Additional Guidelines for All Lower School Students

The faculty and administration of Westminster believe every setting has an appropriate dress code, from the classroom to the workplace, to the stage, to the athletic field. We wish to maintain standards of dress and appearance that are appropriate for our academic community. Our uniform program is designed to reflect modesty and a sense of school pride while minimizing unnecessary distractions and comparisons. It also encourages neatness, professionalism, and attention to detail. We believe students can be their best selves inside and outside the classroom when adhering to the guidelines of this uniform program. Students' attire and grooming must be modest, appropriate for school, and not attract undue attention. The School reserves the right to determine the appropriateness of any student's appearance and grooming related to the community expectations. These standards are further articulated by, but are not limited to, the following guidelines:
