SENIORS

Seniors, be sure to check the "Counselor" sectionunder "Academics" on the HHS website as well as the Counselor Google Classroom for important college and scholarship information.

Senior parents, the counselors have begun meeting with all seniors to give them information about completing the FAFSA. The first step is to create an FSA ID for the student and one for the parent that will be completing the FAFSA with the student. The FAFSA application is being revamped so it will not open until some time in December. Be sure to complete the 2026-2027 application since that is when your student will attend college. Please review all of the important information your senior will be sent homewith in order to successfully submit the FAFSA. We will have a representative here from LOSFA at HHS on Thursday, October 23 from 2-6pm to assist with questions completing the FAFSA. The FAFSA does open this year on October 1st.

SCHEDULING 26-27

9th-11th grade parents please know that planning for the next school year will begin soon and we will start meeting with students to have them start the elective course choices for 2026-27 school year. It is always helpful when you take the time to review the "Course Catalog"with your child and evaluatewhich electives he/she would like to take. This document can be found online under"Academics". You will receive an invitation to attend a meeting with your student for scheduling. Rising Seniors (current juniors) will take place the week of October 20-24. Rising Juniors (current sophomores) will take place the week of October 27-31. Rising Sophomores (current freshman) will take place the week of November 3-7.
