

Parkview Music Polo Order Form 2025

All music students are required to have a special music polo shirt to wear for all performances while they are at Parkview. Students will also need to wear black dress pants, black shoes and black socks with the polo for all performances. Please place your order immediately to ensure arrival for the first performance. Shirts run true to size and are 100% polyester. **To avoid having to order a new shirt in the future, please ensure the size ordered is large enough to fit the student all of their years at Parkview.** Also note that due to possible supply shortages in shirts we reserve the right to order a size larger, if it becomes necessary, to fulfill the order.
