THE IMPORTANCE OF ATTENDING SCHOOL REGULARLY

EVERY DAY COUNTS!

SCHOOL SUCCESS STARTS WITH ATTENDANCE.

 Students who attend school regularly have been shown to achieve higher levels than students who do not have regular attendance.

WHY ATTENDANCE MATTERS

- Excused or unexcused **absences represent lost time** in the classroom and **lost opportunities to learn**.
- Missing just **1 day every 2 weeks** can add up to **18 days in a year**.
- Students who are **absent** an average **15 days per year** miss a **year's worth of school** before their senior year.
- When students **miss a day of school**, it puts them **2 days behind** their classmates.
- Students with good attendance **enjoy school more**.

ATTENDANCE GUIDELINES

- Official attendance times are **10:00 AM for Elementary** and **10:30 AM for Secondary**
- Appointments should be scheduled **after the attendance time**, not before.
- Submit your doctor's excuse note **upon your child's return to school**.
- If the student is **out the entire day**, they are **absent**.
- If there are barriers keeping your student from school, **reach out to your campus**.

ATTENDANCE MATTERS!

Children benefit and make the most of their educational opportunities if they attend school regularly and on time.
