Welcome to Hanford Adult School

Thank you for taking the opportunity to learn more about our school and programs. Adult education has been an integral part of our community since 1930.

Our vision is to provide educational opportunities and services which address the unique needs of each individual by offering academic and career-oriented classes, teaching the skills necessary to enhance life and participate effectively within the community and family. In order to live out this vision, Hanford Adult School provides strong academic and vocational educational programs.

To ensure that our students reach their full potential, we provide a variety of courses to meet the diverse needs of the community: English as a Second Language (ESL), High School Diploma (HSD) classes leading to a diploma, or High School Equivalency (HSE) classes in preparation for a GED. We also offer two Career Technical Education courses in the areas of Welding and Certified Nursing Assistant.

If you are seeking a school where the focus is individualized learning in small class settings, provided by knowledgeable, supportive teachers, in a safe and secure environment, then you will want to attend Hanford Adult School. Our classes are available both days and evenings throughout the school year, with both seat time and independent study options available. Please check our Facebook page, Twitter or website for ongoing updates regarding enrollment opportunities.

It is a privilege to be part of this learning community dedicated to serving students. Our first priority is helping you reach your educational, career, and personal goals.

Heather Keran
Principal

Alcohol/Drugs and Narcotics

Drugs, alcohol, and narcotics are strictly prohibited. Any student who unlawfully possesses, uses, sells, or otherwise furnishes, or is under the influence of any controlled substance, alcoholic beverage, or intoxicant of any kind, on or about the school campus, is subject to immediate suspension/expulsion and all existing laws that apply.

Cell Phones

Students may carry cell phones and other electronic communication devices at school, but these devices are not to cause a disruption during instructional time.

Electronic Vandalism

Electronic vandalism is a felony. Students found to be involved in electronic vandalism may be cited by the police and removed from the Hanford Adult School premises. Electronic vandalism includes, but is not limited to computer viruses.

Smoking

State Law and School Board Policy prohibits smoking anywhere on the adult school campus, including all classrooms, offices, and vehicles parked on the school grounds. Students may smoke across the street on Campus Drive.

Student Parking

Students are not to park in the front lot. Student parking is located in the back of the school. All parking laws are enforced. Vehicles parked improperly may be ticketed and/or towed away at the driver's expense. The school accepts no responsibility for the safety of your vehicle or the contents in your vehicle. In order to provide a secure environment, loitering near vehicles parked on schools grounds is not allowed. Make sure to lock your vehicle.

Visitor & Student Guests

All visitors and student guests must report to the main office of the adult school for permission to remain on the adult school campus longer than the time necessary to drop off or pick up a student. If the presence of any visitor or guest is deemed to be disruptive to the educational environment, the visitor or guest privileges will be suspended and they will be expected to leave the campus.

Uniform Complaint Procedure

The Governing Board of Trustees recognizes that the district is responsible for ensuring that it complies with state and federal laws and regulations governing educational programs. The district shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on ethnic group identification, religion, age, gender, color or physical or mental disability in any program or activity that receives or benefits from state financial assistance. The district shall also follow uniform complaint procedures when addressing complaints alleging failure to comply with state or federal law in adult basic education, consolidated categorical aid programs, migrant education, vocational education, child care and development programs, child nutrition programs and special education programs. The Board encourages the early, informal resolution of complaints at the site level whenever possible. Upon receipt of a written complaint from an individual, public agency or organization, uniform complaint procedures shall be initiated. The Superintendent or designee shall distribute full information about these procedures. The Board recognizes that a neutral mediator can often suggest an early compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate a mediation process before beginning a formal compliance investigation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations. The Board acknowledges and respects student and employee rights to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis. The Board prohibits retaliation in any form for the filing of a complaint, the reporting of instances of discrimination or participation in complaint procedures. Such participation shall not in any way affect the status, grades or work assignments of the complainant.
