

**AT BERNARD ZELL WE DEVELOP EXCEPTIONAL YOUNG PEOPLE WHO PUT JEWISH VALUES INTO ACTION.**

**AT BERNARD ZELL WE CULTIVATE COMMUNITY**  
*letape'ach kehillah | לטפח קהילה*

Bernard Zell is an inclusive, pluralistic *kehillah* (community). Our students are celebrated as individuals, supported in achieving their full potential, and equipped with critical thinking skills.

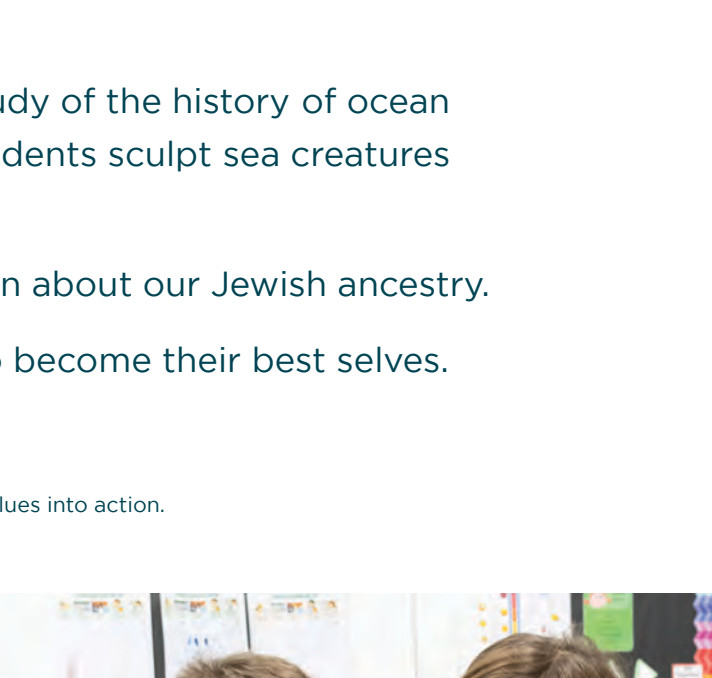

We foster an environment steeped in Jewish values and culture with a deep connection to Israel, where curiosity, active engagement, and academic achievement create a strong sense of personal identity and community.

Beyond the classroom, Bernard Zell provides opportunities for families to learn together, celebrate Jewish holidays, and participate in community social action projects.

Bernard Zell • We develop exceptional young people who put Jewish values into action. 1

**AT BERNARD ZELL WE INSPIRE CURIOSITY**  
*le'orer sakranut | לעורר סקרנות*

At Bernard Zell, academic excellence meets discovery. Every subject, from math and English to Jewish studies and Hebrew, is imbued with a spirit of curiosity and creativity.

Here, a science text on sea life can inspire a study of the history of ocean exploration, then lead to an art class where students sculpt sea creatures from clay.

Students see, hear, and speak Hebrew and learn about our Jewish ancestry.

Students are empowered by their educators to become their best selves.

2 Bernard Zell • We develop exceptional young people who put Jewish values into action.

**AT BERNARD ZELL WE LIVE WITH INTEGRITY & COMPASSION**  
*lichyot im yoshrach v'chemlah | לחיות עם ישרה וחמלה*

Nurtured by a culture of *Kavod* (respect), *Achrayut* (responsibility), and *Tikkun Olam* (repairing the world), Bernard Zell students explore their world with wonder.

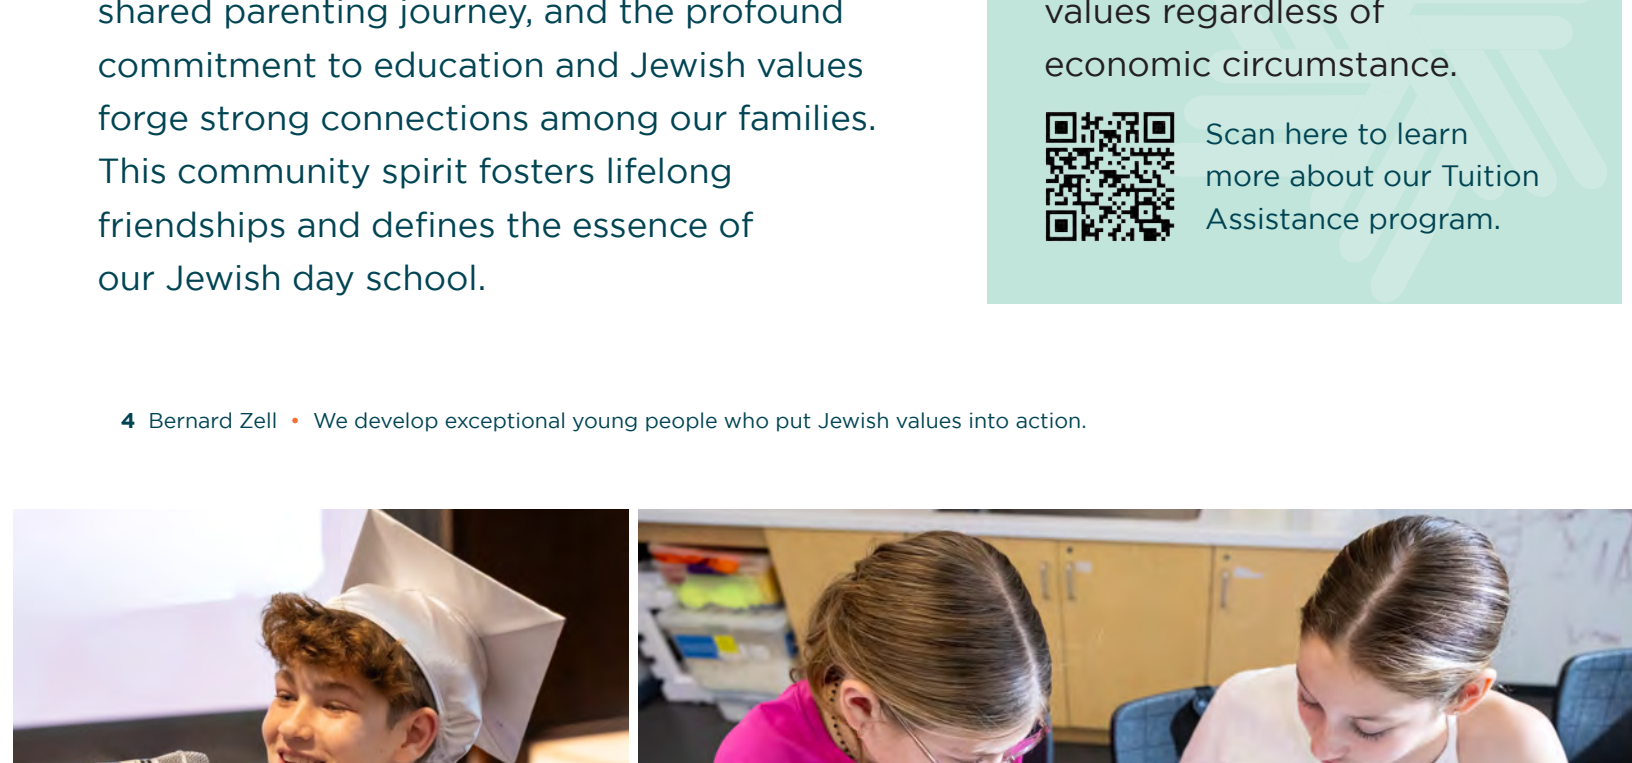

In our outdoor spaces, they engage in purposeful play and care for nature.

They practice determination and teamwork in our athletics program.

They explore fine arts through painting, sculpture, photography, and performing arts.

Along the way, students' confidence, independent thinking, and problem-solving skills grow.
