The background of the slide features a rocket launching from the Earth's surface, with a large plume of white smoke and fire. The rocket is positioned centrally, ascending towards the top of the frame. The Earth's horizon is visible in the background, with a bright sun or moon creating a lens flare effect. In the foreground, the fronds of palm trees are visible, framing the top and sides of the image. A dark, semi-transparent rectangular box is overlaid on the center of the image, containing the text.

# 1. Welcome & Introduction

The background of the slide is a composite image. It features a rocket launch with a large plume of white smoke and fire at the bottom. In the center, a rocket is seen ascending against a blue sky. The top half of the image is a dark, curved horizon, possibly representing Earth from space, with a bright light source behind it. Green palm fronds are visible in the top left and top right corners, framing the central image.

## 6. Breakfast & Bell Schedule

# Breakfast in the Cafeteria

For the 2025-2026 School Year, we **continue breakfast in the cafeteria** & not the classroom for most of the school. **SDC will do meals in room or cafeteria as able.**

- 8:10 - 8:28 breakfast in the cafeteria
- Reduces pests and waste in the classroom
- Provides custodian single location for breakfast trash
- Reduces demand on teachers to serve and clean breakfast
- Increases instructional focused time
- Students get retrieve meals if late to school and service still open, but a second breakfast no longer offered
