or Network Physicians are Designated Providers.

You can find out if your provider is a Designated Provider by contacting UnitedHealthcare at www.myuhc.com or the telephone number on your ID card.

Designated Virtual Network Provider - a provider or facility that has entered into an agreement with the Claims Administrator, or with an organization contracting on the Claims Administrator's behalf, to deliver Covered Health Care Services through live audio with video technology or audio only.

DME - see Durable Medical Equipment (DME).

Durable Medical Equipment (DME) - medical equipment that is all of the following:

- Is used to serve a medical purpose with respect to treatment of a Sickness, Injury or their symptoms.
- Is not disposable.
- Is generally not useful to a person in the absence of a Sickness, Injury or their symptoms.
- Can withstand repeated use.
- Is not implantable within the body.
- Is appropriate for use, and is primarily used, within the home.

Eligible Expenses – for Covered Health Services, incurred while the Plan is in effect, Eligible Expenses are determined by UnitedHealthcare or as required by law as detailed in Section 3, *How the Plan Works*.

Eligible Expenses are determined in accordance with UnitedHealthcare's reimbursement policy guidelines or as required by law. UnitedHealthcare develops the reimbursement policy guidelines, in its discretion, following evaluation and validation of all provider billings generally in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the *Current Procedural Terminology (CPT)*, a publication of the *American Medical Association*, and/or the *Centers for Medicare and Medicaid Services (CMS)*.
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate source or determination that UnitedHealthcare accepts.

Emergency - a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in any of the following:

- Placing the health of the Covered Person (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy.

- Serious impairment to bodily functions.
- Serious dysfunction of any bodily organ or part.

Emergency Health Services - with respect to an Emergency:

- An appropriate medical screening examination (as required under section 1867 of the *Social Security Act*, 42 U.S.C. 1395dd or as would be required under such section if such section applied to an Independent Freestanding Emergency Department) that is within the capability of the emergency department of a Hospital, or an Independent Freestanding Emergency Department, as applicable, including ancillary services routinely available to the emergency department to evaluate such Emergency.
- Such further medical examination and treatment, to the extent they are within the capabilities of the staff and facilities available at the Hospital or an Independent Freestanding Emergency Department, as applicable, as are required under section 1867 of the *Social Security Act* (42 U.S.C. 1395dd(e)(3)), or as would be required under such section if such section applied to an Independent Freestanding Emergency Department, to stabilize the patient (regardless of the department of the Hospital in which such further exam or treatment is provided). For the purpose of this definition, “to stabilize” has the meaning as given such term in section 1867(e)(3) of the *Social Security Act* (42 U.S.C. 1395dd(e)(3)).
- Emergency Health Services include items and services otherwise covered under the Plan when provided by a non-Network provider or facility (regardless of the department of the Hospital in which the items or services are provided) after the patient is stabilized and as part of outpatient observation, or as a part of an Inpatient Stay or outpatient stay that is connected to the original Emergency unless the following conditions are met:
 - a. The attending Emergency Physician or treating provider determines the patient is able to travel using nonmedical transportation or non-Emergency medical transportation to an available Network provider or facility located within a reasonable distance taking into consideration the patient's medical condition.
 - b. The provider furnishing the additional items and services satisfies notice and consent criteria in accordance with applicable law.
 - c. The patient is in such a condition, as determined by the Secretary, to receive information as stated in b) above and to provide informed consent in accordance with applicable law.
 - d. The provider or facility satisfies any additional requirements or prohibitions as may be imposed by state law.
 - e. Any other conditions as specified by the Secretary.

The above conditions do not apply to unforeseen or urgent medical needs that arise at the time the service is provided regardless of whether notice and consent criteria has been satisfied.

Employer - Parkway School District.

EOB - see Explanation of Benefits (EOB).

Experimental or Investigational Services - medical, surgical, diagnostic, psychiatric, mental health, substance-related and addictive disorders or other health care services, technologies, supplies, treatments, procedures, drug therapies, medications or devices that, at the time the Claims Administrator makes a determination regarding coverage in a particular case, are determined to be any of the following:

- Not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not identified in the American Hospital Formulary Service or the United States Pharmacopoeia Dispensing Information as appropriate for the proposed use.
- Subject to review and approval by any institutional review board for the proposed use. (Devices which are FDA approved under the Humanitarian Use Device exemption are not considered to be Experimental or Investigational.)
- The subject of an ongoing Clinical Trial that meets the definition of a Phase I, II or III Clinical Trial set forth in the FDA regulations, regardless of whether the trial is actually subject to FDA oversight.

Exceptions:

- Clinical Trials for which Benefits are available as described under *Clinical Trials* in Section 6, *Additional Coverage Details*.
- If you are not a participant in a qualifying Clinical Trial as described under Section 6, *Additional Coverage Details*, and have a Sickness or condition that is likely to cause death within one year of the request for treatment, the Claims Administrator may, at its discretion, consider an otherwise Experimental or Investigational Service to be a Covered Health Service for that Sickness or condition. Prior to such consideration, the Claims Administrator must determine that, although unproven, the service has significant potential as an effective treatment for that Sickness or condition.

Explanation of Benefits (EOB) - a statement provided by UnitedHealthcare to you, your Physician, or another health care professional that explains:

- The Benefits provided (if any).
- The allowable reimbursement amounts.
- Deductibles.
- Coinsurance.
- Any other reductions taken.
- The net amount paid by the Plan.
- The reason(s) why the service or supply was not covered by the Plan.

Fertility Solutions (FS) – a program administered by UnitedHealthcare or its affiliates made available to you by Parkway School District. The FS program provides:

- Specialized clinical consulting services to Employees and enrolled Dependents to educate on Infertility treatment options.
- Access to specialized Network facilities and Physicians for Infertility services.

Gender Dysphoria - A disorder characterized by the diagnostic criteria classified in the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*.

Gene Therapy - therapeutic delivery of nucleic acid (DNA or RNA) into a patient's cells as a drug to treat a disease.

Genetic Counseling - counseling by a qualified clinician that includes:

- Identifying your potential risks for suspected genetic disorders;
- An individualized discussion about the benefits, risks and limitations of Genetic Testing to help you make informed decisions about Genetic Testing; and
- Interpretation of the Genetic Testing results in order to guide health decisions.

Certified genetic counselors, medical geneticists and physicians with a professional society's certification that they have completed advanced training in genetics are considered qualified clinicians when Covered Health Services for Genetic Testing require Genetic Counseling.

Genetic Testing - exam of blood or other tissue for changes in genes (DNA or RNA) that may indicate an increased risk for developing a specific disease or disorder, or provide information to guide the selection of treatment of certain diseases, including cancer.

Gestational Carrier - a Gestational Carrier is a female who becomes pregnant by having a fertilized egg (embryo) implanted in her uterus for the purpose of carrying the fetus to term for another person. The carrier does not provide the egg and is therefore not biologically (genetically) related to the child.

Health Statement(s) - a single, integrated statement that summarizes EOB information by providing detailed content on account balances and claim activity.

Home Health Agency - a program or organization authorized by law to provide health care services in the home.

Hospital - an institution, operated as required by law, which is:

- Primarily engaged in providing health services, on an inpatient basis, for the acute care and treatment of sick or injured individuals. Care is provided through medical, mental health, substance-related and addictive disorders, diagnostic and surgical facilities, by or under the supervision of a staff of Physicians.
- Has 24-hour nursing services.

A Hospital is not primarily a place for rest, Custodial Care or care of the aged and is not a Skilled Nursing Facility, convalescent home or similar institution.

Iatrogenic Infertility - an impairment of fertility by surgery, radiation, chemotherapy, or other medical treatment affecting reproductive organs or processes.

Independent Freestanding Emergency Department - a health care facility that:

- Is geographically separate and distinct and licensed separately from a Hospital under applicable law; and
- Provides Emergency Health Services.

Infertility - A disease (an interruption, cessation, or disorder of body functions, systems, or organs) of the reproductive tract which prevents the conception of a child or the ability to carry a pregnancy to delivery.

Injury - bodily damage other than Sickness, including all related conditions and recurrent symptoms.

Inpatient Rehabilitation Facility - a long-term acute rehabilitation center, a Hospital (or a special unit of a Hospital designated as an Inpatient Rehabilitation Facility) that provides rehabilitation services (including physical therapy, occupational therapy and/or speech therapy) on an inpatient basis, as authorized by law.

Inpatient Stay - an uninterrupted confinement, following formal admission to a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility.

Intensive Behavioral Therapy (IBT) - outpatient behavioral/educational services that aim to reinforce adaptive behaviors, reduce maladaptive behaviors and improve the mastery of functional age-appropriate skills in people with Autism Spectrum Disorders. Examples include *Applied Behavior Analysis (ABA)*, *The Denver Model*, and *Relationship Development Intervention (RDI)*.

Intensive Outpatient Treatment - a structured outpatient treatment program.

- For Mental Health Services, the program may be freestanding or Hospital-based and provides services for at least three hours per day, two or more days per week.
- For Substance-Related and Addictive Disorders Services, the program provides nine to nineteen hours per week of structured programming for adults and six to nineteen hours for adolescents, consisting primarily of counseling and education about addiction related and mental health problems.

Intermittent Care - skilled nursing care that is provided or needed either:

- Fewer than seven days each week.
- Fewer than eight hours each day for periods of 21 days or less.

Exceptions may be made in special circumstances when the need for additional care is finite and predictable.

Kidney Resource Services (KRS) - a program administered by UnitedHealthcare or its affiliates made available to you by Parkway School District. The KRS program provides:

- Specialized consulting services to Participants and enrolled Dependents with ESRD or chronic kidney disease.
- Access to dialysis centers with expertise in treating kidney disease.
- Guidance for the patient on the prescribed plan of care.

Manipulative Treatment - the therapeutic application of chiropractic and/or manipulative treatment with or without ancillary physiologic treatment and/or rehabilitative methods rendered to restore/improve motion, reduce pain and improve function in the management of an identifiable neuromusculoskeletal condition.

Medicaid - a federal program administered and operated individually by participating state and territorial governments that provides medical benefits to eligible low-income people needing health care. The federal and state governments share the program's costs.

Medically Necessary - health care services that are all of the following as determined by the Claims Administrator or its designee, within the Claims Administrator's sole discretion. The services must be:

- In accordance with Generally Accepted Standards of Medical Practice.
- Clinically appropriate, in terms of type, frequency, extent, service site and duration, and considered effective for your Sickness, Injury, Mental Illness, substance-related and addictive disorders, disease or its symptoms.
- Not mainly for your convenience or that of your doctor or other health care provider.
- Not more costly than an alternative drug, service(s) service site or supply that is at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of your Sickness, Injury, disease or symptoms.

Generally Accepted Standards of Medical Practice are standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, relying primarily on controlled clinical trials, or, if not available, observational studies from more than one institution that suggest a causal relationship between the service or treatment and health outcomes.

If no credible scientific evidence is available, then standards that are based on Physician specialty society recommendations or professional standards of care may be considered. The Claims Administrator reserves the right to consult expert opinion in determining whether health care services are Medically Necessary. The decision to apply Physician specialty society recommendations, the choice of expert and the determination of when to use any such expert opinion, shall be within the Claims Administrator's sole discretion.

The Claims Administrator develops and maintains clinical policies that describe the *Generally Accepted Standards of Medical Practice* scientific evidence, prevailing medical standards and clinical guidelines supporting its determinations regarding specific services. These clinical policies (as developed by the Claims Administrator and revised from time to time), are available to Covered Persons on www.myuhc.com or by calling the number on your ID card, and to Physicians and other health care professionals on www.UHCprovider.com.

Medicare - Parts A, B, C and D of the insurance program established by Title XVIII, United States Social Security Act, as amended by 42 U.S.C. Sections 1394, et seq. and as later amended.

Mental Health Services - services for the diagnosis and treatment of those mental health or psychiatric categories that are listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or the *Diagnostic and Statistical Manual of the American Psychiatric Association*. The fact that a condition is listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment for the condition is a Covered Health Service.

Mental Health/Substance-Related and Addictive Disorders Administrator - the organization or individual designated by Parkway School District who provides or arranges Mental Health and Substance-Related and Addictive Disorders Services under the Plan.

Mental Illness – those mental health or psychiatric diagnostic categories listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association*. The fact that a condition is listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment for the condition is a Covered Health Service.

Neonatal Resource Services (NRS) - a program administered by UnitedHealthcare or its affiliates made available to you by Parkway School District. The NRS program provides guided access to a network of credentialed NICU providers and specialized nurse consulting services to help manage NICU admissions.

Network - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with the Claims Administrator or with its affiliate to participate in the Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services by way of their participation in the Shared Savings Program. The Claims Administrator's affiliates are those entities affiliated with the Claims Administrator through common ownership or control with the Claims Administrator or with the Claims Administrator's ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other

Covered Health Services and products. The participation status of providers will change from time to time.

Network Benefits - for Benefit Plans that have a Network Benefit level, this is the description of how Benefits are paid for Covered Health Services provided by Network providers. Refer to Section 5, *Plan Highlights* to determine whether or not your Benefit plan offers Network Benefits and Section 3, *How the Plan Works*, for details about how Network Benefits apply.

New Pharmaceutical Product - a Pharmaceutical Product or new dosage form of a previously approved Pharmaceutical Product. It applies to the period of time starting on the date the Pharmaceutical Product or new dosage form is approved by the *U.S. Food and Drug Administration (FDA)* and ends on the earlier of the following dates.

- The date it is reviewed.
- December 31st of the following calendar year.

Non-Network Benefits - for Benefit Plans that have a Non-Network Benefit level, this is the description of how Benefits are paid for Covered Health Services provided by non-Network providers. Refer to Section 5, *Plan Highlights* to determine whether or not your Benefit plan offers Non-Network Benefits and Section 3, *How the Plan Works*, for details about how Non-Network Benefits apply.

Open Enrollment - the period of time, determined by Parkway School District, during which eligible Participants may enroll themselves and their Dependents under the Plan. Parkway School District determines the period of time that is the Open Enrollment period.

Out-of-Pocket Maximum - the maximum amount you pay every calendar year. Refer to Section 5, *Plan Highlights* for the Out-of-Pocket Maximum amount. See Section 3, *How the Plan Works* for a description of how the Out-of-Pocket Maximum works.

Partial Hospitalization/Day Treatment/High Intensity Outpatient - a structured ambulatory program that may be a free-standing or Hospital-based program and that provides services for at least 20 hours per week.

Participant - a full-time Participant of the Employer who meets the eligibility requirements specified in the Plan, as described under *Eligibility* in Section 2, *Introduction*. A Participant must live and/or work in the United States.

Personal Health Support – programs provided by the Claims Administrator that focus on prevention, education, and closing the gaps in care designed to encourage an efficient system of care for you and your covered Dependents.

Personal Health Support Nurse – the primary nurse that the Claims Administrator may assign to you if you have a chronic or complex health condition. If a Personal Health Support Nurse is assigned to you, this nurse will call you to assess your progress and provide you with information and education.

Pharmaceutical Product(s) – *U.S. Food and Drug Administration (FDA)*-approved prescription medications or products administered in connection with a Covered Health Service by a Physician.

Physician - any *Doctor of Medicine* or *Doctor of Osteopathy* who is properly licensed and qualified by law.

Please note: Any podiatrist, dentist, psychologist, chiropractor, optometrist or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. The fact that a provider is described as a Physician does not mean that Benefits for services from that provider are available to you under the Plan.

Plan - The Parkway School District Medical Plan.

Plan Administrator - Parkway School District or its designee.

Plan Sponsor - Parkway School District.

Pregnancy - includes all of the following: prenatal care, postnatal care, childbirth, and any complications associated with the above.

Preimplantation Genetic Testing (PGT) - A test performed to analyze the DNA from oocytes or embryos for human leukocyte antigen (HLA) typing or for determining genetic abnormalities. These include:

- PGT-A – for aneuploidy (formerly PGS)
- PGT-M - for monogenic disorder (formerly single-gene PGD).
- PGT-SR - for structural rearrangements (formerly chromosomal PGD).

Presumptive Drug Test - test to determine the presence or absence of drugs or a drug class in which the results are indicated as negative or positive result.

Primary Physician - a Physician who has a majority of his or her practice in general pediatrics, internal medicine, obstetrics/gynecology, family practice or general medicine.

Private Duty Nursing - nursing care that is provided to a patient on a one-to-one basis by licensed nurses in a home setting when any of the following are true:

- Services exceed the scope of Intermittent Care in the home.
- The service is provided to a Covered Person by an independent nurse who is hired directly by the Covered Person or his/her family. This includes nursing services provided on a home-care basis, whether the service is skilled or non-skilled independent nursing.
- Skilled nursing resources are available in the facility.
- The Skilled Care can be provided by a Home Health Agency on a per visit basis for a specific purpose.

Recognized Amount - the amount which Copayment, Coinsurance and applicable deductible, is based on for the below Covered Health Services when provided by non-Network providers.

- Non-Network Emergency Health Services.
- Non-Emergency Covered Health Services received at certain Network facilities by non-Network Physicians, when such services are either Ancillary Services, or non-Ancillary Services that have not satisfied the notice and consent criteria of section 2799B-2(d) of the *Public Health Service Act*. For the purpose of this provision, "certain Network facilities" are limited to a hospital (as defined in 1861(e) of the *Social Security Act*), a hospital outpatient department, a critical access hospital (as defined in 1861(mm)(1) of the *Social Security Act*), an ambulatory surgical center as described in section 1833(i)(1)(A) of the *Social Security Act*, and any other facility specified by the Secretary.

The amount is based on either:

- 1) An *All Payer Model Agreement* if adopted,
- 2) State law, or
- 3) The lesser of the qualifying payment amount as determined under applicable law or the amount billed by the provider or facility.

The Recognized Amount for Air Ambulance services provided by a non-Network provider will be calculated based on the lesser of the qualifying payment amount as determined under applicable law or the amount billed by the Air Ambulance service provider.

Note: Covered Health Services that use the Recognized Amount to determine your cost sharing may be higher or lower than if cost sharing for these Covered Health Services were determined based upon an Eligible Expense.

Reconstructive Procedure - a procedure performed to address a physical impairment where the expected outcome is restored or improved function. The primary purpose of a Reconstructive Procedure is either to treat a medical condition or to improve or restore physiologic function. Reconstructive Procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not changed or improved physical appearance. The fact that a person may suffer psychologically as a result of the impairment does not classify surgery or any other procedure done to relieve the impairment as a Reconstructive Procedure.

Remote Physiologic Monitoring - the automatic collection and electronic transmission of patient physiologic data that are analyzed and used by a licensed Physician or other qualified health care professional to develop and manage a plan of treatment related to a chronic and/or acute health illness or condition. The plan of treatment will provide milestones for which progress will be tracked by one or more Remote Physiologic Monitoring devices. Remote Physiologic Monitoring must be ordered by a licensed Physician or other qualified health professional who has examined the patient and with whom the patient has an established, documented, and ongoing relationship. Remote Physiologic Monitoring may not

be used while the patient is inpatient at a Hospital or other facility. Use of multiple devices must be coordinated by one Physician.

Residential Treatment - treatment in a facility which provides Mental Health Services or Substance-Related and Addictive Disorders Services treatment. The facility meets all of the following requirements:

- It is established and operated in accordance with applicable state law for Residential Treatment programs.
- It provides a program of treatment under the active participation and direction of a Physician.
- It offers organized treatment services that feature a planned and structured regimen of care in a 24-hour setting and provides at least the following basic services;
 - Room and board.
 - Evaluation and diagnosis.
 - Counseling.
 - Referral and orientation to specialized community resources.

A Residential Treatment facility that qualifies as a Hospital is considered a Hospital.

Retired Employee - an Employee who retires while covered under the Plan.

Secretary - as that term is applied in the *No Surprises Act* of the *Consolidated Appropriations Act* (P.L. 116-260).

Semi-private Room - a room with two or more beds. When an Inpatient Stay in a Semi-private Room is a Covered Health Service, the difference in cost between a Semi-private Room and a private room is a benefit only when a private room is necessary in terms of generally accepted medical practice, or when a Semi-private Room is not available.

Shared Savings Program - a program in which UnitedHealthcare may obtain a discount to a non-Network provider's billed charges. This discount is usually based on a schedule previously agreed to by the non-Network provider and a third-party vendor. When this program applies, the non-Network provider's billed charges will be discounted. Plan coinsurance and any applicable deductible would still apply to the reduced charge. Sometimes Plan provisions or administrative practices supersede the scheduled rate, and a different rate is determined by UnitedHealthcare.

This means, when contractually permitted, the Plan may pay the lesser of the Shared Savings Program discount or an amount determined by UnitedHealthcare, such as:

- A percentage of the published rates allowed by the Centers for Medicare and Medicaid Services (CMS) for the same or similar service within the geographic market.
- An amount determined based on available data resources of competitive fees in that geographic area.
- A fee schedule established by a third-party vendor.

- A negotiated rate with the provider.

In this case the non-Network provider may bill you for the difference between the billed amount and the rate determined by UnitedHealthcare. If this happens you should call the number on your ID Card. Shared Savings Program providers are not Network providers and are not credentialed by UnitedHealthcare.

Sickness - physical illness, disease or Pregnancy. The term Sickness as used in this SPD includes Mental Illness or substance-related and addictive disorders, regardless of the cause or origin of the Mental Illness or substance-related and addictive disorder.

Skilled Care - skilled nursing, teaching, and rehabilitation services when:

- They are delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome and provide for the safety of the patient.
- A Physician orders them.
- They are not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- They require clinical training in order to be delivered safely and effectively.
- They are not Custodial Care, as defined in this section.

Skilled Nursing Facility - a nursing facility that is licensed and operated as required by law. A Skilled Nursing Facility that is part of a Hospital is considered a Skilled Nursing Facility for purposes of the Plan.

Specialist Physician - a Physician who has a majority of his or her practice in areas other than general pediatrics, internal medicine, obstetrics/gynecology, family practice or general medicine.

Specialty Pharmaceutical Product - Pharmaceutical Products that are generally high-cost biotechnology drugs used to treat patients with certain illnesses.

Spouse - an individual to whom you are legally married.

Substance-Related and Addictive Disorders Services - services for the diagnosis and treatment of alcoholism and substance-related and addictive disorders that are listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association*. The fact that a disorder is listed in the edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment of the disorder is a Covered Health Service.

Surrogate - a female who becomes pregnant usually by artificial insemination or transfer of a fertilized egg (embryo) for the purpose of carrying the fetus for another person. When the surrogate provides the egg, the surrogate is biologically (genetically) related to the child.

Telehealth/Telemedicine - live, interactive audio with visual transmissions of a Physician-patient encounter from one site to another using telecommunications technology. The site may be a *CMS* defined originating facility or another location such as a Covered Person's home or place of work. Telehealth/Telemedicine does not include virtual care services provided by a Designated Virtual Network Provider.

Therapeutic Donor Insemination (TDI) - Insemination with a donor sperm sample for the purpose of conceiving a child.

Total Disability - a Participant's inability to perform all substantial job duties because of physical or mental impairment, or a Dependent's or retired person's inability to perform the normal activities of a person of like age and gender.

Transitional Living - Mental Health Services and Substance-Related and Addictive Disorders Services that are provided through facilities, group homes and supervised apartments that provide 24-hour supervision, including those defined in *American Society of Addiction Medicine (ASAM)* criteria, that are either:

- Sober living arrangements such as drug-free housing or alcohol/drug halfway houses. These are transitional, supervised living arrangements that provide stable and safe housing, an alcohol/drug-free environment and support for recovery. A sober living arrangement may be utilized as an adjunct to ambulatory treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.
- Supervised living arrangements which are residences such as facilities, group homes and supervised apartments that provide stable and safe housing and the opportunity to learn how to manage activities of daily living. Supervised living arrangements may be utilized as an adjunct to treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.

UnitedHealth Premium® Program - a program that identifies Network Physicians or facilities that have been designated as a UnitedHealth Premium® Program Physician or facility for certain medical conditions.

To be designated as a UnitedHealth Premium® provider, Physicians and facilities must meet program criteria. The fact that a Physician or facility is a Network Physician or facility does not mean that it is a UnitedHealth Premium® Program Physician or facility.

Unproven Services - health services, including medications that are not determined to be effective for treatment of the medical condition or not determined to have a beneficial effect on health outcomes due to insufficient and inadequate clinical evidence from well-conducted randomized controlled trials or cohort studies in the prevailing published peer-reviewed medical literature.

- Well-conducted randomized controlled trials. (Two or more treatments are compared to each other, and the patient is not being allowed to choose which treatment is received.)

- Well-conducted cohort studies from more than one institution. (Patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.)

UnitedHealthcare has a process by which it compiles and reviews clinical evidence with respect to certain health services. From time to time, UnitedHealthcare issues medical and drug policies that describe the clinical evidence available with respect to specific health care services. These medical and drug policies are subject to change without prior notice. You can view these policies at www.myuhc.com.

Please note:

- If you have a life-threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment), UnitedHealthcare may, at its discretion, consider an otherwise Unproven Service to be a Covered Health Service for that Sickness or condition. Prior to such a consideration, UnitedHealthcare must first establish that there is sufficient evidence to conclude that, albeit unproven, the service has significant potential as an effective treatment for that Sickness or condition.

The decision about whether such a service can be deemed a Covered Health Service is solely at UnitedHealthcare's discretion. Other apparently similar promising but unproven services may not qualify.

Urgent Care - care that requires prompt attention to avoid adverse consequences, but does not pose an immediate threat to a person's life. Urgent care is usually delivered in a walk-in setting and without an appointment. Urgent care facilities are a location, distinct from a hospital emergency department, an office or a clinic. The purpose is to diagnose and treat illness or injury for unscheduled, ambulatory patients seeking immediate medical attention.

Urgent Care Center - a facility that provides Covered Health Services that are required to prevent serious deterioration of your health, and that are required as a result of an unforeseen Sickness, Injury, or the onset of acute or severe symptoms.

SECTION 15 - IMPORTANT ADMINISTRATIVE INFORMATION

What this section includes:

- Plan administrative information.

This section includes information on the administration of the medical Plan. While you may not need this information for your day-to-day participation, it is information you may find important.

Additional Plan Description

Claims Administrator: The company which provides certain administrative services for the Plan Benefits described in this Employee Benefit Booklet.

United Healthcare Services, Inc.
9900 Bren Road East
Minnetonka, MN 55343

The Claims Administrator shall not be deemed or construed as an employer for any purpose with respect to the administration or provision of benefits under the Plan Sponsor's Plan. The Claims Administrator shall not be responsible for fulfilling any duties or obligations of an employer with respect to the Plan Sponsor's Plan.

Type of Administration of the Plan: The Plan Sponsor provides certain administrative services in connection with its Plan. The Plan Sponsor may, from time to time in its sole discretion, contract with outside parties to arrange for the provision of other administrative services including arrangement of access to a Network Provider; claims processing services, including coordination of benefits and subrogation; utilization management and complaint resolution assistance. This external administrator is referred to as the Claims Administrator. For Benefits as described in this Employee Benefit Booklet, the Plan Sponsor also has selected a provider network established by UnitedHealthcare Insurance Company. The named fiduciary of Plan is Parkway School District, the Plan Sponsor.

The Plan Sponsor retains all fiduciary responsibilities with respect to the Plan except to the extent the Plan Sponsor has delegated or allocated to other persons or entities one or more fiduciary responsibility with respect to the Plan.

ATTACHMENT I - HEALTH CARE REFORM NOTICES

Patient Protection and Affordable Care Act ("PPACA")

Patient Protection Notices

The Claims Administrator generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in the Claims Administrator's network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the Claims Administrator at the number on the back of your ID card.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the Claims Administrator or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in the Claims Administrator's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the Claims Administrator at the number on the back of your ID card.

ATTACHMENT II - LEGAL NOTICES

Women's Health and Cancer Rights Act of 1998

As required by the *Women's Health and Cancer Rights Act of 1998*, the Plan provides Benefits under the Plan for mastectomy, including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema).

If you are receiving Benefits in connection with a mastectomy, Benefits are also provided for the following Covered Health Services, as you determine appropriate with your attending Physician:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and treatment of physical complications of the mastectomy, including lymphedema.

The amount you must pay for such Covered Health Services (including Copayments and any Annual Deductible) are the same as are required for any other Covered Health Service. Limitations on Benefits are the same as for any other Covered Health Service.

Statement of Rights under the Newborns' and Mothers' Health Protection Act

Under Federal law, group health Plans and health insurance issuers offering group health insurance coverage generally may not restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the Plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under Federal law, plans and issuers may not set the level of Benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under Federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain prior authorization or notify the Claims Administrator. For information on notification or prior authorization, contact your issuer.

ATTACHMENT III - HEALTH SAVINGS ACCOUNT

What this attachment includes:

- About Health Savings Accounts.
- Who is eligible and how to enroll.
- Contributions.
- Additional medical expense coverage available with your Health Savings Account.
- Using the HSA for Non-Qualified Expenses.
- Rolling over funds in your HSA.

Introduction

This attachment to the Employee Benefit Booklet (EBB) describes some key features of the Health Savings Account (HSA) that you could establish to complement the Plan, which is a high deductible medical plan. In particular, and except as otherwise indicated, this attachment will address the Health Savings Account, and not the high deductible health plan that is associated with the "HSA".

Parkway School District has entered into an agreement with United Healthcare Services, Inc., Minnetonka, MN, ("UnitedHealthcare") under which UnitedHealthcare will provide certain administrative services to the Plan.

UnitedHealthcare does not insure the benefits described in this attachment. Further, note that it is the Plan's intention to comply with *Department of Labor* guidance set forth in Field Assistance Bulletin No. 2004-1, which specifies that an HSA is not an ERISA plan if certain requirements are satisfied.

The HSA described in this section is not an arrangement that is established and maintained by Parkway School District. Rather, the HSA is established and maintained by the HSA trustee. However, for administrative convenience, a description of the HSA is provided in this section.

About Health Savings Accounts

You gain choice and control over your health care decisions and expenditures when you establish your HSA to complement the high deductible medical plan described in the SPD.

An HSA is an account funded by you, your employer, or any other person on your behalf. The HSA can help you to cover, on a tax-free basis, medical plan expenses that require you to pay out-of-pocket, such as Deductibles, Copayments or Coinsurance. It may even be used to pay for, among other things, certain medical expenses not covered under the medical plan design. Amounts may be distributed from the HSA to pay non-medical expenses, however, these amounts are subject to income tax and may be subject to 20% penalty.

You have three tools you can use to meet your health care needs:

- A high deductible medical plan which is discussed in your Employee Benefit Booklet.
- An HSA you establish.
- Health information, tools and support.

Benefits available under your medical plan are described in your medical plan Employee Benefit Booklet (EBB).

What is an HSA?

An HSA is a tax-advantaged account Participants can use to pay for qualified health expenses they or their eligible dependents incur, while covered under a high deductible medical plan. HSA contributions:

- Accumulate over time with interest or investment earnings.
- Are portable after employment.
- Can be used to pay for qualified health expenses tax-free or for non-health expenses on a taxable basis.

Who Is Eligible And How To Enroll

Eligibility to participate in the Health Savings Account is described in the SPD for your high deductible medical plan. You must be covered under a high deductible medical plan in order to participate in the HSA. In addition, you:

- Must not be covered by any high deductible medical plan considered non-qualified by the IRS. (This does not include coverage under an ancillary plan such as vision or dental, or any other permitted insurance as defined by the IRS.)
- Must not participate in a full health care Flexible Spending Account (FSA).
- Must not be entitled to Benefits under Medicare (i.e., enrolled in Medicare).
- Must not be claimed as a dependent on another person's tax return.

Contributions

Contributions to your HSA can be made by you, by your employer or by any other individual. All funds placed into your HSA are owned and controlled by you, subject to any reasonable administrative restrictions imposed by the trustee.

Contributions can be made to your HSA beginning on the first day of the month you are enrolled in the Health Savings Account until the earlier of (i) the date on which you file taxes for that year; or (ii) the date on which the contributions reach the contribution maximum.

Note that if coverage under a qualified high deductible health plan terminates, no further contributions may be made to the HSA.

The contribution maximum is the single and family limits set by federal regulations. Individuals between the ages of 55 and Medicare entitlement age may contribute additional funds monthly to their HSA up to the maximum allowed by federal regulations. The maximum limits set by federal regulations may be found on the IRS website at www.irs.gov.

If you enroll in your HSA within the year (not on January 1) you will still be allowed to contribute the maximum amount set by federal regulations. However, you must remain enrolled in a high deductible health plan and HSA until the end of the 12th month from your initial enrollment or you will be subject to tax implications and an additional tax of 10%.

Note: Amounts that exceed the contribution maximum are not tax-deductible and will be subject to an excise tax unless withdrawn as an "excess contribution" prior to April 15th of the following year.

Reimbursable Expenses

The funds in your HSA will be available to help you pay your or your eligible dependents' out-of-pocket costs under the medical plan, including Annual Deductibles, Copayments and Coinsurance. You may also use your HSA funds to pay for medical care that is not covered under the medical plan design but is considered a deductible medical expense for federal income tax purposes under Section 213(d) of the Internal Revenue Code of 1986, as amended from time to time. Such expenses are "qualified health expenses". Please see the description of *Additional Medical Expense Coverage Available With Your Health Savings Account* below, for additional information. HSA funds used for such purposes are not subject to income or excise taxes.

"Qualified health expenses" only include the medical expenses of you and your eligible dependents, meaning your spouse and any other family members whom you are allowed to file as dependents on your federal tax return, as defined in Section 152 of the Internal Revenue Code of 1986, as amended from time to time.

HSA funds may also be used to pay for non-qualified health expenses but will generally be subject to income tax and a 20% additional tax unless an exception applies (i.e., your death, your disability, or your attainment of age 65).

Additional Medical Expense Coverage Available with Your Health Savings Account

A complete description of, and a definitive and current list of what constitutes eligible medical expenses, is available in IRS Publication 502 which is available from any regional IRS office or IRS website.

If you receive any additional medical services and you have funds in your HSA, you may use the funds in your HSA to pay for the medical expenses. If you choose not to use your HSA funds to pay for any Section 213(d) expenses that are not Covered Health Services, you will still be required to pay the provider for services.

The monies paid for these additional medical expenses will not count toward your Annual Deductible or Out-of-Pocket Maximum.

Using the HSA for Non-Qualified Expenses

You have the option of using funds in your HSA to pay for non-qualified health expenses. A non-qualified health expense is generally one which is not a deductible medical expense under Section 213(d) of the Internal Revenue Code of 1986. Any funds used from your HSA to pay for non-qualified expenses will be subject to income tax and a 20% additional tax unless an exception applies (i.e., your death, your disability, or your attainment of age 65).

In general, you may not use your HSA to pay for other health insurance without incurring a tax. You may use your HSA to pay for COBRA premiums and Medicare premiums.

Rollover Feature

If you do not use all of the funds in your HSA during the calendar year, the balance remaining in your HSA will roll-over. If your employment terminates for any reason, the funds in your HSA will continue to be owned and controlled by you, whether or not you elect COBRA coverage for the accompanying high deductible health plan, as described in your medical plan SPD.

If you choose to transfer the HSA funds from one account to another eligible account, you must do so within 60 days from the date that HSA funds are distributed to you to avoid paying taxes on the funds. If you elect COBRA, the HSA funds will be available to assist you in paying your out-of-pocket costs under the medical plan and COBRA premiums while COBRA coverage is in effect.

Important

Be sure to keep your receipts and medical records. If these records verify that you paid qualified health expenses using your HSA, you can deduct these expenses from your taxable income when filing your tax return. However, if you cannot demonstrate that you used your HSA to pay qualified health expenses, you may need to report the distribution as taxable income on your tax return. Parkway School District and UnitedHealthcare will not verify that distributions from your HSA are for qualified health expenses. Consult your tax advisor to determine how your HSA affects your unique tax situation.

The IRS may request receipts during a tax audit. Parkway School District and the Claims Administrator are not responsible or liable for the misuse by Participants of HSA funds by, or for the use by Participants of HSA funds for non-qualified health expenses.

Additional Information About the HSA

It is important for you to know the amount in your HSA account prior to withdrawing funds. You should not withdraw funds that will exceed the available balance.

Upon request from a health care professional, UnitedHealthcare and/or the financial institution holding your HSA funds may provide the health care professional with information regarding the balance in your HSA. At no time will UnitedHealthcare provide the actual dollar amount in your HSA, but they may confirm that there are funds sufficient to cover an obligation owed by you to that health care professional. If you do not want this information disclosed, you must notify the Claims Administrator and the financial institution in writing.

You can obtain additional information on your HSA online at www.irs.gov. You may also contact your tax advisor. Please note that additional rules may apply to a Dependent's intent to opening an HSA.

ADDENDUM – REAL APPEAL

This Addendum to the Plan provides Benefits for virtual obesity counseling services for eligible Covered Persons through Real Appeal. There are no deductibles, Copayments or Coinsurance you must meet or pay for when receiving these services.

Real Appeal

The Plan provides a virtual lifestyle intervention for weight-related conditions to eligible Covered Persons 18 years of age or older. Real Appeal is designed to help those at risk from obesity-related diseases.

This intensive, multi-component behavioral intervention provides 52 weeks of support. This support includes one-on-one coaching with a live virtual coach and online group participation with supporting video content. The experience will be personalized for each individual through an introductory online session.

These Covered Health Services will be individualized and may include, but is not limited to, the following:

- Virtual support and self-help tools: Personal one-on-one coaching, group support sessions, educational videos, tailored kits, integrated web platform and mobile applications.
- Education and training materials focused on goal setting, problem-solving skills, barriers and strategies to maintain changes.
- Behavioral change counseling by a specially trained coach for clinical weight loss.

If you would like information regarding these Covered Health Services, you may contact the Claims Administrator through **www.realappeal.com**, or at the number shown on your ID card.

Addendum: Prescription Drug Benefits

Administered by Express Scripts

Note: UHC (the claims administrator) does not administer the benefits or services described within this provision. Please contact the benefit manager of Your Employer with any questions related to this coverage or service.

Note: The Medicare Prescription Drug Improvement and Modernization Act of 2003 provides all Medicare-eligible individuals the opportunity to obtain Prescription Drug coverage through Medicare. A Medicare-eligible individual generally must pay an additional monthly premium for this coverage. In addition, electing Medicare part D may affect Your ability to obtain Prescription coverage under this Plan. Individuals may be able to postpone enrollment in the Medicare Prescription Drug coverage if their current drug coverage is at least as good as Medicare Prescription Drug coverage. If individuals decline Medicare Prescription Drug coverage and do not have coverage at least as good as Medicare Prescription Drug coverage, they may have to pay additional monthly penalties if they change their minds and sign up later. Medicare-eligible individuals should have received notices informing them of whether or not their current Prescription Drug coverage provides benefits that are at least as good as benefits provided by the Medicare Prescription Drug coverage and explaining whether or not election of Medicare Part D will affect coverage available under this Plan. For a copy of this notice, please contact the Plan Administrator.

Covered Drugs

Your Prescription Drug benefit provides coverage for most commonly used drugs that are Federal Legend Drugs. Federal Legend Drugs are drugs that require a label stating, "Caution: Federal law prohibits dispensing without a Prescription." Your pharmacist or the prescribing Physician can verify coverage for a drug by contacting the Pharmacy Benefit Manager (PBM) at the number on Your Prescription ID card. A complete list of covered and excluded drugs may be available on the Pharmacy Benefit Manager's website. If You are unable to access the website, Your employer will provide a copy upon request at no charge.

How to Use the Prescription Drug Card

Present Your ID card and the Prescription to a Participating Pharmacy. Then sign the pharmacist's voucher and pay the pharmacist the appropriate Co-pay amount, if applicable.

If You are without Your prescription ID card or if You are at a non-Participating Pharmacy, You may be required to pay for the Prescription and submit a claim to the PBM. Please contact the PBM or Your employer for information on how to submit a claim.

Home Delivery Drug Service

If you are using an ongoing Prescription drug, You may purchase that drug on a home delivery basis. Most drugs covered by the PBM may be purchased through the home delivery service. The home delivery drug service is most often used to purchase drugs that treat an ongoing medical condition and are taken on a regular basis.

There may be a Co-pay for home delivery Prescriptions.

Home delivery Prescriptions should be sent to the PGM. Order forms may be available on the PBM's website or from Your employer. All Prescriptions will be mailed directly to your home.

A directory of participating Pharmacies is available on the PBM's website. You will also be automatically provided a copy of the pharmacy directory at no charge. The pharmacy directory is a document that is separate from this SPD. The directory contains the names, addresses, and phone numbers of the pharmacies that are part of the PBM's program.

Prescription Plan Definitions

Accredo: An Express Scripts specialty pharmacy.

Acute medication: Drugs taken for a limited time to treat temporary medical conditions or illnesses, such as antibiotics for infections.

Appeal: A review of an initial or first-level appeal denial, along with any additional information provided or available, to determine if the member's use of the drug meets the Plan's intent for coverage. Appeals are related to coverage denials; they are not related to procedures addressing member complaints or grievances. Express Scripts completes appeals according to business policies that are aligned with state and federal regulations.

Appeals process: A specific process that a member needs to follow when making an appeal request. Depending on the appeal type, decisions are made by an Express Scripts pharmacist, physician, panel of clinicians, trained prior authorization staff or an independent third-party utilization management company. Members are notified of the decision and of any rights to appeal an adverse benefit decision. For ERISA plans: Under Section 502(a) of ERISA, members have the right to bring a civil action if their final appeal is denied.

Benefit exclusion: Also referred to as "not covered," this includes a drug or drug class that is not included in the member's benefit and means there are no alternatives to try or exceptions to coverage.

Biosimilar: A biopharmaceutical drug designed to have active properties similar to one that has previously been licensed.

Brand: A drug protected by a patent, which prohibits other companies from manufacturing the drug while the patent is in effect, issued to the original innovator or marketer and manufactured by a single source. The name is unique and usually does not describe the chemical makeup (for example, Tylenol®).

Compound: A medicine that is made of two or more ingredients that are weighed, measured, prepared or mixed according to a prescription order.

Copay/coinsurance: The cost of a covered drug paid by the member at the time the prescription is filled and after the deductible is met (if applicable) per individuals or families.

Coverage review: Also known as the initial review or initial determination, this process is followed when a member requests coverage for a drug, or requests coverage for a drug at a higher benefit. It's the first review of drug coverage based on the Plan's conditions of coverage. The initial review decision is based on the information provided by the prescriber (clinical) or the patient (administrative) and the criteria in place. If the initial review is denied, then the patient/representative may appeal the decision.

Excluded: Drugs that are not covered and will not be reimbursed by the Plan's pharmacy benefit.

Formulary: A preferred list of drug products that typically limits the number of drugs available within a therapeutic class for purposes of drug purchasing, dispensing and/or reimbursement. Products are selected on the basis of safety, efficacy and cost.

Formulary exclusions: Certain drugs are excluded from the formulary. Clinically effective alternatives are available for all excluded products.

Formulary exclusion exception review: The prescriber may request an exception to the formulary exclusion. Express Scripts contacts the prescriber for information to determine if the conditions of coverage are met for an exception to the formulary exclusion. If the formulary exception is denied, the patient or their representative may appeal the decision.

Generic: A drug that has the same active ingredients in the same dosage form and strength as its brand-name counterpart. The color and shape may differ between the generic and brand-name drug; however, the active ingredients must be the same for both. The U.S. Food and Drug Administration (FDA) approves both brand-name and generic drugs and requires generics to have the same active ingredients and be absorbed in the body the same way as brand-name drugs. These requirements assure that generic drugs are as safe and effective as brand-name drugs. Generic drugs often cost less than brand-name drugs. A generic drug can be produced once the manufacturer of the brand-name drug is required to allow other manufacturers to produce the drug.

Home delivery: A distribution channel in which the member receives a prescription drug through the mail from the Express Scripts PharmacySM.

Maintenance medication: Drugs taken over an extended period of time for a long-term condition, such as high blood pressure, depression or asthma. These drugs are typically filled through the home delivery pharmacy for a 90 days' supply to provide members with lower costs and more convenience.

Network pharmacy: A pharmacy (also called a retail network pharmacy) that participates in the Plan's network. In most cases, members need to use a network pharmacy to pay the amounts specified by the Plan.

Non-network pharmacy: A pharmacy not associated with the retail network. Benefits will not be covered at the same rate as a network pharmacy and members will have to pay the full cost of the medication at non-network pharmacies.

Not covered: Also known as "benefit exclusion," this includes a drug or drug class that is not included in the member's benefit, which means there are no alternatives to try or exceptions to coverage.

Over the counter (OTC): A drug that is available without a prescription from a doctor.

Specialist pharmacist: An Express Scripts pharmacist who receives extra training in medicines used to treat specific long-term and complex conditions. These pharmacists use nationally accepted, evidence-based procedures and work with physicians to identify gaps in care across different providers. Specialist pharmacists personally counsel patients to help them understand and follow through on their treatments.

Specialty drug: A high-cost drug, including infused or injectable medicines, that usually require close monitoring and special storage. Specialty drugs are generally prescribed to people with an ongoing or complex medical condition.

Prescription plan FAQs

What is covered?

The Plan's prescription benefit covers a wide variety of prescription drugs, including generic drugs and brand-name drugs. The Plan also maintains a formulary, which is a list of preferred drugs that members can obtain for lower copays and to help save them money.

An expert panel of physicians and pharmacists carefully reviews the drugs on the formulary for safety, quality, effectiveness and cost. The formulary and conditions of drug coverage under the Plan is subject to change. To find out whether a particular medicine is included on the formulary or covered under the Plan, and what conditions of coverage (if any) may apply, go to [express-scripts.com](https://www.express-scripts.com) or call Express Scripts Member Services. A pharmacist can also check whether a medication is on the formulary or covered at any time.

What is not covered?

Some drugs are not covered, or excluded, from the prescription drug benefit, which means there are no alternatives to try or exceptions to coverage. The following list of benefit exclusions outlines general categories of items not covered under the Plan. Other drugs may be excluded from the formulary, as noted elsewhere in the Summary Plan Description. To check whether a medication is excluded, go to [express-scripts.com](https://www.express-scripts.com) or call Express Scripts Member Services.

To see if a drug is covered on the formulary,

go to [express-scripts.com](https://www.express-scripts.com) or call Express Scripts Client Service Center 1-888-848-4452.

What is the difference between generic and brand-name drugs?

Generic drugs have the same active ingredients in the same dosage form and strength as their brand-name counterparts. The color and shape may differ between the generic and the brand drug; however, the active ingredients must be the same for both. The U.S. Food and Drug Administration (FDA) approves both brand and generic drugs and requires generics to have the same active ingredients and be absorbed in the body the same way as brand-name drugs. These requirements assure that generic drugs are as safe and effective as brand

drugs. The formulary (the list of preferred drugs) chosen by the Plan contains only FDA-approved generic medications.

Preferred brand drugs, also known as formulary drugs, are medications that have been reviewed and approved by a group of physicians and pharmacists, and have been added to the Express Scripts formulary selected by the Plan based on their proven clinical and cost effectiveness.

Non preferred brand drugs, or non-formulary drugs, are medications that the same team of physicians and pharmacists have not approved for the Express Scripts formulary selected by the Plan. This happens when the team determines that a clinically equivalent and more cost-effective alternative generic or preferred brand drug is available.

The formulary changes from time to time as new clinical information becomes available. To determine the status of any particular drug on the Plan's formulary, log onto [express-scripts.com](https://www.express-scripts.com) or contact Express Scripts Member Services. A medication's inclusion on the formulary is no guarantee of effectiveness. Similarly, if a medication is not on the formulary, it does not mean it is not effective, but rather that a clinically equivalent and more cost-effective alternative is available and on the formulary.

How are claims paid?

Generally, members do not need to submit claims under the prescription plan. A member pays the copay, coinsurance or other amount required by the Plan when filling a prescription. However, if a member needs to submit a paper claim for reimbursement for payment of the cost of a covered drug (for example, if the pharmacy's computer system was not working or the card was left at home), the member download a claim form from the website or call Express Scripts Member Services.

When should a retail pharmacy be used?

The retail pharmacy is the most convenient option when a medication is needed immediately, such as an antibiotic for a short-term illness or infection. Members simply present their ID card to the pharmacist, along with the doctor's written prescription if it has not been sent electronically, to receive a 30-day supply of the medicine.

Express Scripts's retail pharmacy network includes more than 70,000 participating pharmacies, including national chains as well as independent retailers. “

Some plans may not cover a medication filled at a neighborhood pharmacy because it is not “in network,” but the medication will be covered at a large retail pharmacy chain or grocery store if those pharmacies are “in network.” To find a participating retail pharmacy, members can visit [express-scripts.com](https://www.express-scripts.com) and use the Pharmacy Locator to find a list of pharmacies close to where they live or work. Members can also download

the Express Scripts mobile app to find a pharmacy when they're on the go. To download the mobile app for free, search for "Express Scripts" in smartphone app stores. If members do not have computer access, they can call Express Scripts Member Services.

Prescriptions filled at a nonparticipating retail pharmacy are not covered under the Plan, which means if members fill prescriptions there, they pay the full retail price (or 100% of the cost) of the drug and the amount paid does not count against the Plan's deductible or out-of-pocket maximums.

When should the home delivery pharmacy be used?

Express Scripts offers home delivery, or a mail pharmacy service, for prescriptions taken on a regular basis for long-term conditions, such as asthma, depression or high blood pressure. With home delivery, members can receive up to a 90-day supply of medicine from the Express Scripts PharmacySM, often for a lower cost than they would pay at a retail pharmacy.

Home delivery advantages

- Fewer refills and fewer trips to the pharmacy
- Free standard shipping costs included as part of the Plan
- Medicine is delivered in tamper-proof, weather-resistant packages
- Drugs that require refrigeration are shipped in cold packs
- Pill bottles have child-resistant safety caps, but easy-open caps may be requested when the order is placed

How to get started with home delivery?

Express Scripts offers members a variety of convenient ways to submit new prescription orders.

- **New prescriptions** may be submitted directly from the doctor's office or through the mail.
- **Refills** can be ordered electronically using the Express Scripts mobile app or website, through the mail or by phone.

Pharmacy Program Descriptions

Drug Quantity Management (DQM) makes sure that members are getting the right amount of medication and that it is prescribed in the most efficient way. For example, the doctor may say, "take two 20mg pills each morning." If that medication is also available in 40mg pills, Express Scripts will contact the doctor about prescribing one 40mg pill a day instead of two 20mg pills. In addition, if the doctor writes the original prescription for 30 pills (a 15-day supply), the new prescription for 30 pills will last a full month – and the members will have just one copayment, not two.

DQM also makes sure that a member's prescriptions do not exceed the amount of medication that the Plan covers. If the prescription is for too large a quantity, the pharmacist can fill the prescription for the amount that the Plan covers or contact the doctor to discuss other options, such as increasing the strength or getting a prior authorization for the quantity originally prescribed.

Formulary Overview: Clinically sound, cost-effective Express Scripts formulary options help decrease prescription drug expenses when combined with a well-designed benefit plan. To ensure the clinical appropriateness of their formularies, Express Scripts physicians and pharmacists carefully evaluate

pharmaceuticals and prepare recommendations for the National Pharmacy & Therapeutics (P&T) Committee, which reviews and approves Express Scripts formularies.

Prior Authorization monitors both cost and safety. If a pharmacist tells a member that a prescription requires prior authorization, Express Scripts will need to communicate with the doctor to be sure that the medicine is right and will verify that the Plan covers the drug. This is similar to when a healthcare plan authorizes a medical procedure in advance.

When a prescription requires prior authorization, the doctor can call Express Scripts or prescribe a different medicine that is covered by the Plan. Only doctors can give Express Scripts the information needed to determine if the drug may be covered. Express Scripts answers its prior authorization phone lines 24/7, and a determination can be made right away. If the medicine is covered, the member will pay the normal copay. If the medication is not covered but the member wants to take it, the member will pay the full price of the medicine.

Step Therapy is a program for people who take prescription medicine regularly to treat a long-term condition, such as arthritis, asthma or high blood pressure. It lets members get the treatment they need affordably. First-line medicines are the first step.

- First-line medicines are generic and lower-cost brand-name medicines approved by the U.S. Food & Drug Administration (FDA). They are proven to be safe, effective and affordable. Step therapy suggests that a patient try these medicines first because, in most cases, they provide the same health benefit as more expensive drugs, but at a lower cost.
- Second-line drugs are the second and third steps. Second-line drugs typically are brand-name drugs. They are best suited for the few patients who do not respond to first-line medicines. Second-line drugs are the most expensive options.

The first time a member tries to fill a prescription that is not for a first-line medicine, the pharmacist should explain that step therapy asks the member to try a first-line medicine before a second-line drug. Only the doctor can change the current prescription to a first-line medicine covered by the Plan.

To get a first-line medicine that the Plan covers, a member should ask the pharmacist to call the doctor and ask for a new prescription. If it is easier, the member can also call the doctor to ask for a new prescription. Also, the pharmacist should explain to the member that there's an option to choose a second-line alternative to the first-line

medicine. However, because the Plan will not cover second-line drugs until after the member and the doctor have considered a first-line medicine to treat the condition, the member will pay full price for that second-line drug * Out-of-pocket limits protect you in case you or a family member has a condition that requires prescriptions that would be very expensive. The limit is the most you would ever pay out of your pocket for prescription drug expenses. Once your payments reach the limit, the plan pays 100% of your prescription drug expenses for the rest of the year.

SaveonSP Copay Offset Program

Through Accredo, we are able to support more than one-third of our patients in receiving financial assistance from manufacturers and foundations for specialty medications. Our relationship with SaveOnSP, a third party vendor, actualizes plan and member savings by maximizing copay assistance from manufacturers.

The SaveOnSP program leverages the Affordable Care Act state benchmark requirements to reclassify certain specialty medications under the category of non-essential health benefits. This SaveonSP targets over 300 drugs in more than 20 specialty categories, including:

- Oncology
- Inflammatory conditions
- Multiple sclerosis
- Blood cell deficiency
- Hepatitis C
- Hereditary angioedema
- Pulmonary arterial hypertension
- Cystic Fibrosis
- Hemophilia
- Asthma & Allergy

Within the SaveOnSP program, certain specialty products will be reclassified as non-essential health benefits, removing them from member accumulators. The member copay will be inflated to match the amount of manufacturer funding available through the copay assistance program, bringing the member's final responsibility to \$0, and resulting in \$0 applied to member deductible and out of pocket totals.

Express Scripts Reviews and Appeals Overview

Purpose

The purpose of this document is to outline the Express Scripts Reviews and Appeals procedures for Commercial clients.

Coverage review description

A member has the right to request that a medication be covered or be covered at a higher benefit (e.g. lower copay, higher quantity, etc). The first request for coverage is called an initial coverage review. Express Scripts reviews both clinical and administrative coverage review requests:

Clinical coverage review request: A request for coverage of a medication that is based on clinical conditions of coverage that are set by the Plan. For example, medications that require a prior authorization.

Administrative coverage review request:

Plan's benefit design.

A request for coverage of a medication that is based on the

How to request an initial coverage review

To request an initial clinical coverage review, also called prior authorization, the prescriber submits the request electronically. Information about electronic options can be found at www.express-scripts.com/PA.

To request an initial administrative coverage review, the member or his or her representative must submit the request in writing. A Benefit Coverage Request Form, used to submit the request, is obtained by calling the Customer Service phone number on the back of your prescription card. Complete the form and mail or fax it to Express Scripts

Attn: Benefit Coverage Review Department
PO Box 66587 St Louis, MO 63166-6587. Fax 877 328-9660.

If the patient's situation meets the definition of urgent under the law, an urgent review may be requested and will be conducted as soon as possible, but no later than 72 hours from receipt of request. In general, an urgent situation is one which, in the opinion of the patient's provider, the patient's health may be in serious jeopardy or the patient may experience severe pain that cannot be adequately managed without the medication while the patient waits for a decision on the review. If the patient or provider believes the patient's situation is urgent, the expedited review must be requested by the provider by phone at 1 800-753-2851

How a coverage review is processed

In order to make an initial determination for a clinical coverage review request, the prescriber must submit specific information to Express Scripts for review. For an administrative coverage review request, the member must submit information to Express Scripts to support their request. The initial determination and notification to patient and prescriber will be made within the specified timeframes as follows:

Type of claim	Decision Timeframe Decisions are completed as soon as possible from	Notification of Decision	
		Approval	Denial
Standard Pre-Service*	15 days (Retail) 5 days (home delivery)	<u>Patient:</u> automated call (letter if call not successful)	<u>Patient:</u> letter
Standard Post-Service*	30 days	<u>Prescriber:</u> Electronic or	<u>Prescriber:</u> Electronic or Fax (letter if
Urgent	72 hours**	<u>Patient:</u> automated call and letter <u>Prescriber:</u> Electronic or	<u>Patient:</u> live call and letter <u>Prescriber:</u> Electronic or Fax (letter if

*If the necessary information needed to make a determination is not received from the prescriber within the decision timeframe, a letter will be sent to the patient and prescriber informing them that the information must be received within 45 days or the claim will be denied.

**Assumes all information necessary is provided. If necessary information is not provided within 24 hours of receipt, a 48 hour extension will be granted.

How to request a level 1 appeal or urgent appeal after an initial coverage review has been denied

When an initial coverage review has been denied (adverse benefit determination), a request for appeal may be submitted by the member or authorized representative within 180 days from receipt of notice of the initial adverse benefit determination. To initiate an appeal, the following information must be submitted by mail or fax to the appropriate department for clinical or administrative review requests

•

Name of patient	<p>Phone number</p> <p>The drug name for which benefit coverage has been denied</p> <p>Brief description of why the claimant disagrees with the initial adverse benefit determination</p> <p>Any additional information that may be relevant to the appeal, including prescriber statements/letters, bills or any other documents</p>
Member ID	

Clinical appeal requests: Express Scripts Attn: Clinical Appeals Department, PO Box 66588, St Louis, MO 63166-6588. Fax 1 877- 852-4070

Administrative appeal requests: Express Scripts Attn: Administrative Appeals Department, PO Box 66587 St Louis, MO 63166-6587. Fax 1 877- 328-9660

If the patient's situation meets the definition of urgent under the law, an urgent appeal may be requested and will be conducted as soon as possible, but no later than 72 hours from receipt of request. In general, an urgent situation is one which, in the opinion of the patient's provider, the patient's health may be in serious jeopardy or the patient may experience severe pain that cannot be adequately managed without the medication while the patient waits for a decision on the review. If the patient or provider believes the patient's situation is urgent, the expedited review must be requested by phone or fax:

Clinical appeal requests: phone 1 800-753-2851 fax 1 877- 852-4070

Administrative appeal requests: phone 1 800-946-3979 fax 1 877- 328-9660

Urgent claims and appeals submitted by mail will not be considered for urgent processing unless a subsequent phone call or fax identifies the appeal as urgent.

How a level 1 appeal or urgent appeal is processed

Express Scripts completes appeals per business policies that are aligned with state and federal regulations. Depending on the type of appeal, appeal decisions are made by a Pharmacist, Physician, trained prior authorization staff member, or independent third party utilization management company.

Appeal decisions and notifications are made as follows:

Type of Appeal	Decision Timeframe Decisions are completed as soon as possible from	Notification of Decision	
		Approval	Denial
Standard Pre-Service	15 days	<u>Patient:</u> automated call (letter if successful)	<u>Patient:</u> letter
Standard Post-Service	30 days	<u>Prescriber:</u> Electronic or Fax (letter if fax not	<u>Prescriber:</u> Electronic or Fax (letter if fax not
Urgent	72 hours	<u>Patient:</u> automated call and letter <u>Prescriber:</u> Electronic or	<u>Patient:</u> live call and letter <u>Prescriber:</u> Electronic or Fax (letter if fax not

The decision made on an urgent appeal is final and binding. In the urgent care situation, there is only one level of appeal prior to an external review.

How to request a level 2 appeal after a level 1 appeal has been denied

When a level 1 appeal has been denied (adverse benefit determination), a request for a level 2 appeal may be submitted by the member or authorized representative within 90 days from receipt of notice of the level 1 appeal adverse benefit determination. To initiate a level 2 appeal, the following information must be submitted by mail or fax to the appropriate department for clinical or administrative review requests:

- Name of patient
- Member ID
- Phone number
- The drug name for which benefit coverage has been denied
- Brief description of why the claimant disagrees with the adverse benefit determination
- Any additional information that may be relevant to the appeal, including prescriber statements/letters, bills or any other documents

Clinical appeal requests: Express Scripts Attn: Clinical Appeals Department, PO Box 66588, St Louis, MO 63166-6588. Fax 1 877- 852-4070

Administrative appeal requests: Express Scripts Attn: Administrative Appeals Department, PO Box 66587, St Louis, MO 63166-6587 Fax 1 877-328-9660

If the patient's situation meets the definition of urgent under the law, an urgent appeal may be requested and will be conducted as soon as possible, but no later than 72 hours from receipt of request. In general, an urgent situation is one which, in the opinion of the patient's provider, the patient's health may be in serious jeopardy or the patient may experience severe pain that cannot be adequately managed without the medication while the patient waits for a decision on the review. If

the patient or provider believes the patient's situation is urgent, the expedited review must be requested by phone or fax:

Clinical appeal requests: phone 1 800-753-2851 fax 1 877- 852-4070

Administrative appeal requests: phone 1 800-946-3979 fax 1 877- 328-9660

Urgent claims and appeals submitted by mail will not be considered for urgent processing unless a subsequent phone call or fax identifies the appeal as urgent.

How a level 2 appeal is processed

Express Scripts completes appeals per business policies that are aligned with state and federal regulations. Appeal decisions are made by a Pharmacist, Physician, or independent third party utilization management company.
