In accordance with Every Student Succeeds Act (ESSA)/ Parents' Right to Know, this is a notification from St. Mary Parish School System to every parent of a student in a Title I school that you have the right to request and receive in a timely manner information regarding the professional qualifications of your child's classroom teachers and/or paraprofessionals.

The information regarding the professional qualifications of your child's classroom teachers/paraprofessionals shall include the following:

- If the teacher has met state certification/qualification criteria for the grade level and subject areas taught;
- If the teacher is teaching under emergency or other provisional status through which state certification/qualification criteria are waived;
- The teacher is assigned in the field of discipline of the certification;
- Whether the student is provided services by paraprofessionals, and if so, their qualifications [ESSA 1112(e)(1)(A)(i)-(ii)]

In addition to the above information you will be notified if your child has been taught for four or more consecutive weeks by a teacher who does not meet the applicable state certification requirements at the grade level and subject area in which the teacher has been assigned.
