We want all students to “own their future.” As part of our college and career campaign, all classrooms have adopted a different college, we highlight a college fun fact each week, and celebrate college spirit days every Thursday. This year we are excited to plan a field trip where all of our 5th graders will be visiting a college campus and EVERY student will have a chance to earn our very first Nelson college t-shirt!

EQUITY AND ACCESS COMMUNITY SCHOOLS FEED THE CHILDREN

August 21, 2025

Our communities are facing challenging times, and in an ongoing effort to support our students and families, Equity and Access, in partnership with the seventeen Community School Site Specialists, will be distributing boxes of food, hygiene products, and detergent to our most vulnerable families. These essential items have been generously donated by Feed the Children. This initiative reflects our continued commitment to addressing the basic needs of our students and ensuring that no student is left without support.

THANK YOU
