Financial Standard

Operational Standard

The Charter School Performance Framework report is an overall district-level report that is designed to provide parents, the public, charter operators, and the authorizer with information about each charter school's performance. The CSPF includes three standards, that measure the academic, financial, and operational performance of a charter school. The 2022 Charter School Performance Manual describes the 2022 indicators, ratings, performance expectations, data sources, and other helpful information.
