Maple Ridge Elementary School
Teacher–Student–Parent Compact 2025–2026

The staff of Maple Ridge Elementary School, together with parents/guardians and students, agree to this compact as part of Title I, Every Student Succeeds Act of 2015. It outlines how school staff, families, and students will share responsibility for academic success during the 2024–25 school year.

What is a Compact?
A compact is a shared agreement between parents/guardians, students, and teachers. It outlines each group's responsibilities and explains how we will work together to support student learning and success. At Maple Ridge Elementary, this Title I Compact is reviewed and updated each year with input from families, students, and staff.

School Responsibilities
Maple Ridge Elementary School will provide a high-quality curriculum and instruction in a supportive and effective learning environment so that all students can meet Indiana Academic Standards. As required by Public Law 221, the school develops curriculum with Indiana Academic Standards, a School Improvement Plan, and uses ongoing staff development to improve instruction.

The school will:
- Hold parent-teacher conferences annually.
- Provide parents/guardians with regular reports on their child's progress, including report cards through PowerSchool.
- Offer reasonable access to staff through email, phone, website, and conferences.

Staff Agreement
We believe every child can succeed. As teachers and staff, we will:

- Arrive at school ready to learn and do my best each day.

Parent/Guardian Agreement
I believe my child can succeed. As a parent/guardian, I will:
