"I can be myself at Rishworth."

Welcome

Welcome to Rishworth School

We are delighted to welcome you to Rishworth, a school where academic ambition, personal growth, and community spirit are at the heart of everything we do. With a rich history dating back to 1724, we continue to offer a forward-thinking education that nurtures individuality, confidence, and curiosity.

Whether you are joining us in Year 8 or 9, you will be supported by dedicated staff, benefit from innovative teaching, and enjoy a wide range of enrichment and extension activities, from performing arts or elite sport or extension activities such as the Bronze, Silver and Gold Duke of Edinburgh Awards or the Extended Project Qualification

We look forward to getting to know you and your family as you begin or continue your journey with us. At Rishworth, every student is valued, every achievement celebrated, and every day offers the chance to grow.

Mrs Jessica Sheldrick
Head of Rishworth School

"Mrs Sheldrick is supportive and caring."

Being a Year 10 and 11

My favourite part of Year 10 was doing work experience, which gave me a glimpse into a professional environment and helped me learn new things.

The staff were really supportive leading up to the GCSEs, focusing lessons on areas we felt less confident in, which really helped during my exams.

I really enjoyed the opportunity to step up as a Prefect in Year 11. The application process was exciting, and the teachers were incredibly supportive throughout.

We have small class sizes so we learn better and get more help from our teacher.

"The staff support me and help me reach my goals."

Teacher

We operate a two week timetable, so lessons in a blue week are different to a red week.

"Older students are really helpful and look after me."

Help & Support

Pastoral

We pride ourselves on excellent standards of pastoral care and this is reflected in our ISI inspection report. The welfare of our students is paramount and our staff are committed to guiding and supporting our students in the School's values and vision.

Each form tutor is responsible for the pastoral welfare of their form group and is the main point of contact for students, parents and guardians. Form time occurs first thing in the morning and immediately after lunch and this allows students to build positive relationships with their peers, and our small class sizes enable form tutors and other staff to really get to know the students.

Medical

The Matronic staff can be found in the Medical Centre. The Medical Centre is open and first aid-trained staff are on call 24 hours a day. If you become unwell during the day, you must report to the Medical Centre. If you need to be sent home, Matron will contact your parents or guardians. It is important that you do not sign out of school if you feel unwell without seeing Matron first.

Academic and Learning Support

The Hub - A designated area with a team of staff available throughout the day for students to receive extra learning support.

Learning Support Sessions - These session run everyday after school as part of the EE timetable.

Subject Support Sessions - Teachers offer extra sessions to help with school work, coursework and exam prep. These are usually part of the EE timetable.

"The teachers here make my lessons fun... even Maths."

Need To Knows

Mobile Phones

All students will secure their phone in a personally assigned Yondr pouch when they arrive at school and will remain locked until the end of the school day.

Uniform and Bags

All students must follow the uniform code (see page 9).
Not following the uniform code, may result in a student being sent home.
Bags, when not in use, should be stored on the bag rack or in lockers.

Behaviour and Conduct

Students are expected to behave in a sensible and respectful manner and all students and parents sign a behaviour contract agreeing to this and acknowledging that poor behaviour could result in a detention (as detailed in the student planner).

Planners

Students will be given a planner on their first day of school. They are used to jot down homework, credits and make other useful notes and reminders.

Door Codes

Every external door around school has a code. Students will receive this from their form tutor on the first day of school.

School Email

Students will be provided with their own school email and are also expected to sign an ICT Acceptable Use Policy.

Lockers

Students will have the opportunity to reserve a locker. The lockers are located indoors and are big enough to store a student's PE kit as well as their school bag.

Academic Progress

Monitoring Progress

Academic Progress

In Year 10 and 11 you will complete a number of different assessments. This may initially sound quite scary; although assessments are important and need to be taken seriously, there is no need to be worried. Your Head of Year, Form Tutor and Teachers will support you throughout the year, ensuring that you are well prepared for each assessment task. These tasks are intended to establish what learning has taken place thus far and also which skills you have developed; formal progress checks take place within 'progress weeks' across the year, which allow staff, parents, guardians and yourself to reflect on progress made and to set meaningful targets and offer the right support for you as a learner.

Initial Assessment

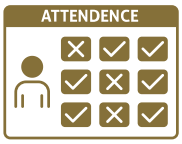

At the start of the year, you will complete a Baseline Assessment. This provides your Teachers, Form Tutor, and Head of Year with information on your potential academic performance. Your teachers will set you targets based on your performance within this assessment.

Wellbeing Surveys

You will complete Wellbeing Surveys at set points across your time in school. Information gathered from this survey will be used by your Teachers, Form Tutor, and Head of Year to assess your happiness, wellbeing and experience at school.

"My teachers offer extra support and advice in lessons."

Attendance

Registration & Attendance

Punctuality is an important discipline. Morning registration is compulsory and takes place in the form rooms at 8.40am prompt. This is an important time for students to touch base with their Tutor and to hear the daily bulletin. Students must be in their form room on time to avoid an absence or late mark.

Students arriving late to school must sign in at Reception.

Afternoon registration takes place in form rooms at 1.30pm.
Any student who will miss a morning or afternoon registration (for example, because of a music lesson or a sporting fixture) must register at Reception before attending that activity.

Student Absence from School

Where an absence is known about in advance, an Absence Request Form should be completed by parents or guardians and approved by the Head, ideally two weeks before the proposed absence. This includes boarders returning late at the beginning of term or leaving early at the end.

A copy of this 'Absence Request Form' can be downloaded from the School website or a paper copy collected from Reception.

If a student is unable to attend school due to illness, parents or guardians must inform us between 7.50am and 8.40am by calling 01422 822217 or by emailing admin@rishworth-school.co.uk.

If a student has authorisation to leave school before the end of the school day, they must sign out at Reception before leaving the school site.

"I am on the hockey team, in orchestra and in the school play."

Houses & Credits

Inter-House Stucture

All staff and students within the School are allocated to a House: Scammonden, Baitings, Boothwood and Ringstone. Each House has a Staff House Lead responsible for the House and there are also Student Heads of House appointed from the Sixth Form. All students are expected to take an active role in the House System. The House with the highest amount of credits at the end of the year will win the Credit Shield.

Ringstone Boothwood

Scammonden Baitings

Credits

Your teachers will want to reward you when you do well both inside and outside the classroom. They can do this by praising you, writing comments on your work, giving you high marks or by awarding you credits. You can gain credits for good work, for your general behaviour and for helpfulness around school. It is your responsibility to hand your work credits in to your Tutor. Activity credits will be handed in by the member of staff responsible. Your running total will be published at regular intervals but you can keep track in your planner. If you gain enough credits, you could be awarded a certificate and perhaps earn prizes.

Spotted Awards

Students can be spotted by staff or other students where they have done a good deed within the community. These awards are formally and publicly acknowledged in Assembly.

Commendations

If you are seen to be acting above and beyond within the community or in your academic work, you may be nominated by a member of staff to the Head for a commendation. This will be formally and publicly acknowledged in Assembly. A commendation will earn you 5 credits.

"I always feel proud receiving credits for my house."

Meals

Snack

10:00am

Students are able to get a drink and fruit during their morning break from the Dining Hall.

Lunch

During your designated time slot

Tasty, nutritious meals will be provided for you at lunch time. Students are able to select a main meal from the menu or they can choose to have a jacket potato, pasta and sauce and/or salad which are all available daily. Desserts including cake and sponges with custard, fruit, yoghurt are on offer. Main meal choices change weekly so it gives you the opportunity to try new things.

Dietary requirements and allergies can be catered to, so please ensure your parents or guardians list these on the New Starter Form.

"I now have friends from all over the world and am learning about new cultures."

Opportunities

Trips, Expeditions & Tours

Competitions

The staff at Rishworth keep a close eye on local and national competitions which you can get involved in e.g. Top of the Bench (Chemistry), Sporting Events & Maths Competitions.

Overseas Trips

Certain subject areas or year groups will arrange overseas culture trips for students. Previous trips have taken our students to Sorrento, Paris, and India.

UK Expeditions

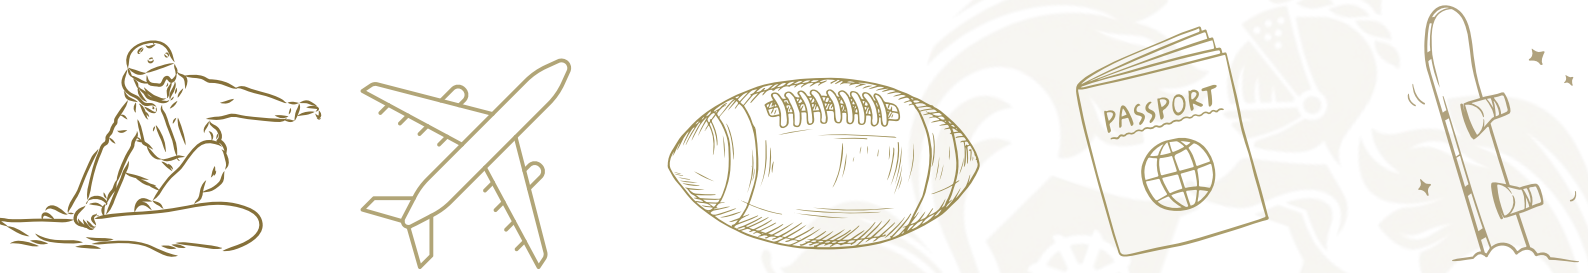

We have smaller trips available, including themed walks, theatre visits, trips to towns or cities, and activities like skiing. Some activities are part of certain EE clubs.

Other Opportunities

We have huge talents amongst our staff at Rishworth; many who are practising in their professions who can help to support students. We aim to assist any student who strives to achieve success on a wider scale such as at county, national or international level. Please make us aware of your goals and we will do what we can to help you.

"All of the trips we go on are epic."

Trips and Tours

Snowsports Trip

Each year, we take a snowsports trip for both skiers and snowboarders. It's a very popular trip with a lot of fun activities planned into the itinerary.

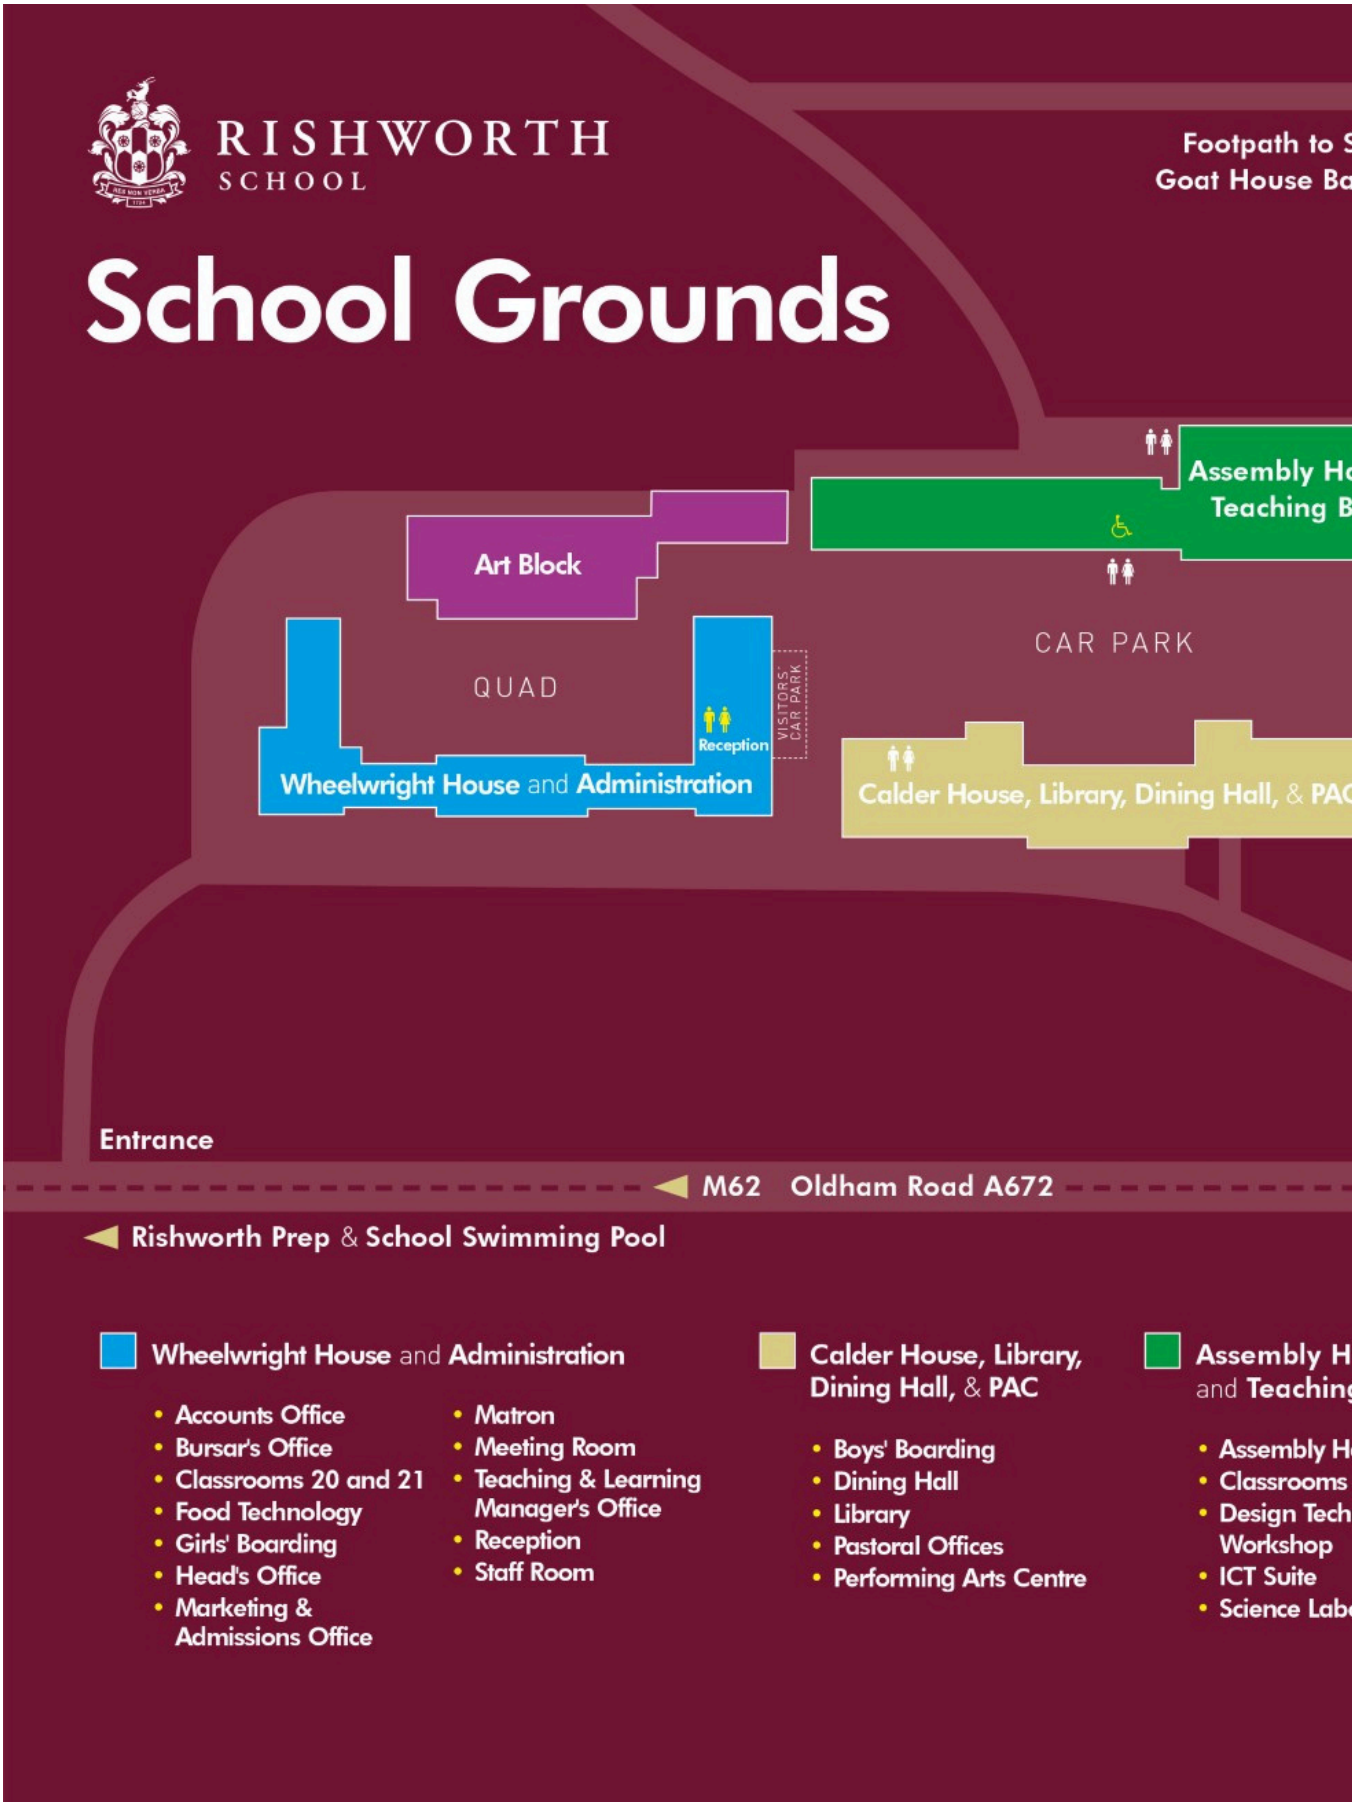

Sports Tour

Every two to three years, we undertake a tour to play sport against international clubs and to enjoy that country's culture. Previous tours have visited South Africa, Australia, Chile, Malaysia, Canada and Barbados.

"I love netball training and being part of a team."

"I never get bored at break times; there is so much to do."

School Map

"I have stayed friends with my buddy from taster day."
