

# Art Enrichment

## AFTER SCHOOL ART CLASSES

### OAK HILLS ELEMENTARY

Most elementary students only get to do art a few times a year but we believe kids need more chances to create, explore, and build confidence through art.

In each session, students in grades K–5 dive into the elements of art: line, shape, form, color, value, texture and perspective. They'll also learn about influential artists and art movements, both past and present.

### FALL SESSION
